## [57] CLAIM

The ornamental design for a front end of a sports car, as shown and described.

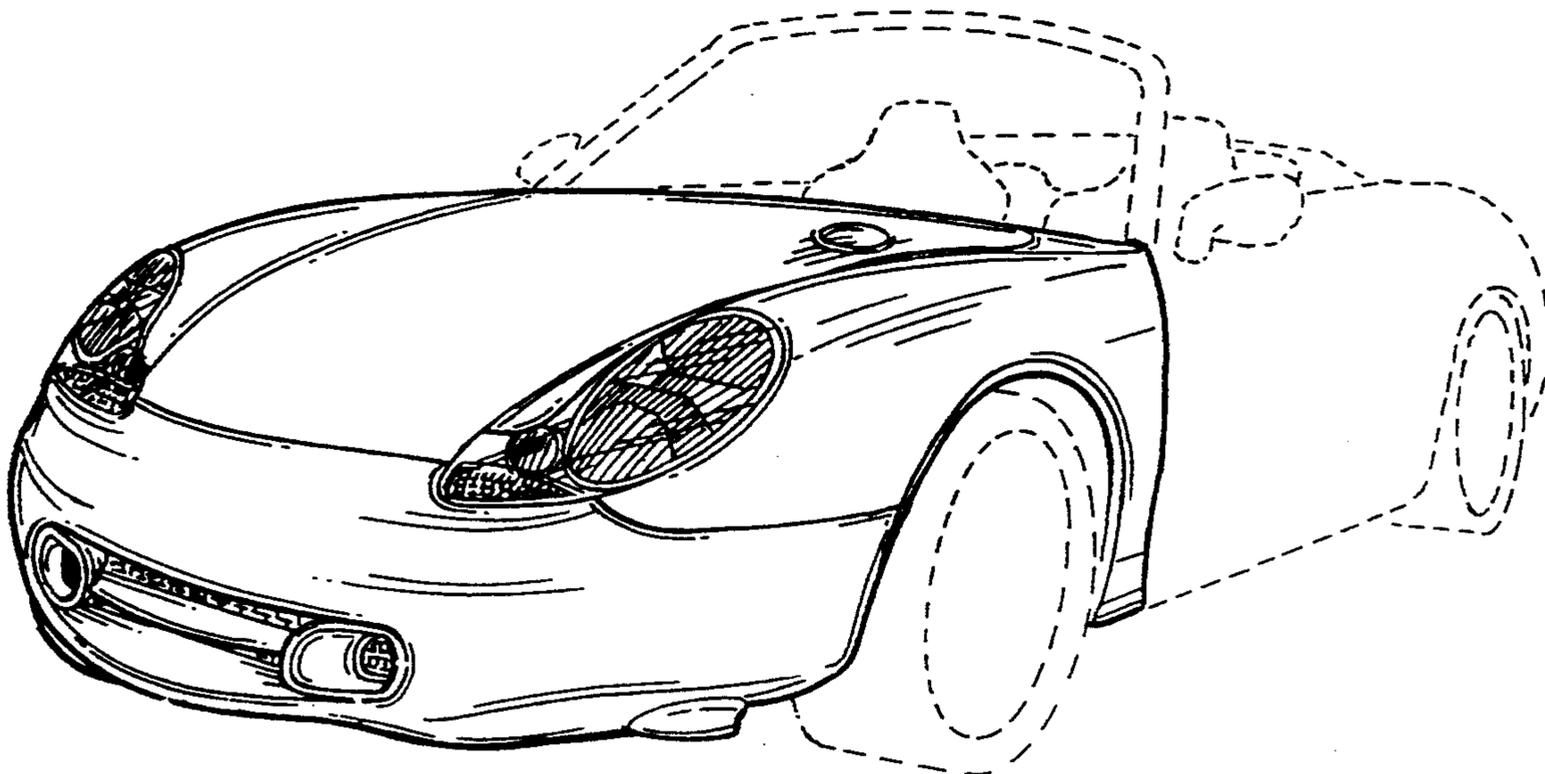

## DESCRIPTION

FIG. 1 is a front perspective view of a front end of a sports car showing our new design;

FIG. 2 is a right, front perspective view thereof, it being understood that the opposite side is a mirror image of the side shown; and,

FIG. 3 is a top perspective view thereof.

The broken line showing of the remaining portions of the sports car illustrated in the drawings is for illustrative purposes only and forms no part of the claimed design.
