[57] CLAIM

The ornamental design for a multiple station telephone
booth with dome top, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a multiple station tele-
phone booth with dome top showing my new design;
FIG. 2 is a front elevational view, the rear and sides
being identical thereto; and,
FIG. 3 is a top view thereof.
The broken line showing of a telephone in FIGS. 1 and
2 is for illustrative purposes only.
