[57] **CLAIM**

The ornamental design for a housing for a battery charger, as shown and described.

DESCRIPTION

FIG. 1 is a top, front and left side perspective view of a housing for a battery charger showing our new design; FIG. 2 is a right side elevational view thereof, the left side elevational view thereof being a mirror image; FIG. 3 is a bottom side elevational view thereof; FIG. 4 is a top side elevational view thereof; and, FIG. 5 is a rear plan view thereof.

The broken line matter in all figures is included for the purpose of illustrating environmental structure only, and forms no part of the claimed design.
