[57] **CLAIM**

The ornamental design for a watch with band portions, as shown and described.

DESCRIPTION

FIG. 1 is a front plan view of the watch with band portions bearing my ornamental design;

FIG. 2 is a back plan view of the watch with band portions bearing my ornamental design;

FIG. 3 is a side view of the watch with band portions bearing my ornamental design;

FIG. 4 is an opposite side view of the watch with band portions bearing my ornamental design;

FIG. 5 is a front perspective view of the watch with band portions bearing my ornamental design; and,

FIG. 6 is a side perspective view of the watch with band portions bearing my ornamental design.

The characteristic feature of my new design resides in the dial portion thereof, the watch housing being known in the watch arts.

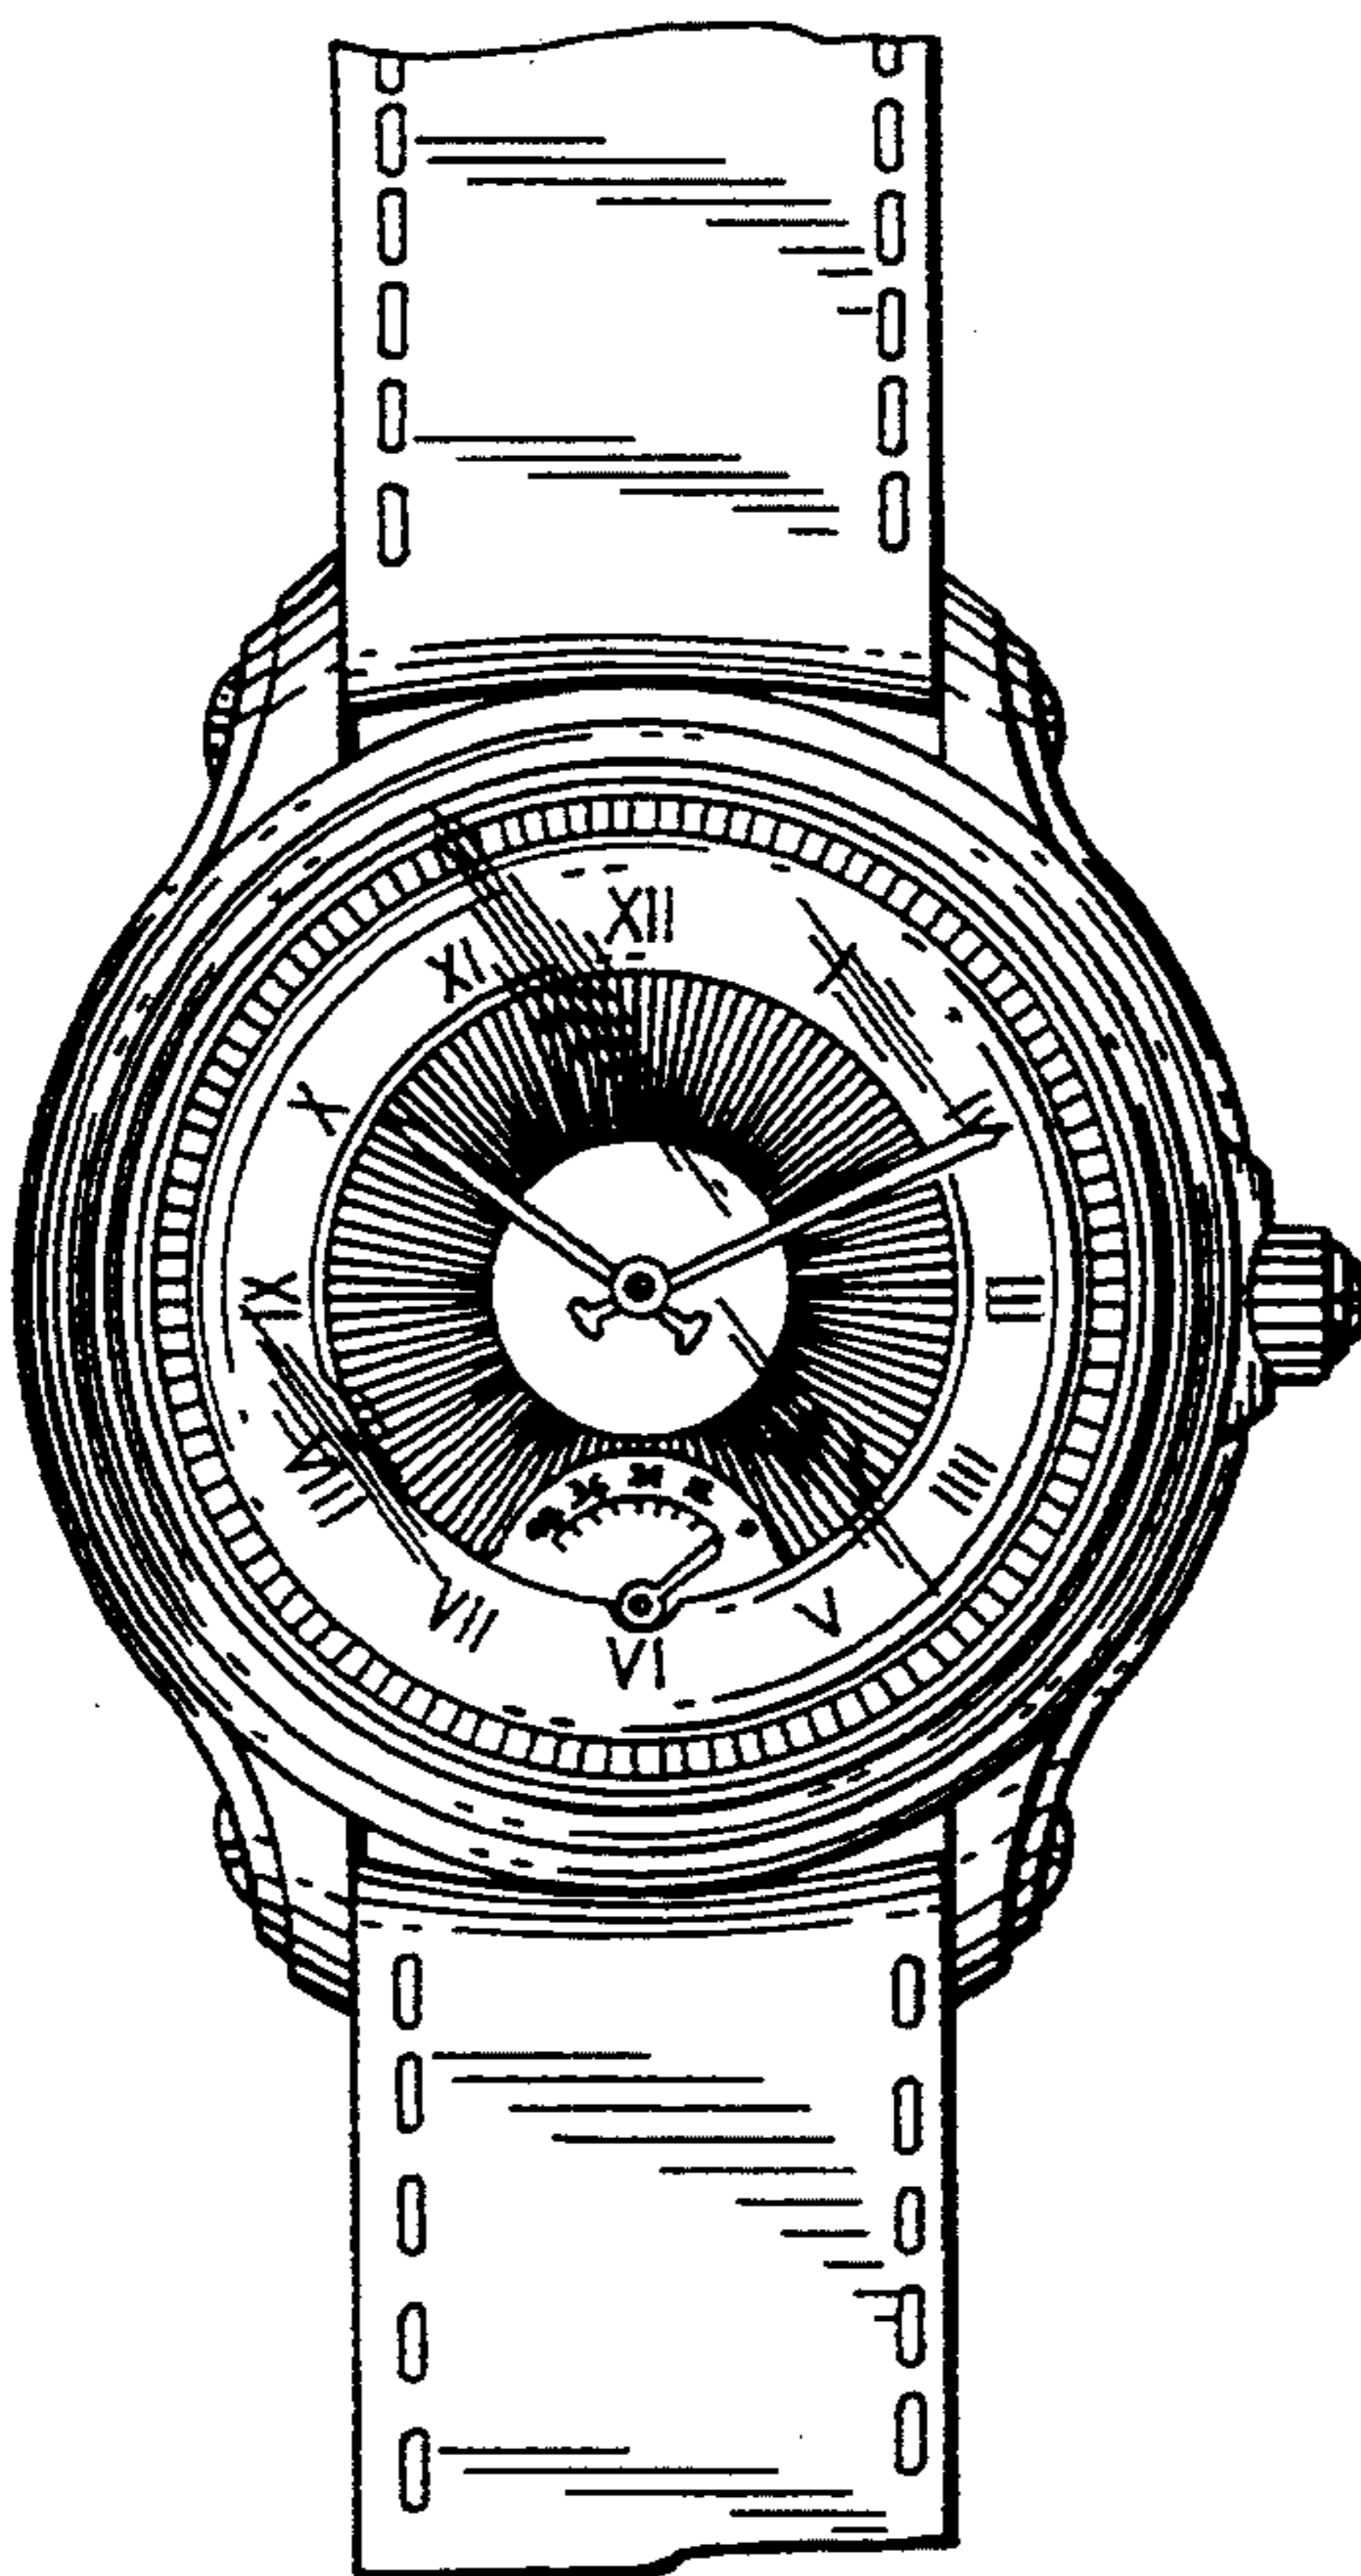

FIG. 1

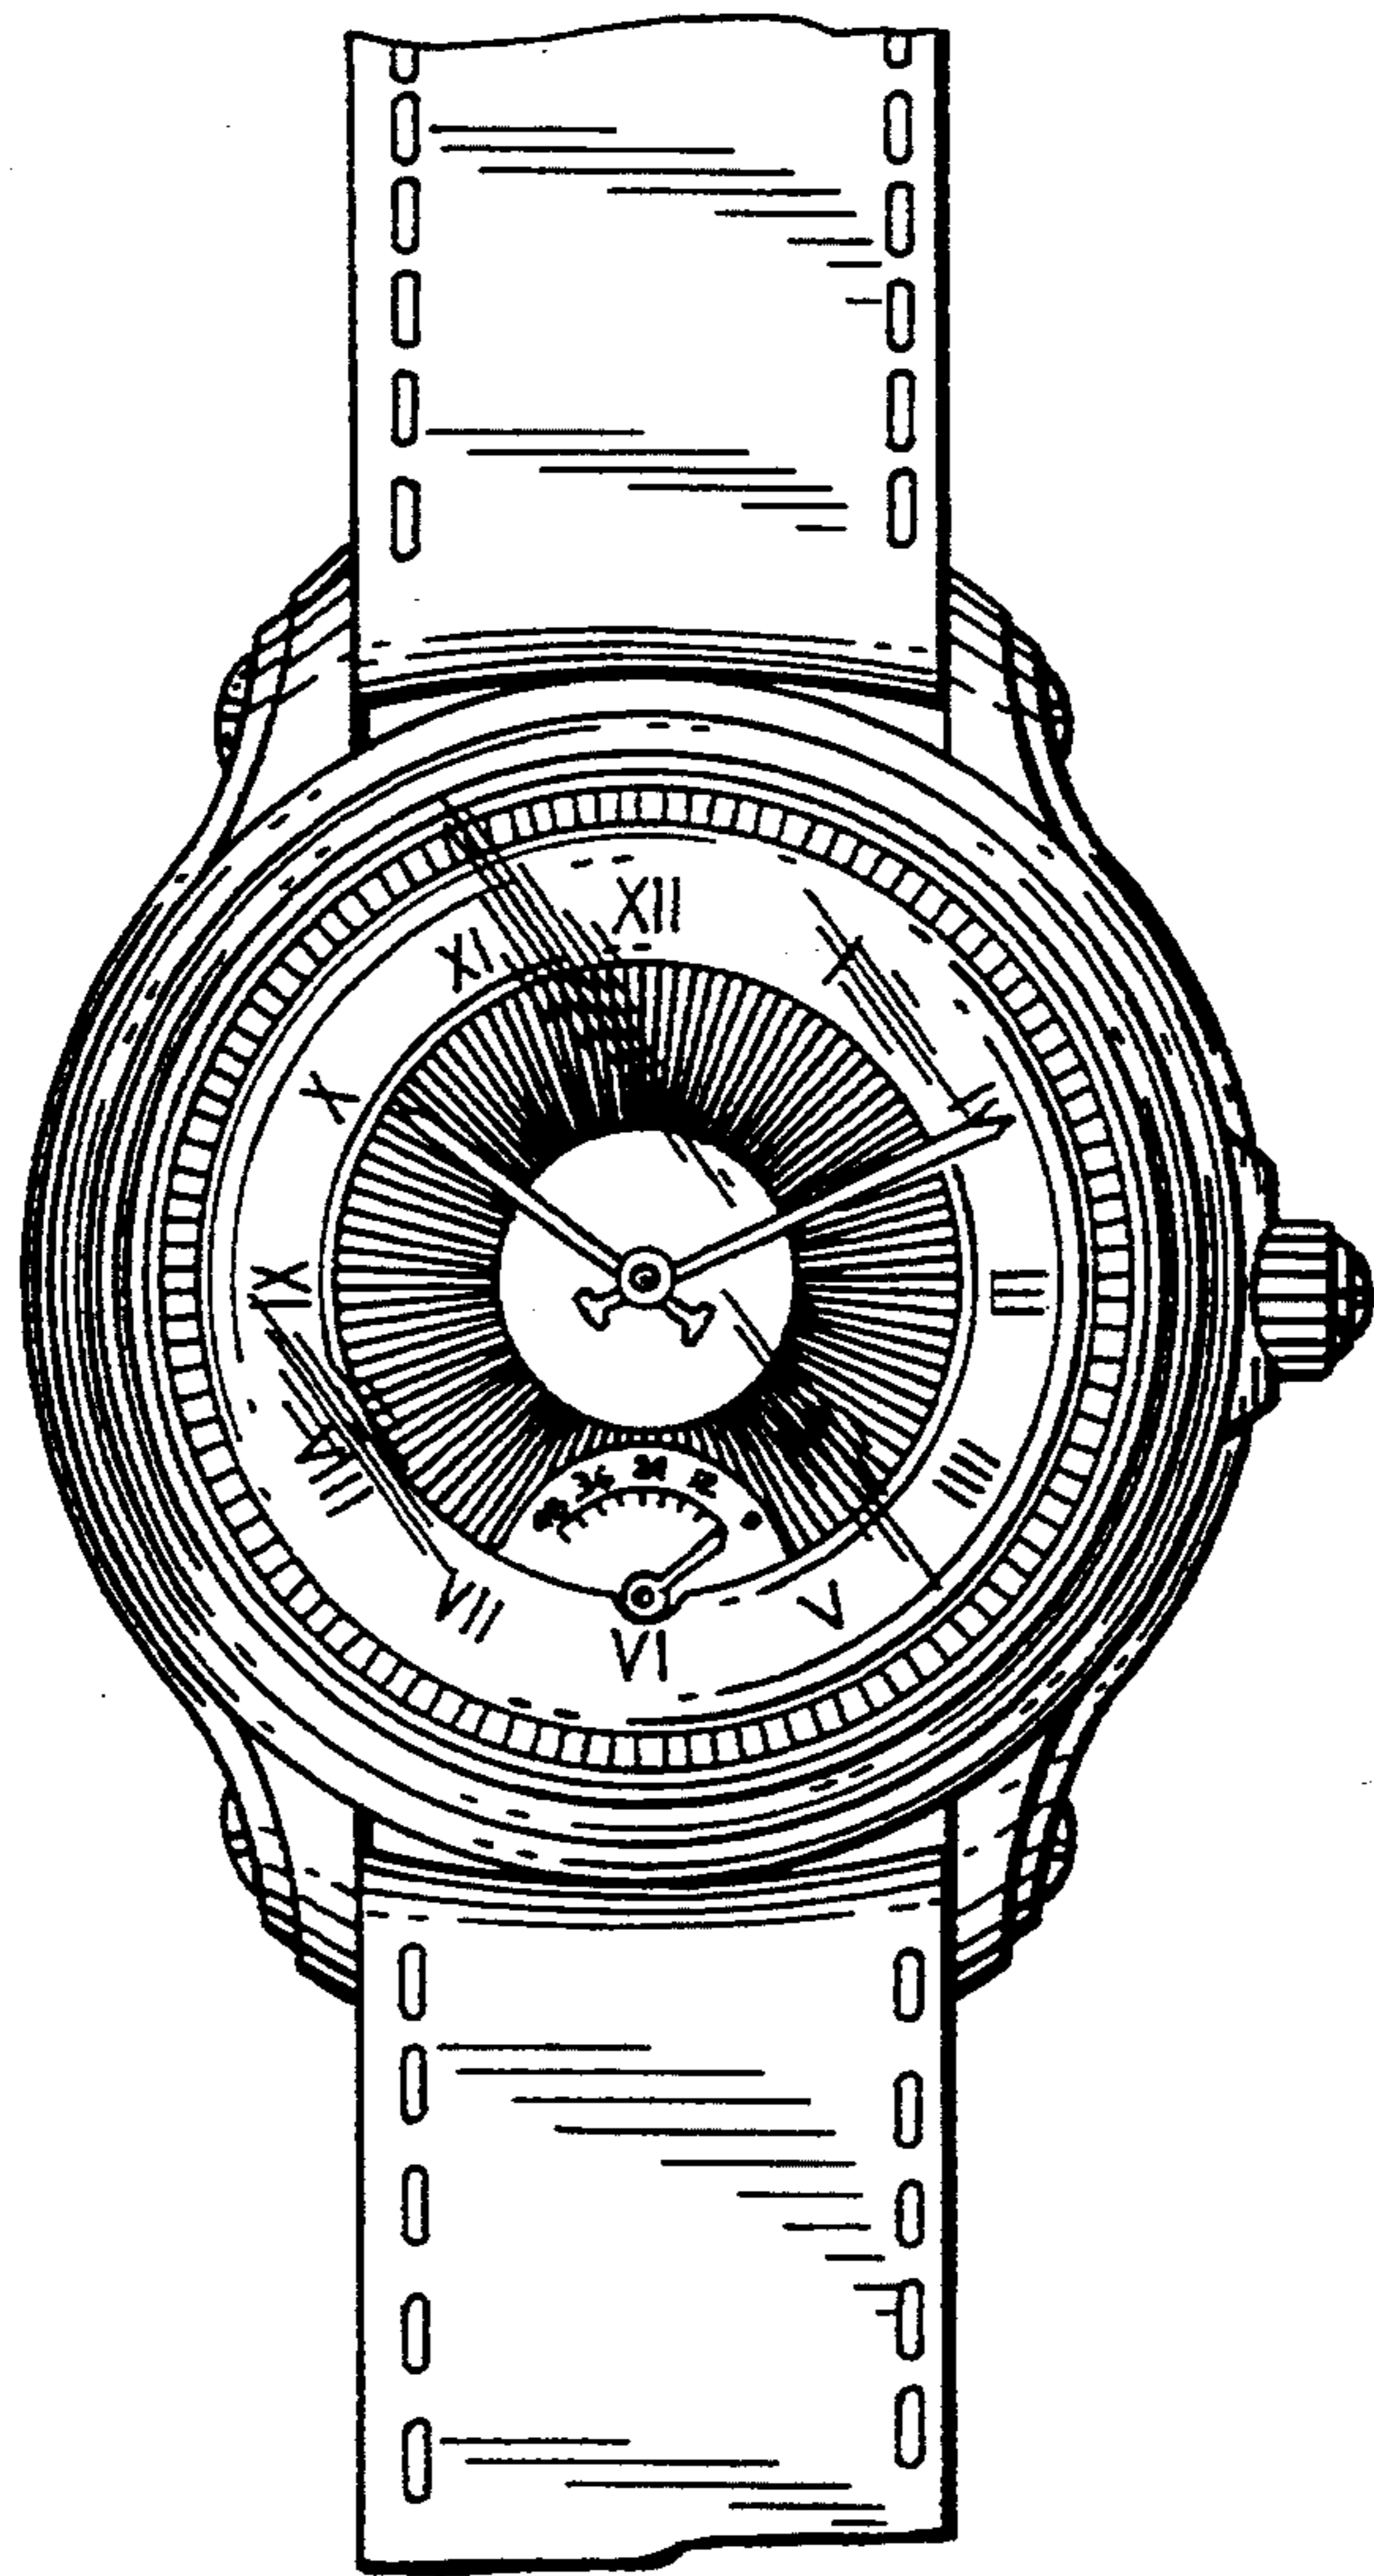

FIG. 2
