[57] **CLAIM**

The ornamental design for top surface of a powder puff handle, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a top surface of a powder puff handle showing my new design; FIG. 2 is a top plan view thereof; and, FIG. 3 is a side elevational view. The broken line showing of the device for applying powder is for illustrative purposes only and forms no part of the claimed design.

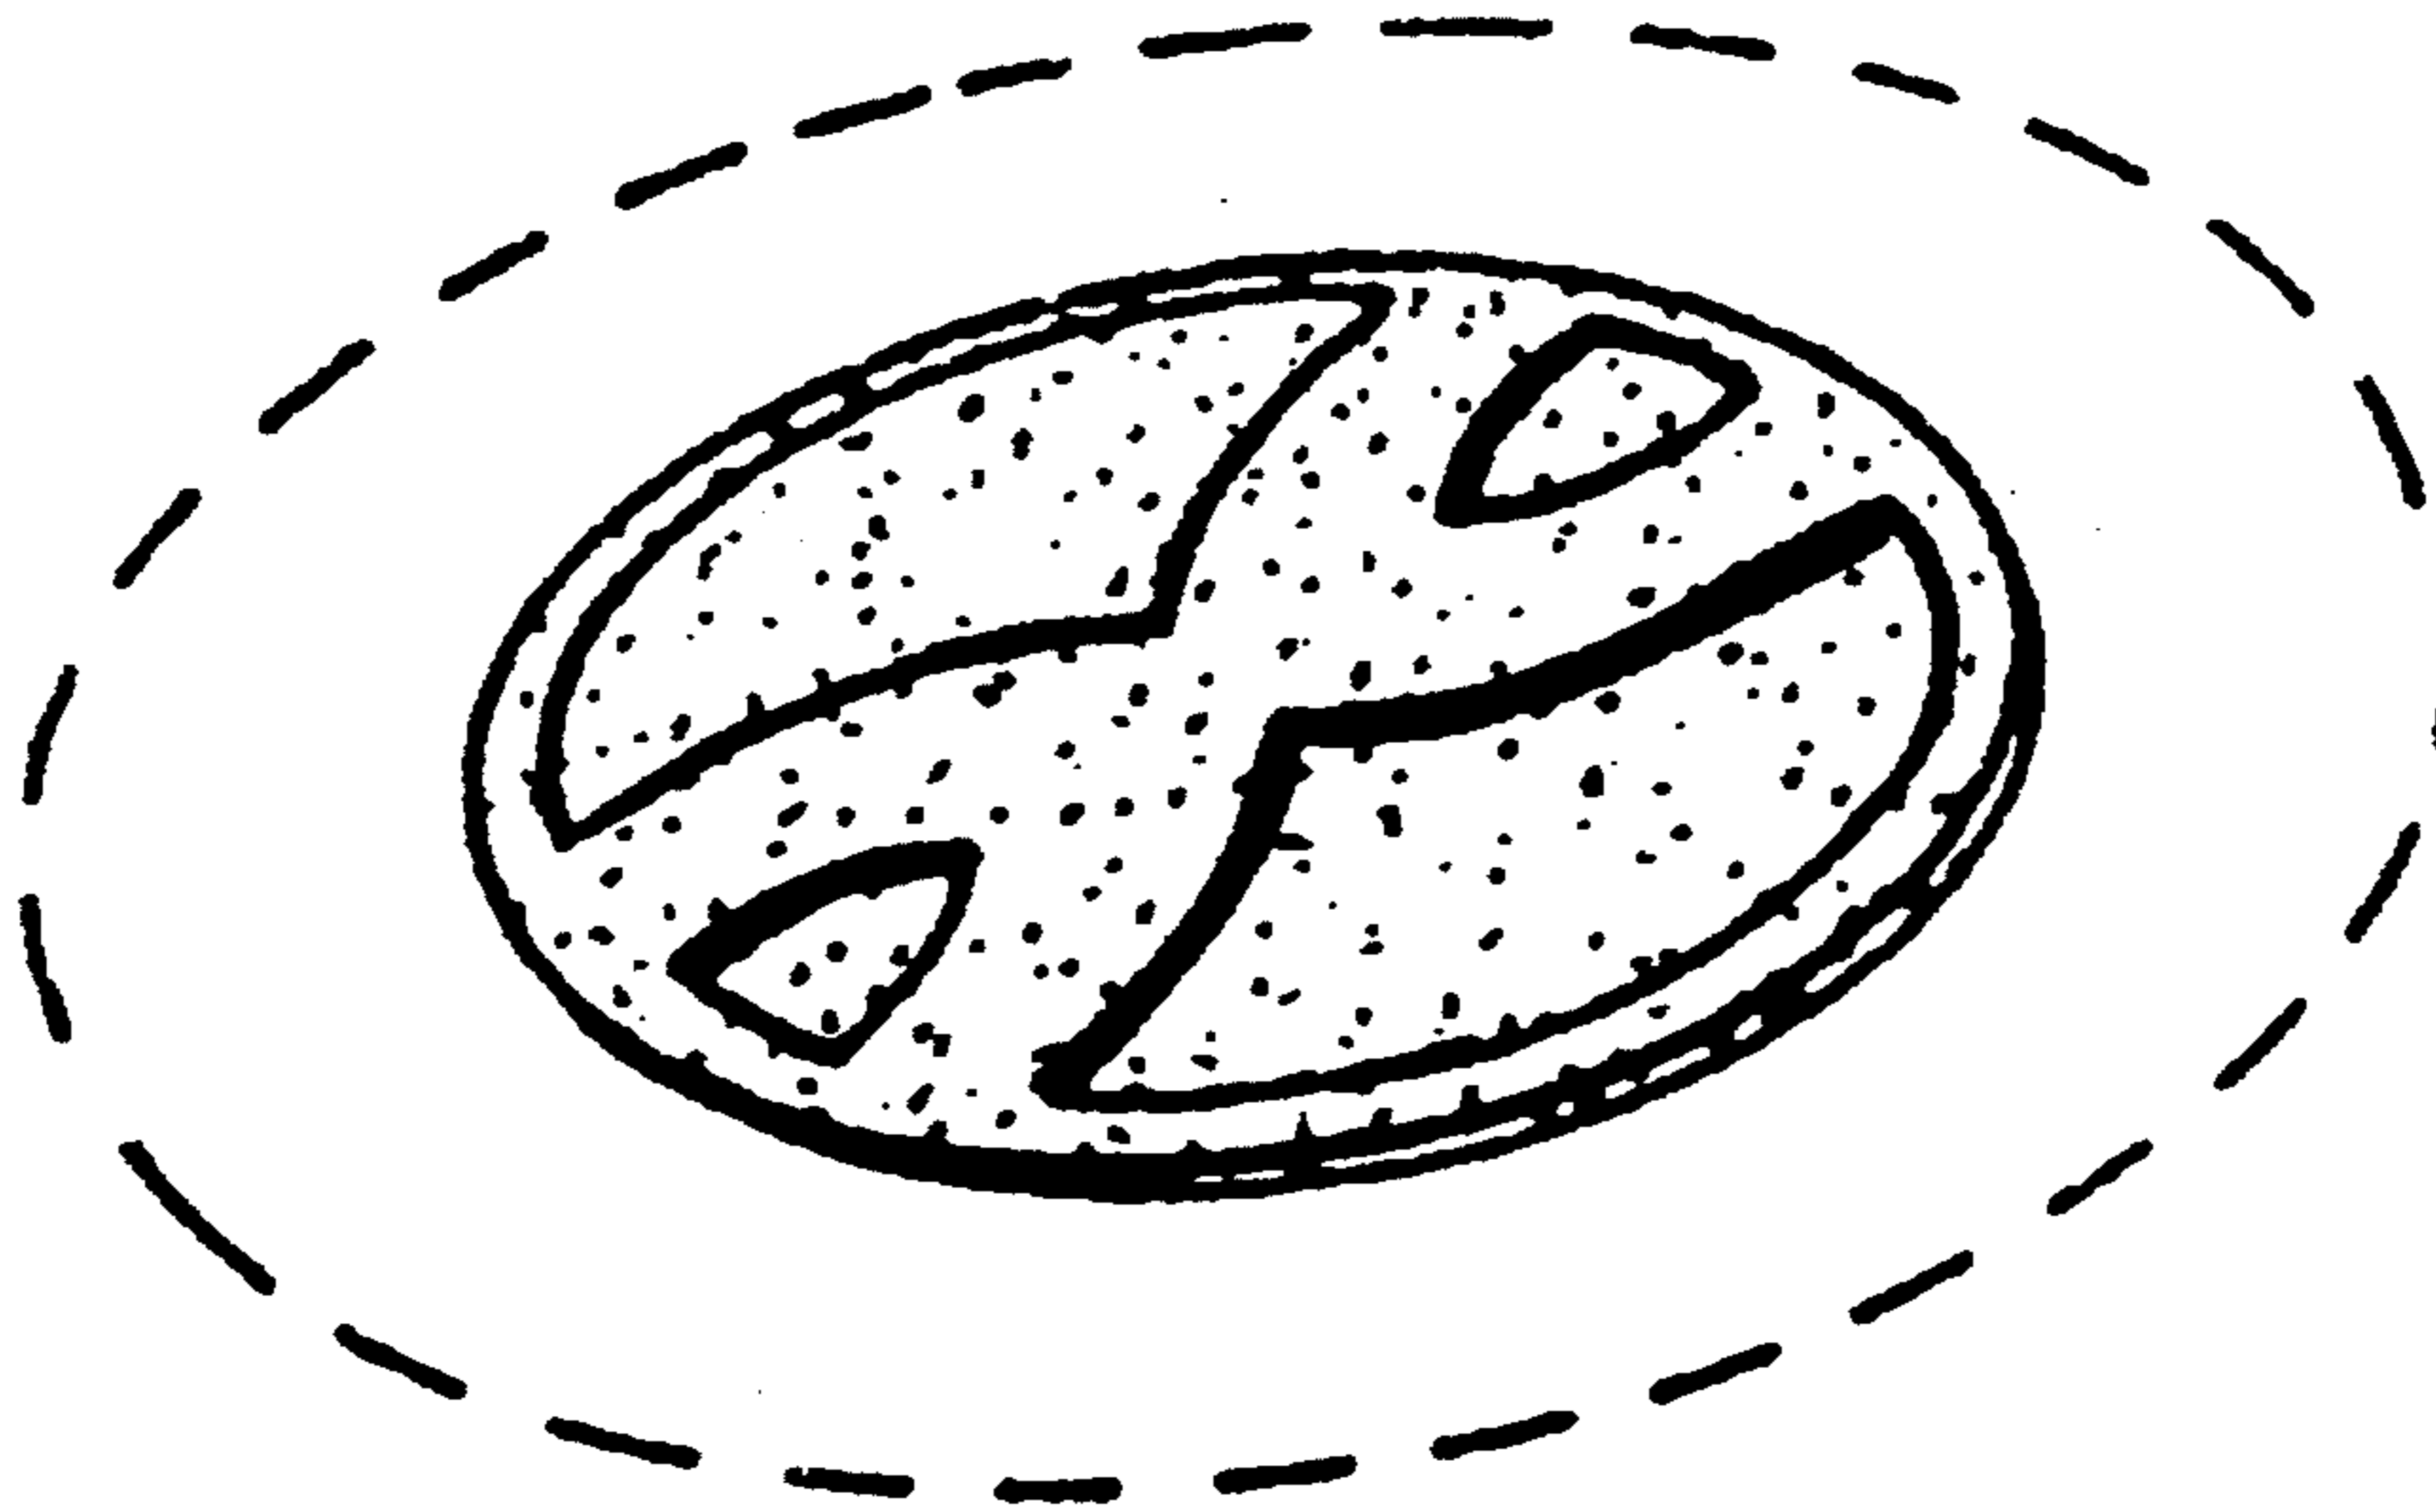

FIG. 1

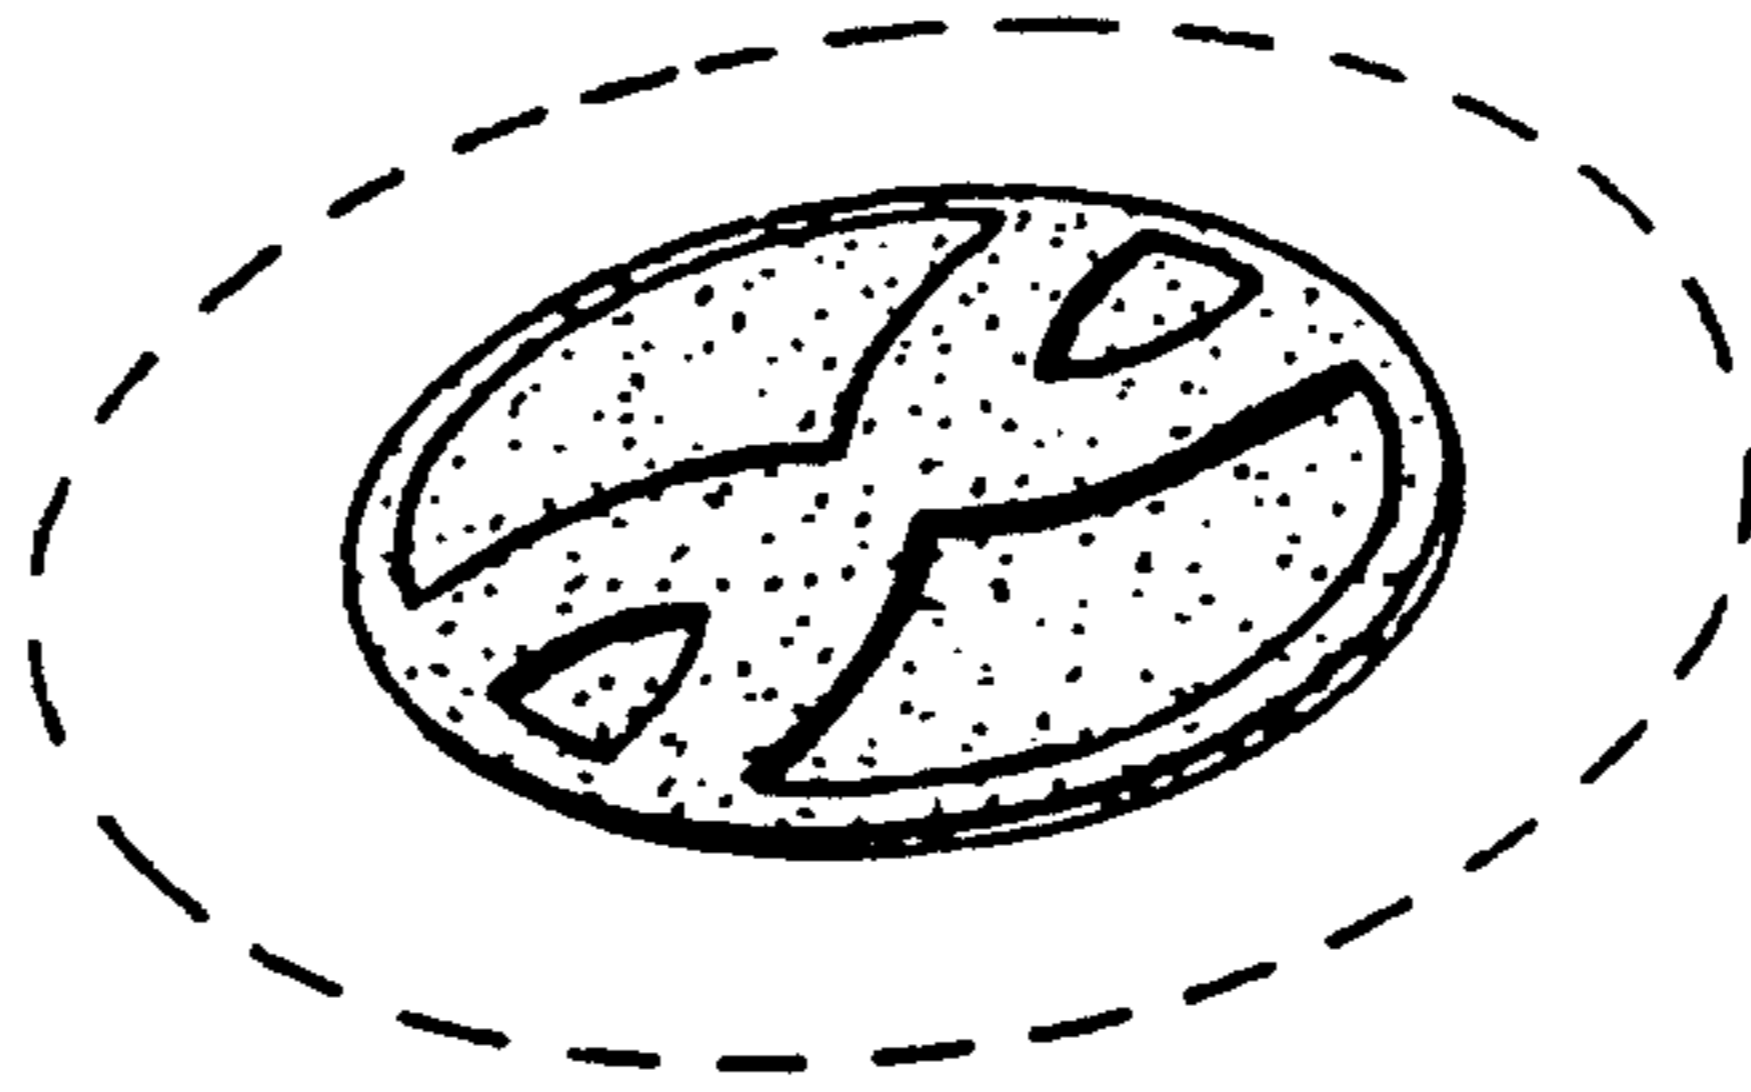

FIG. 2

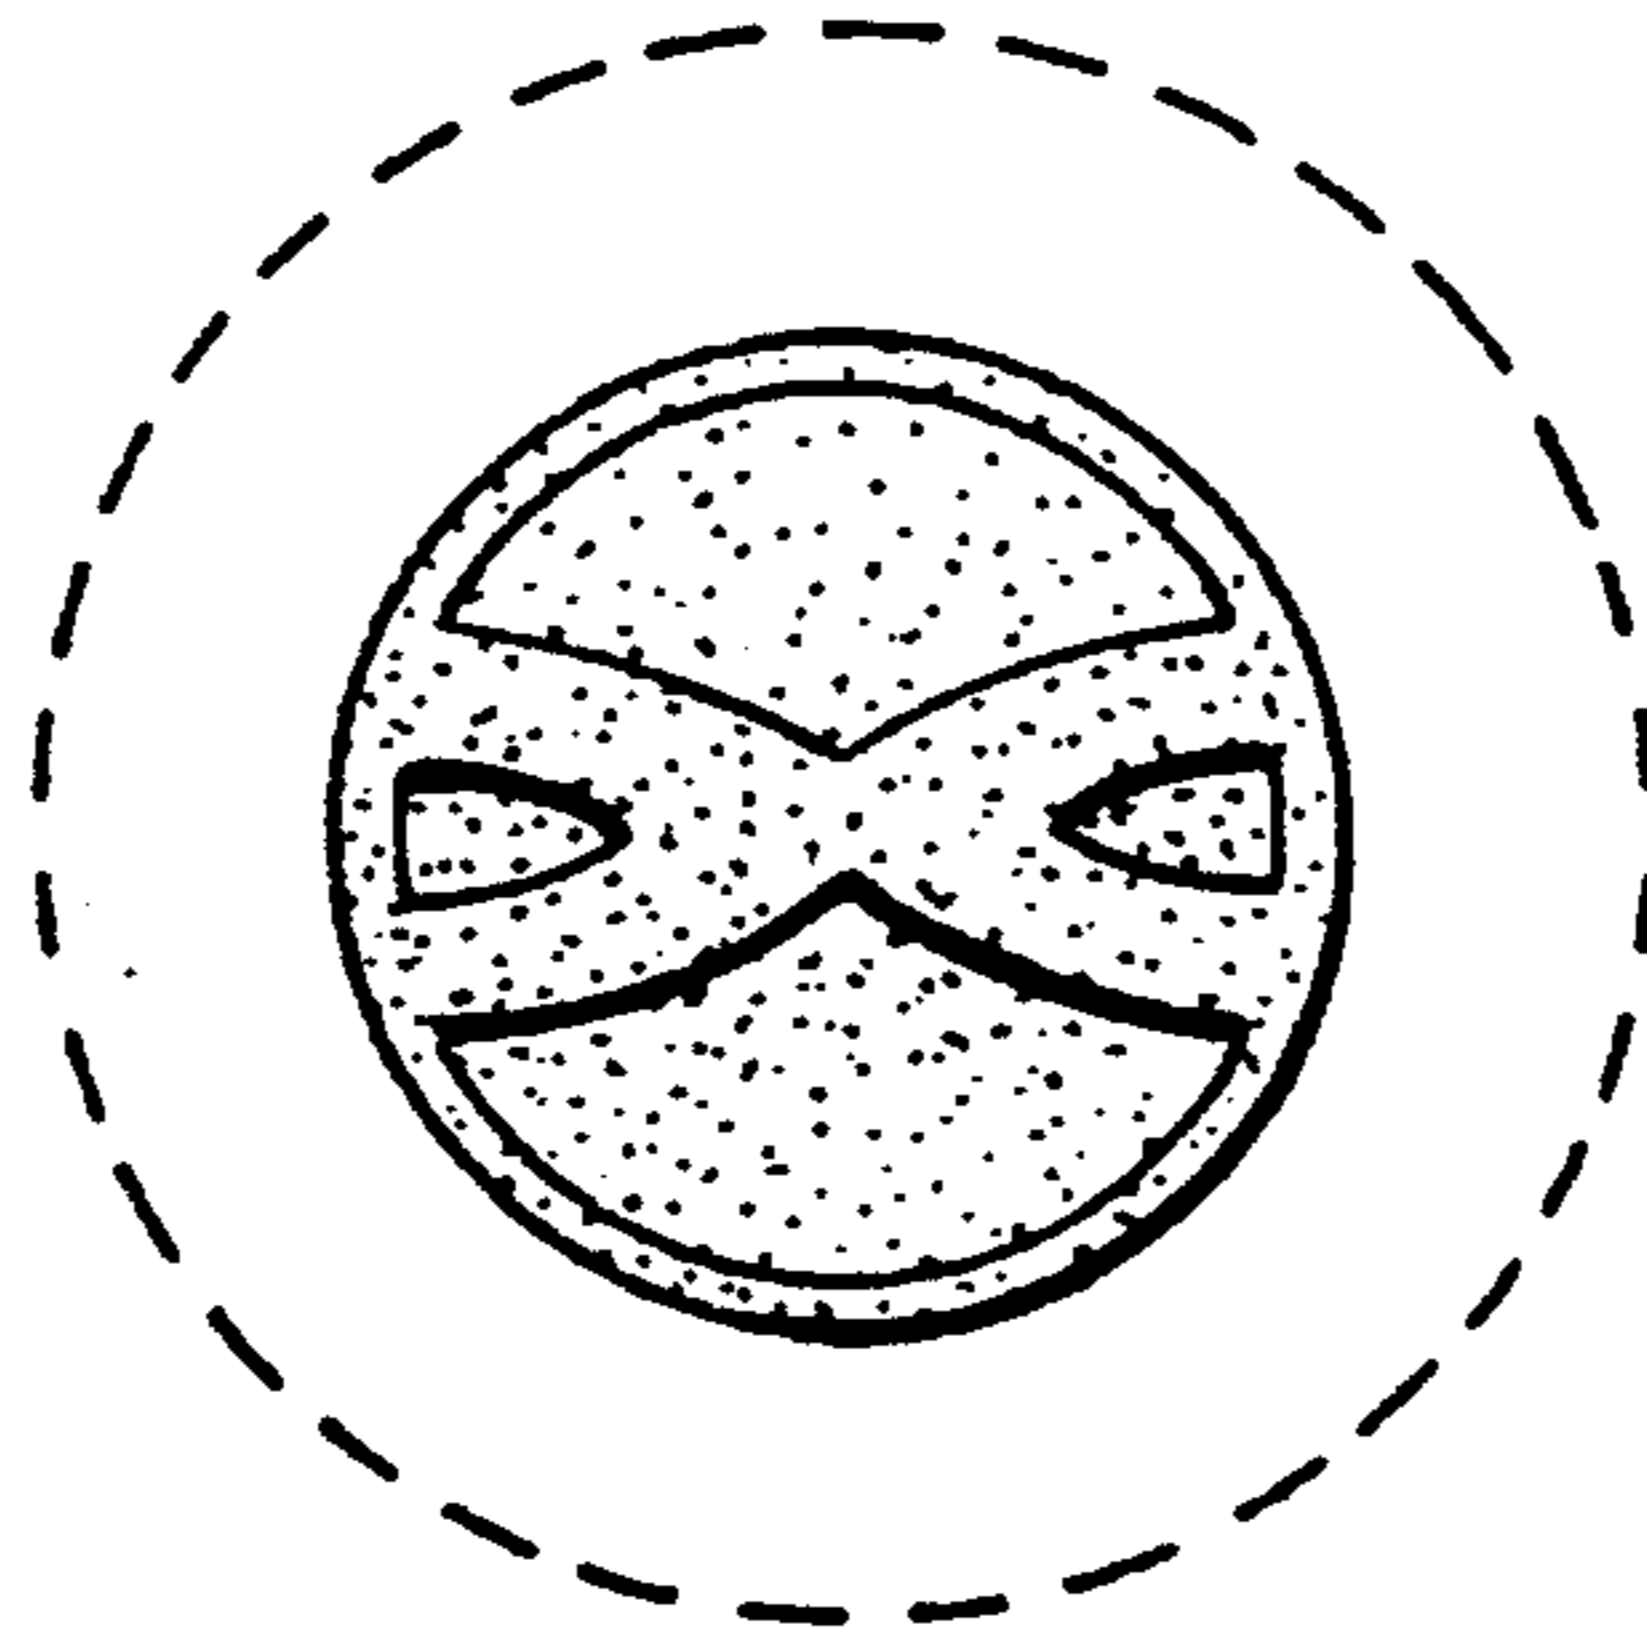

FIG. 3
