[57] **CLAIM**

The ornamental design for a golf ball, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a golf ball showing my new design; the bottom view being a mirror image; FIG. 2 is a front elevation view thereof; the rear view being a mirror image; and, FIG. 3 is a left side elevation view thereof; the right side being a mirror image.

The design is characterized by there being provided in each ordinary dimple of a golf ball, a second dimple disposed within the ordinary dimple, the ordinary dimple and the second dimple both being of circular configuration in plan view, the second dimple being concentrically disposed within the ordinary dimple.

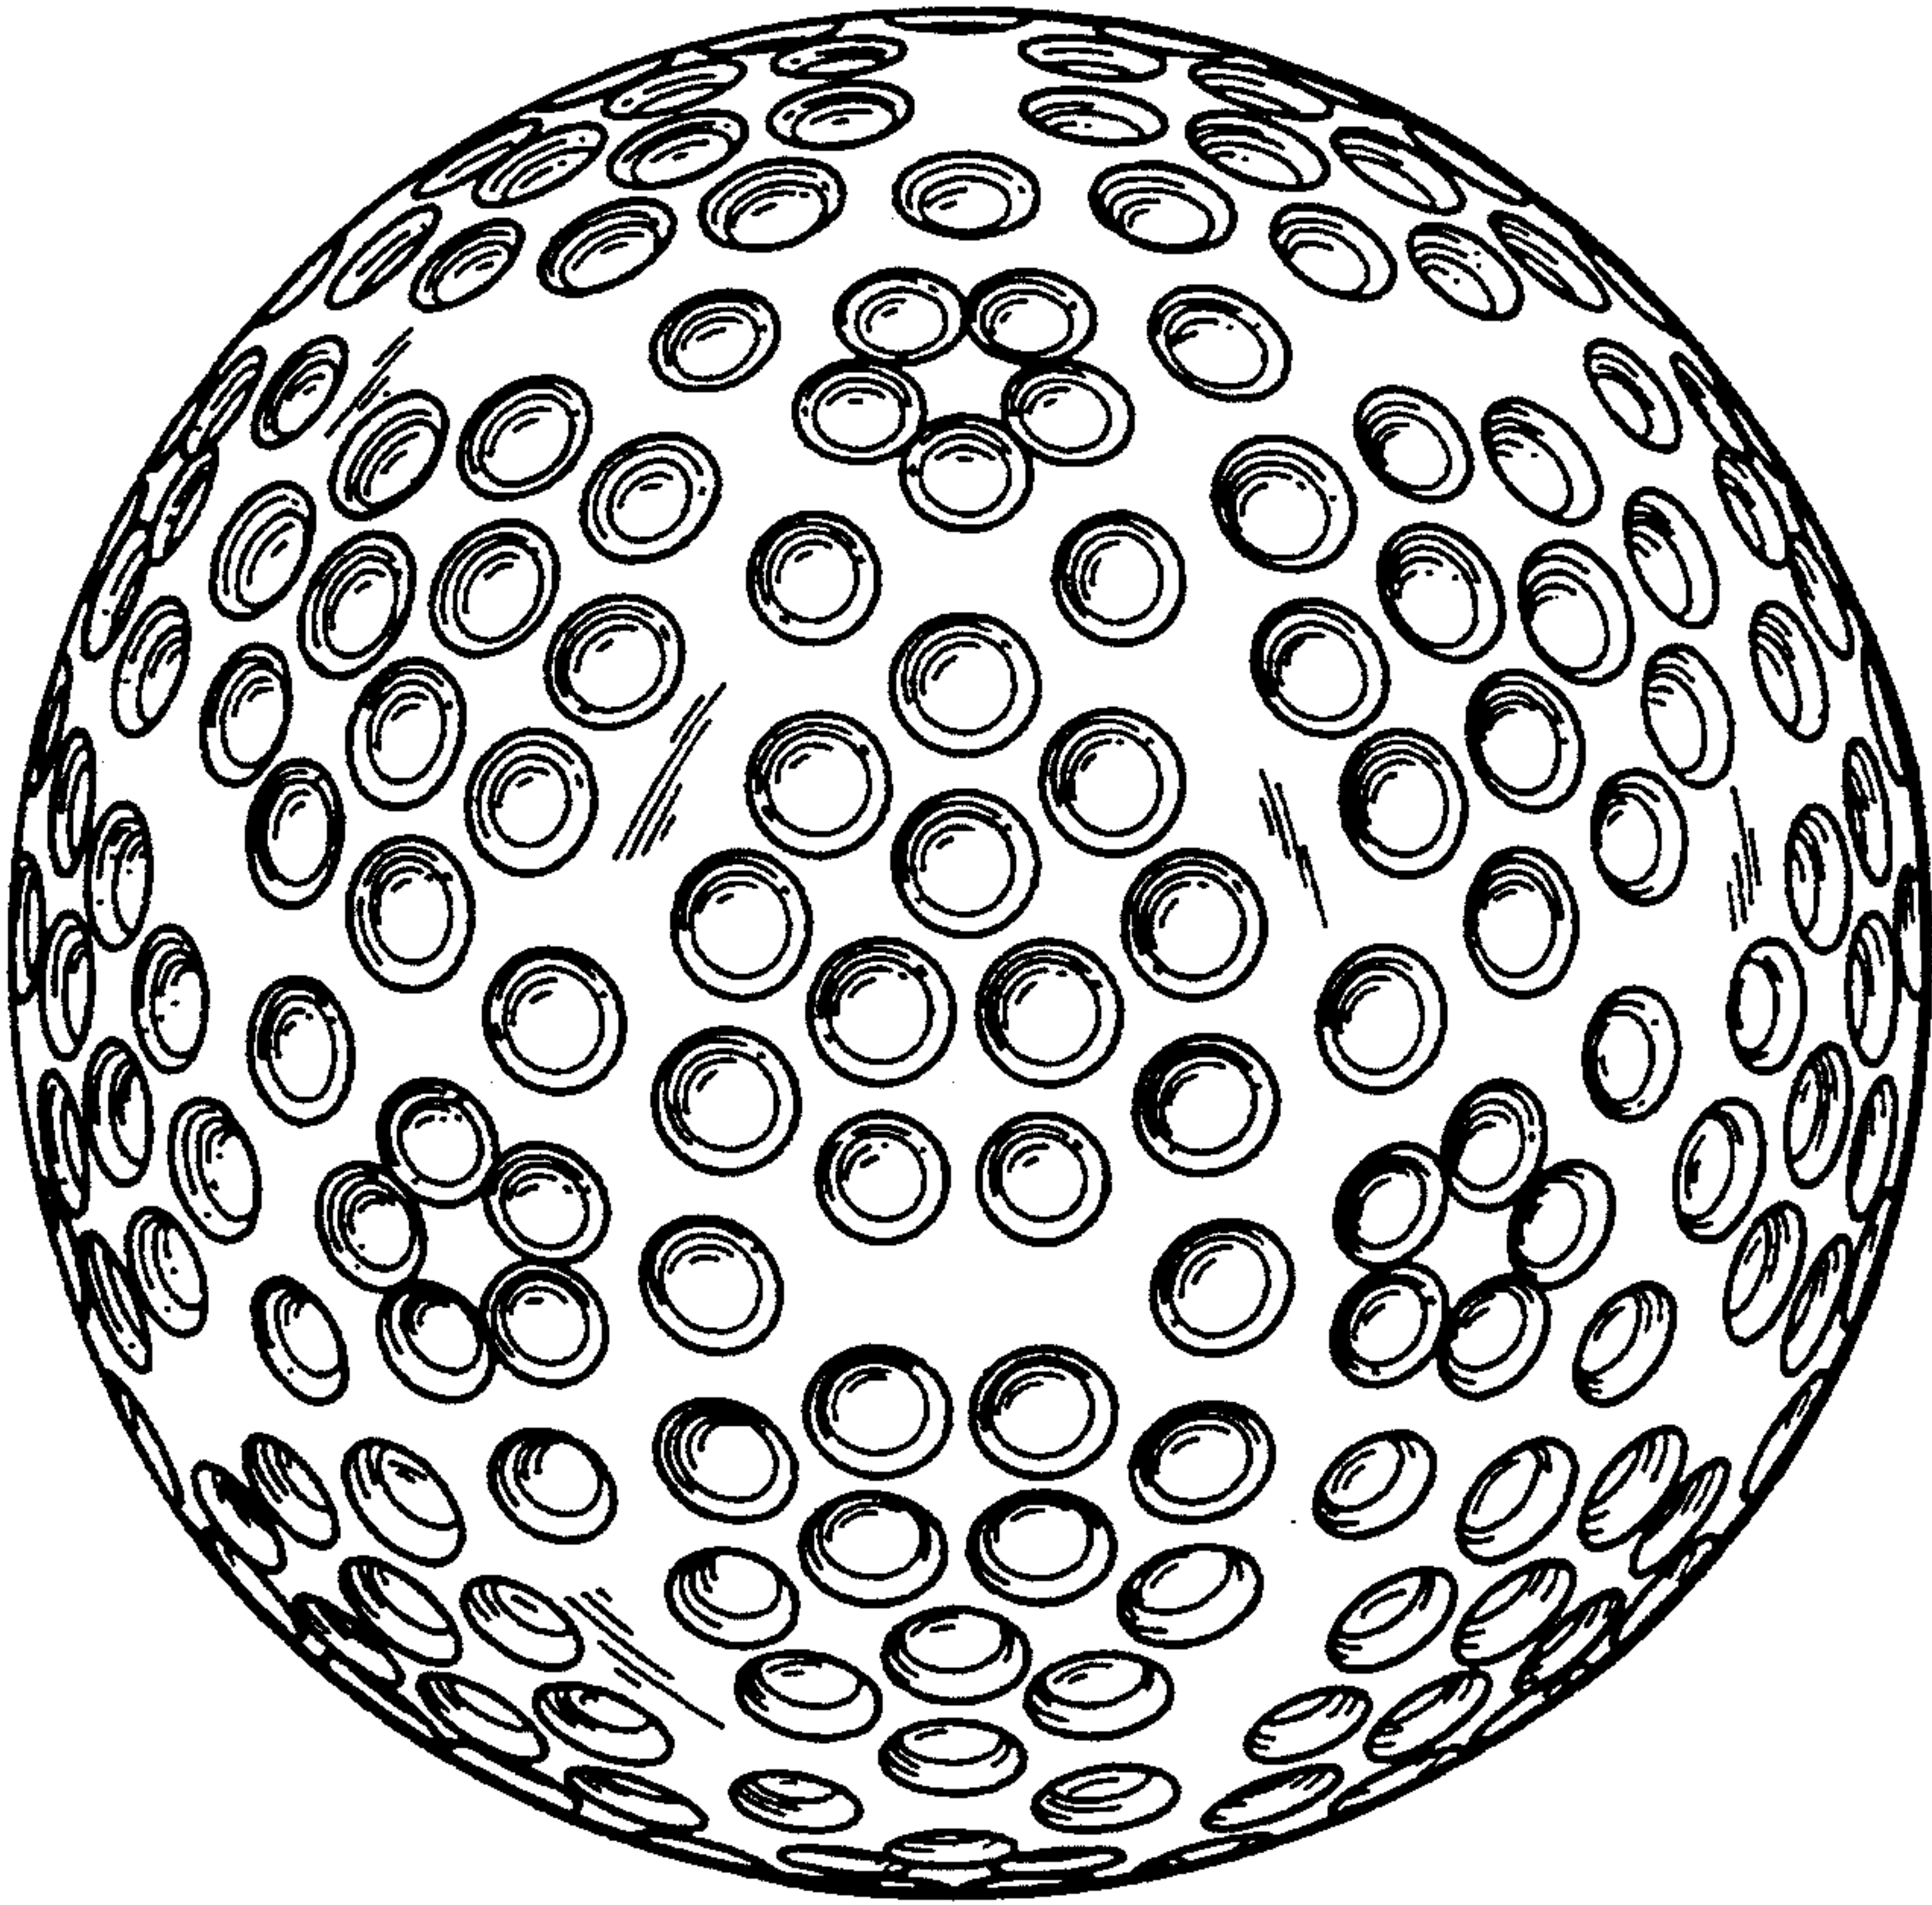

FIG. 1

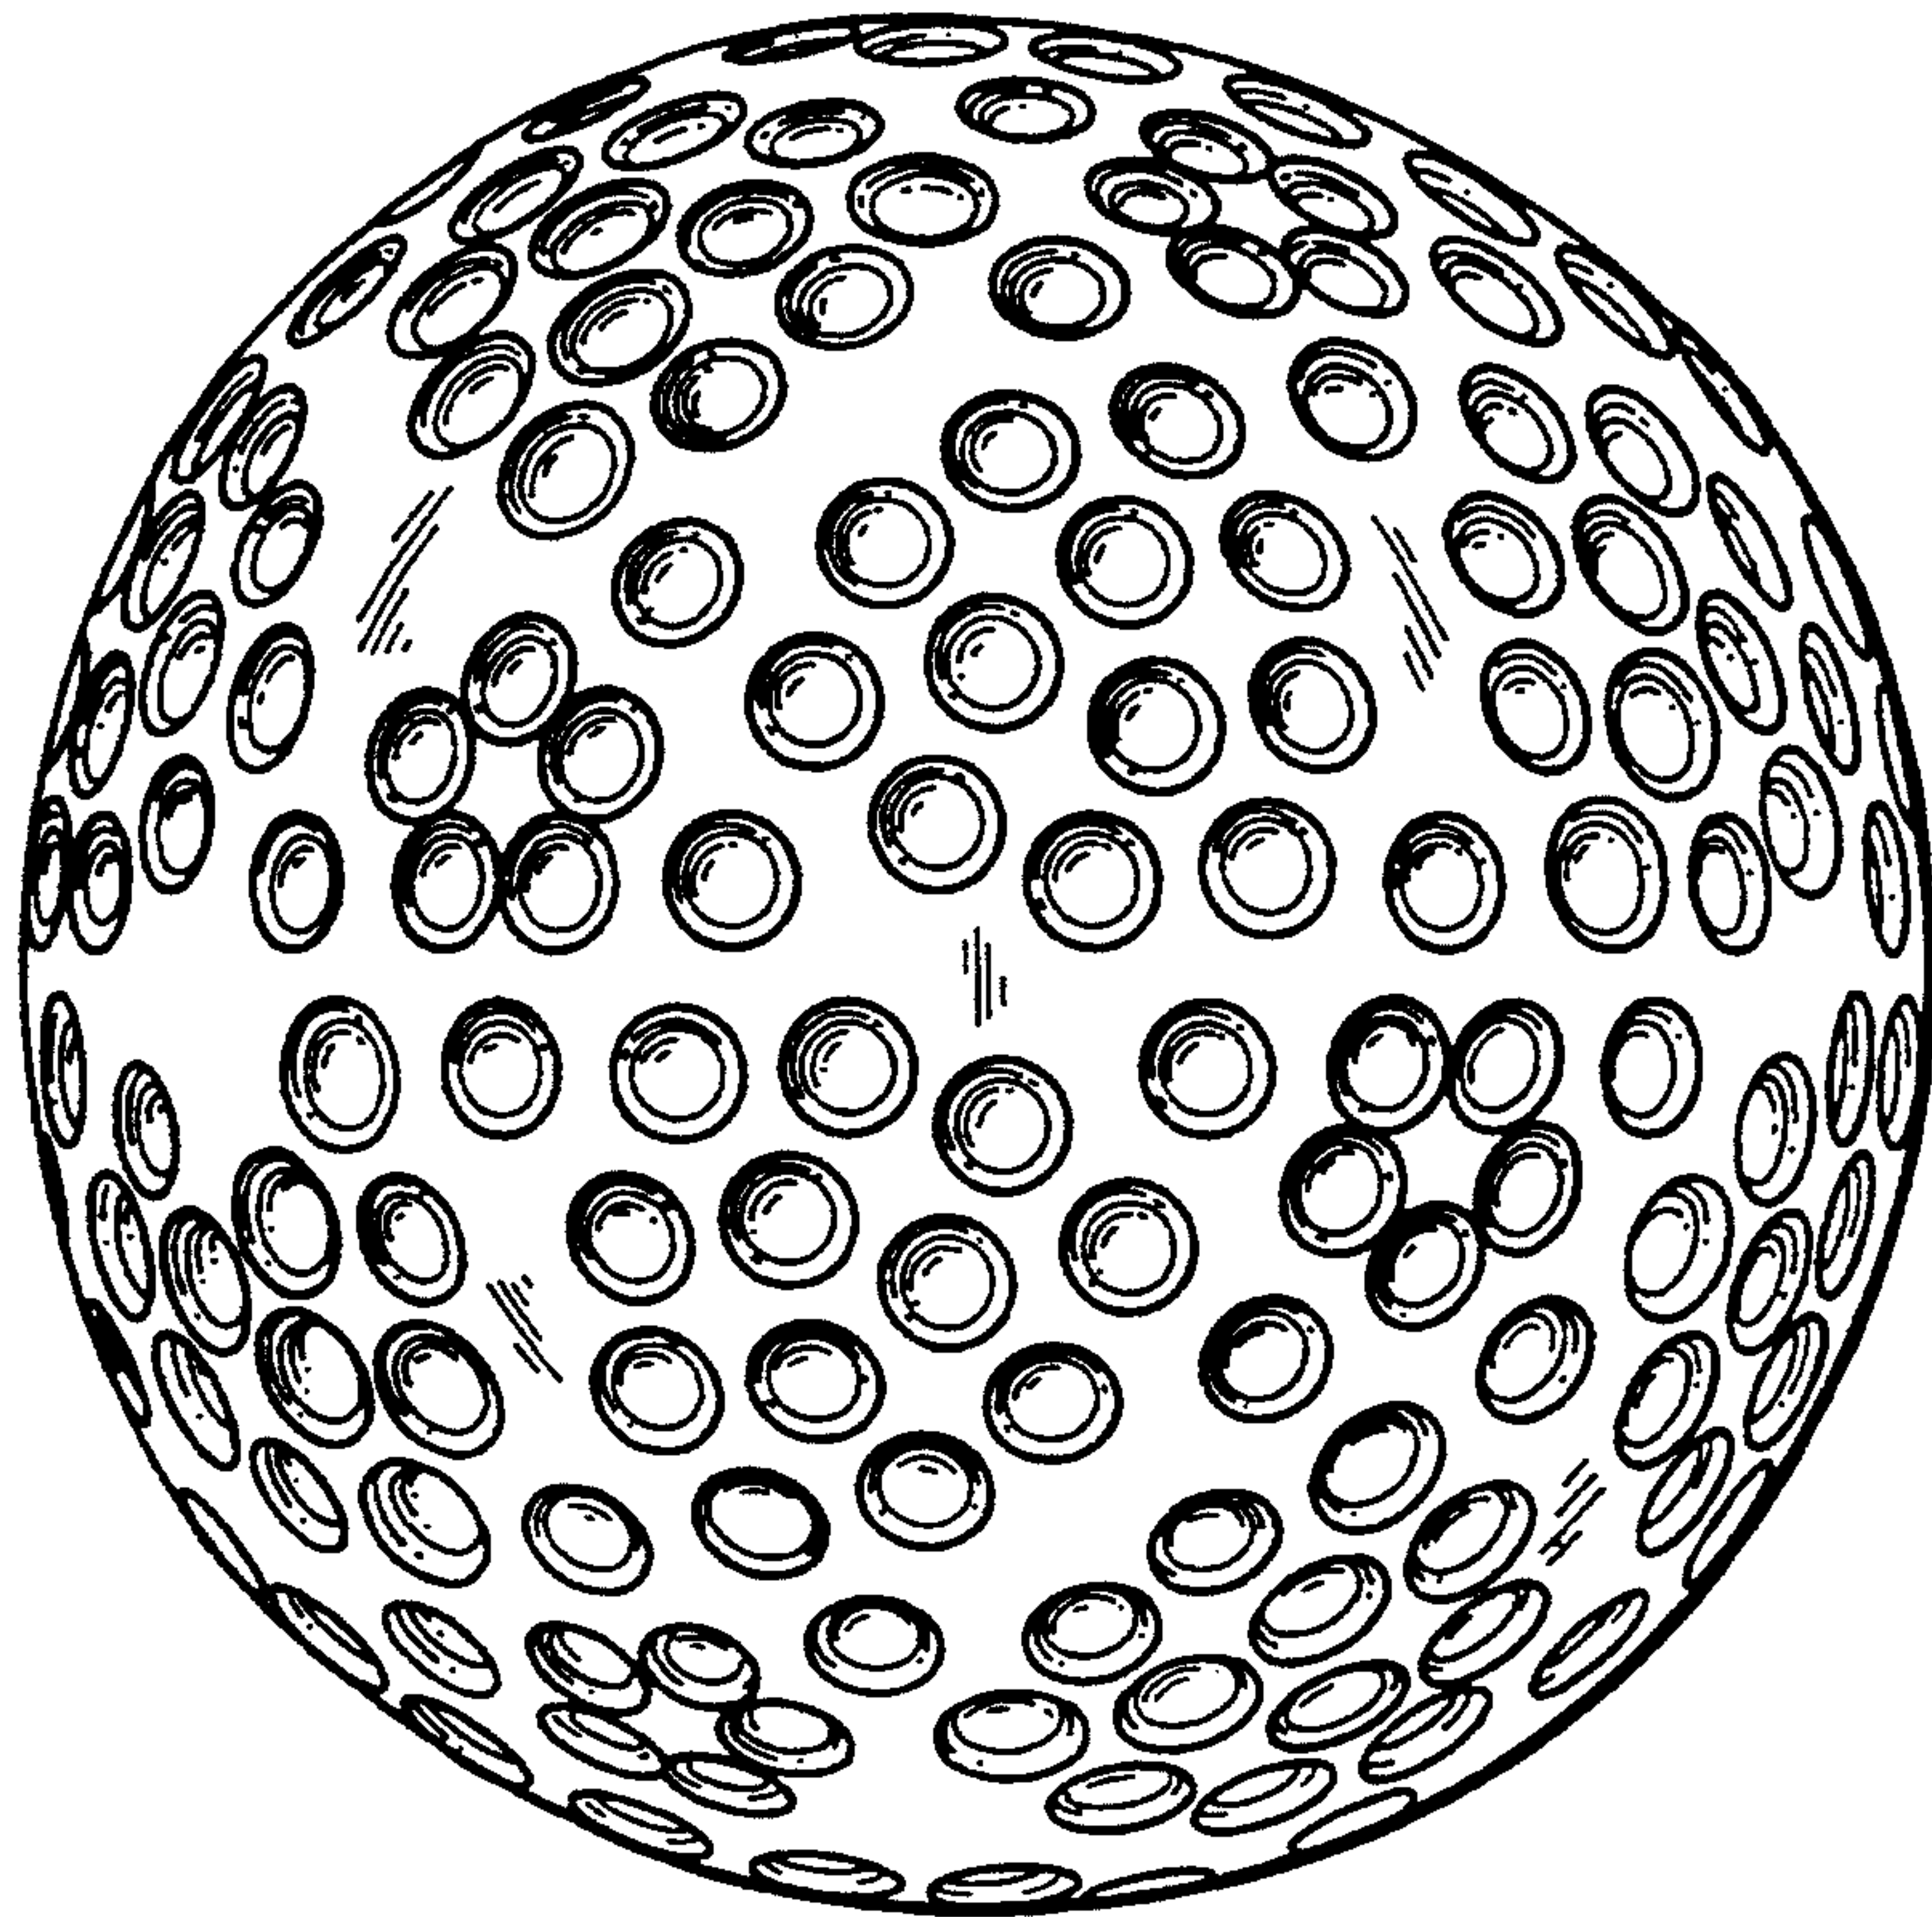

FIG. 2

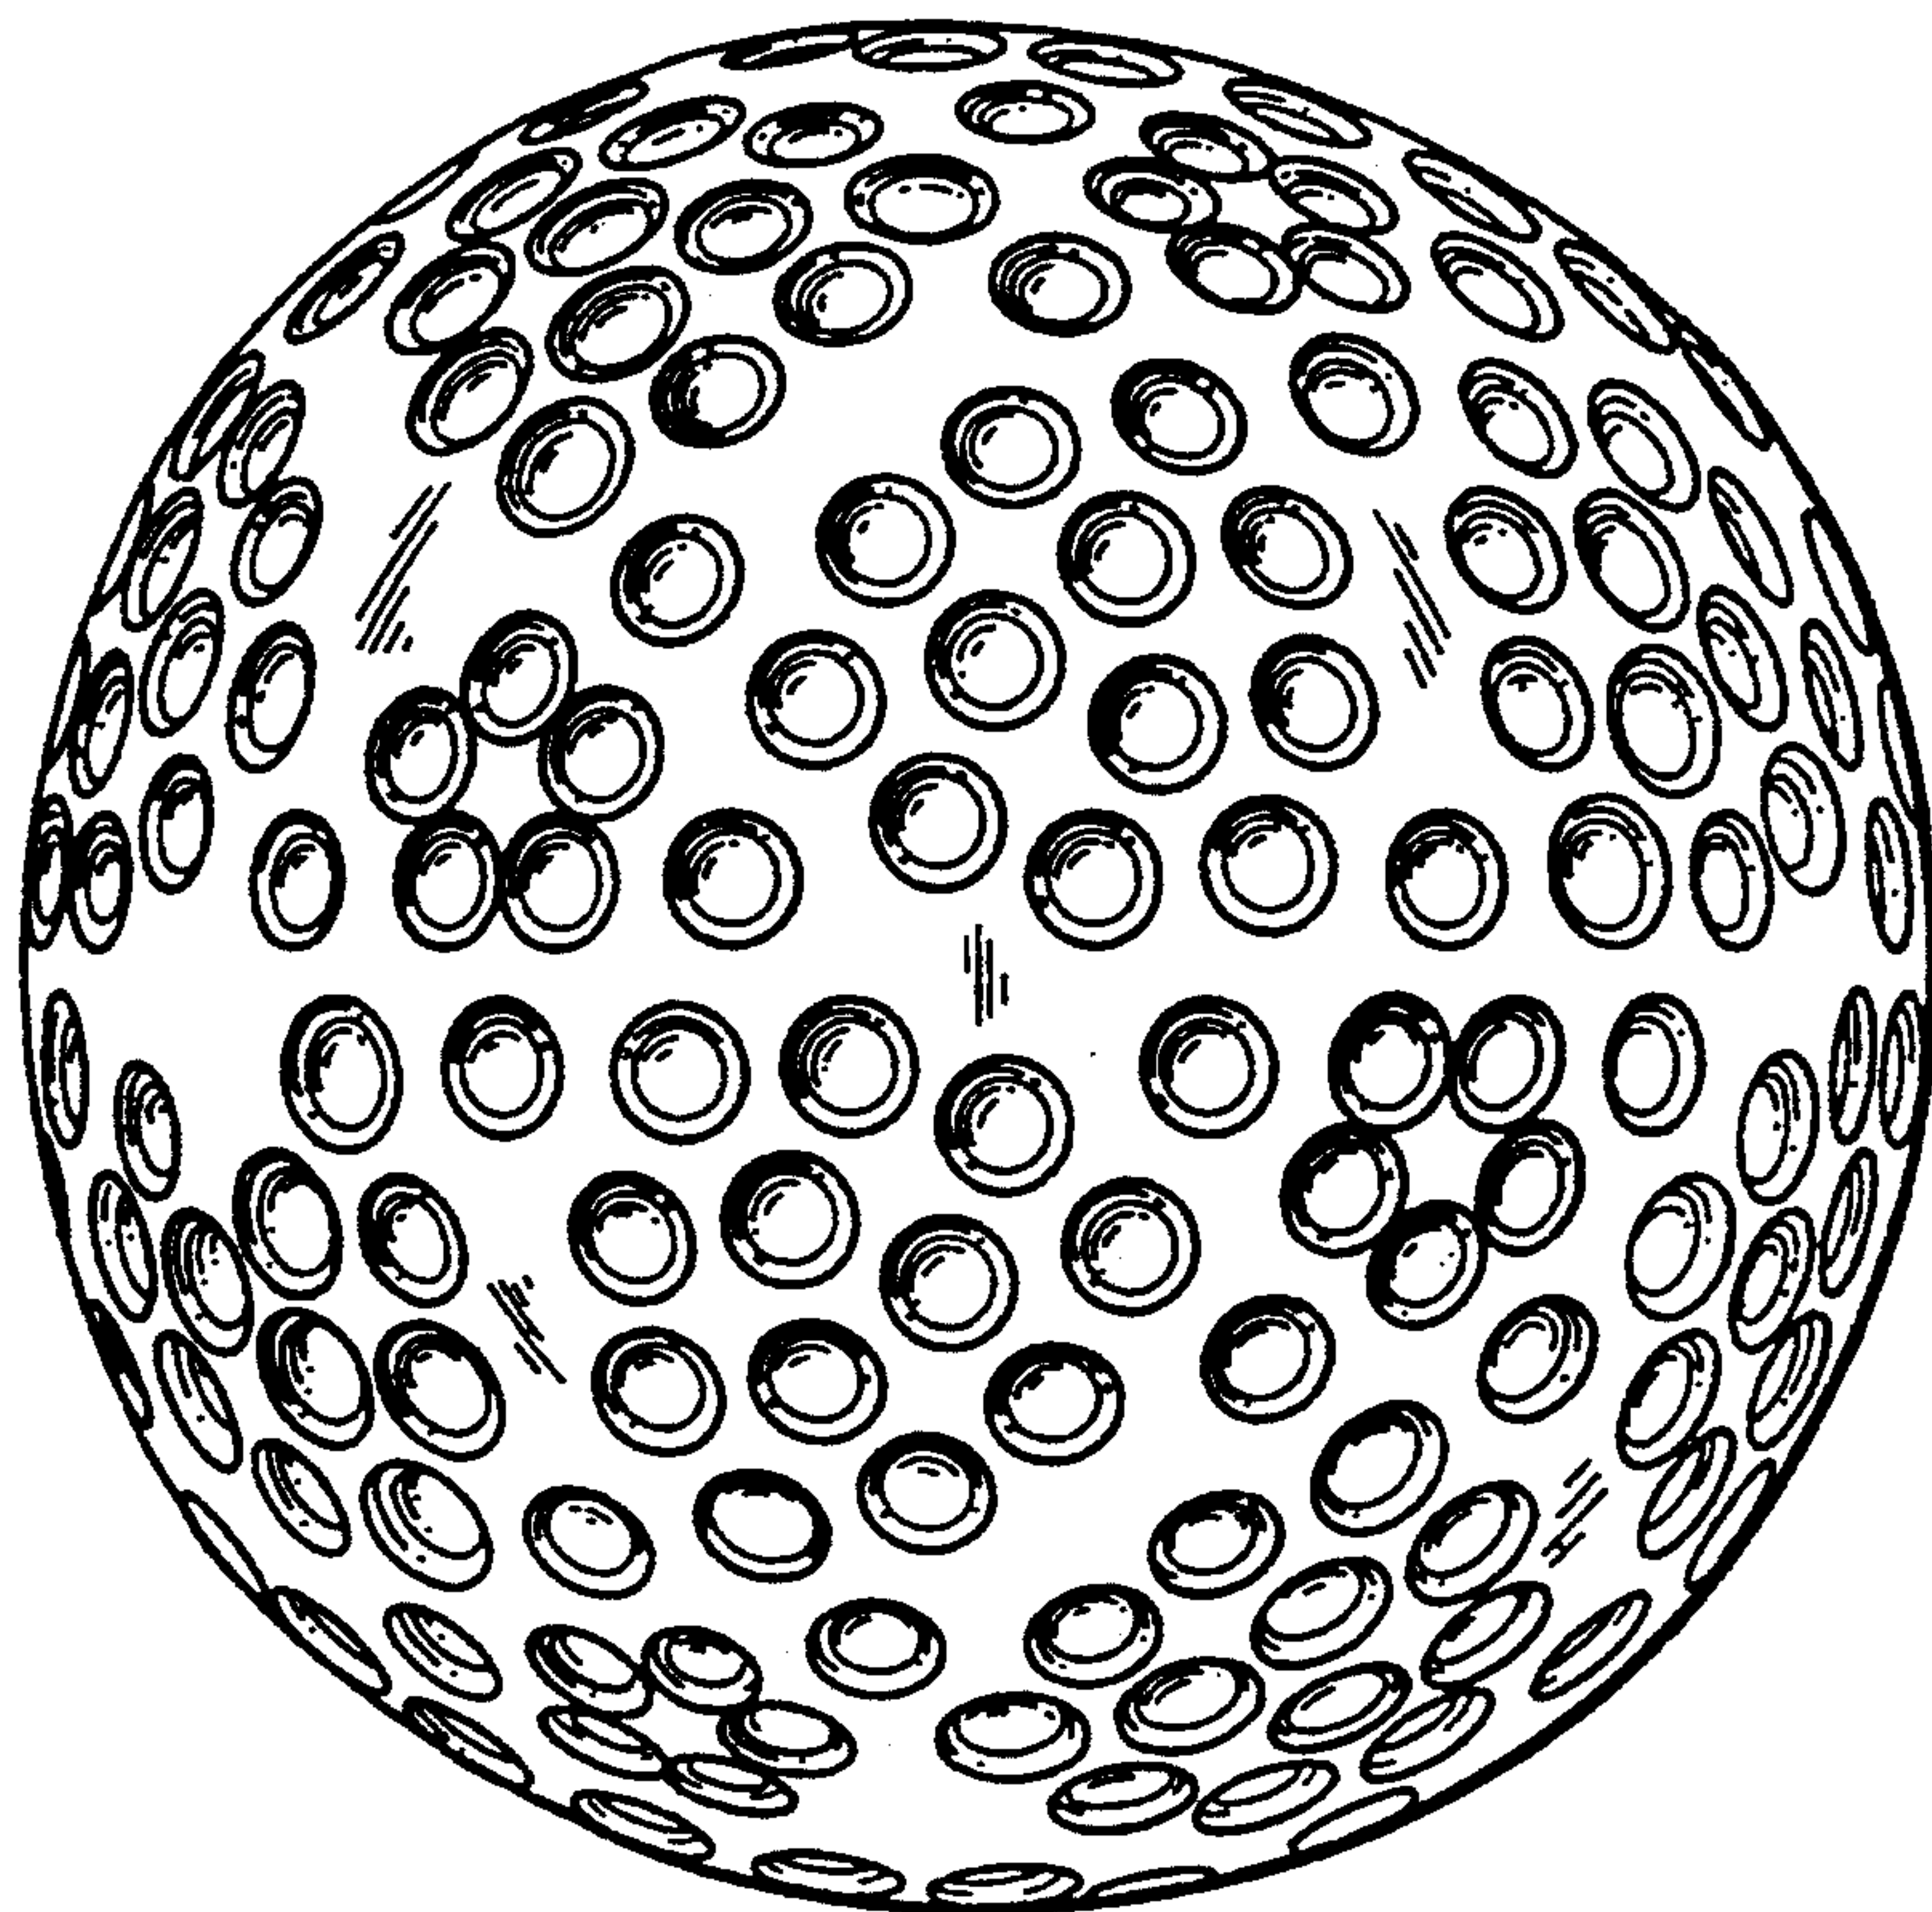

FIG. 3
