[57] **CLAIM**

The ornamental design for a oxygen cylinder bracket, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view of the oxygen cylinder bracket of the present invention showing my new design with the phantom lines depicting solely environmental structure and forming no portion of the claimed design;

FIG. 2 is an enlarged partial perspective view of the clamp portion of FIG. 1; and,

FIG. 3 is an enlarged partial perspective view of FIG. 2 taken from the opposite side.
