[57] **CLAIM**

The ornamental design for a hand held transmitter, as shown and described.

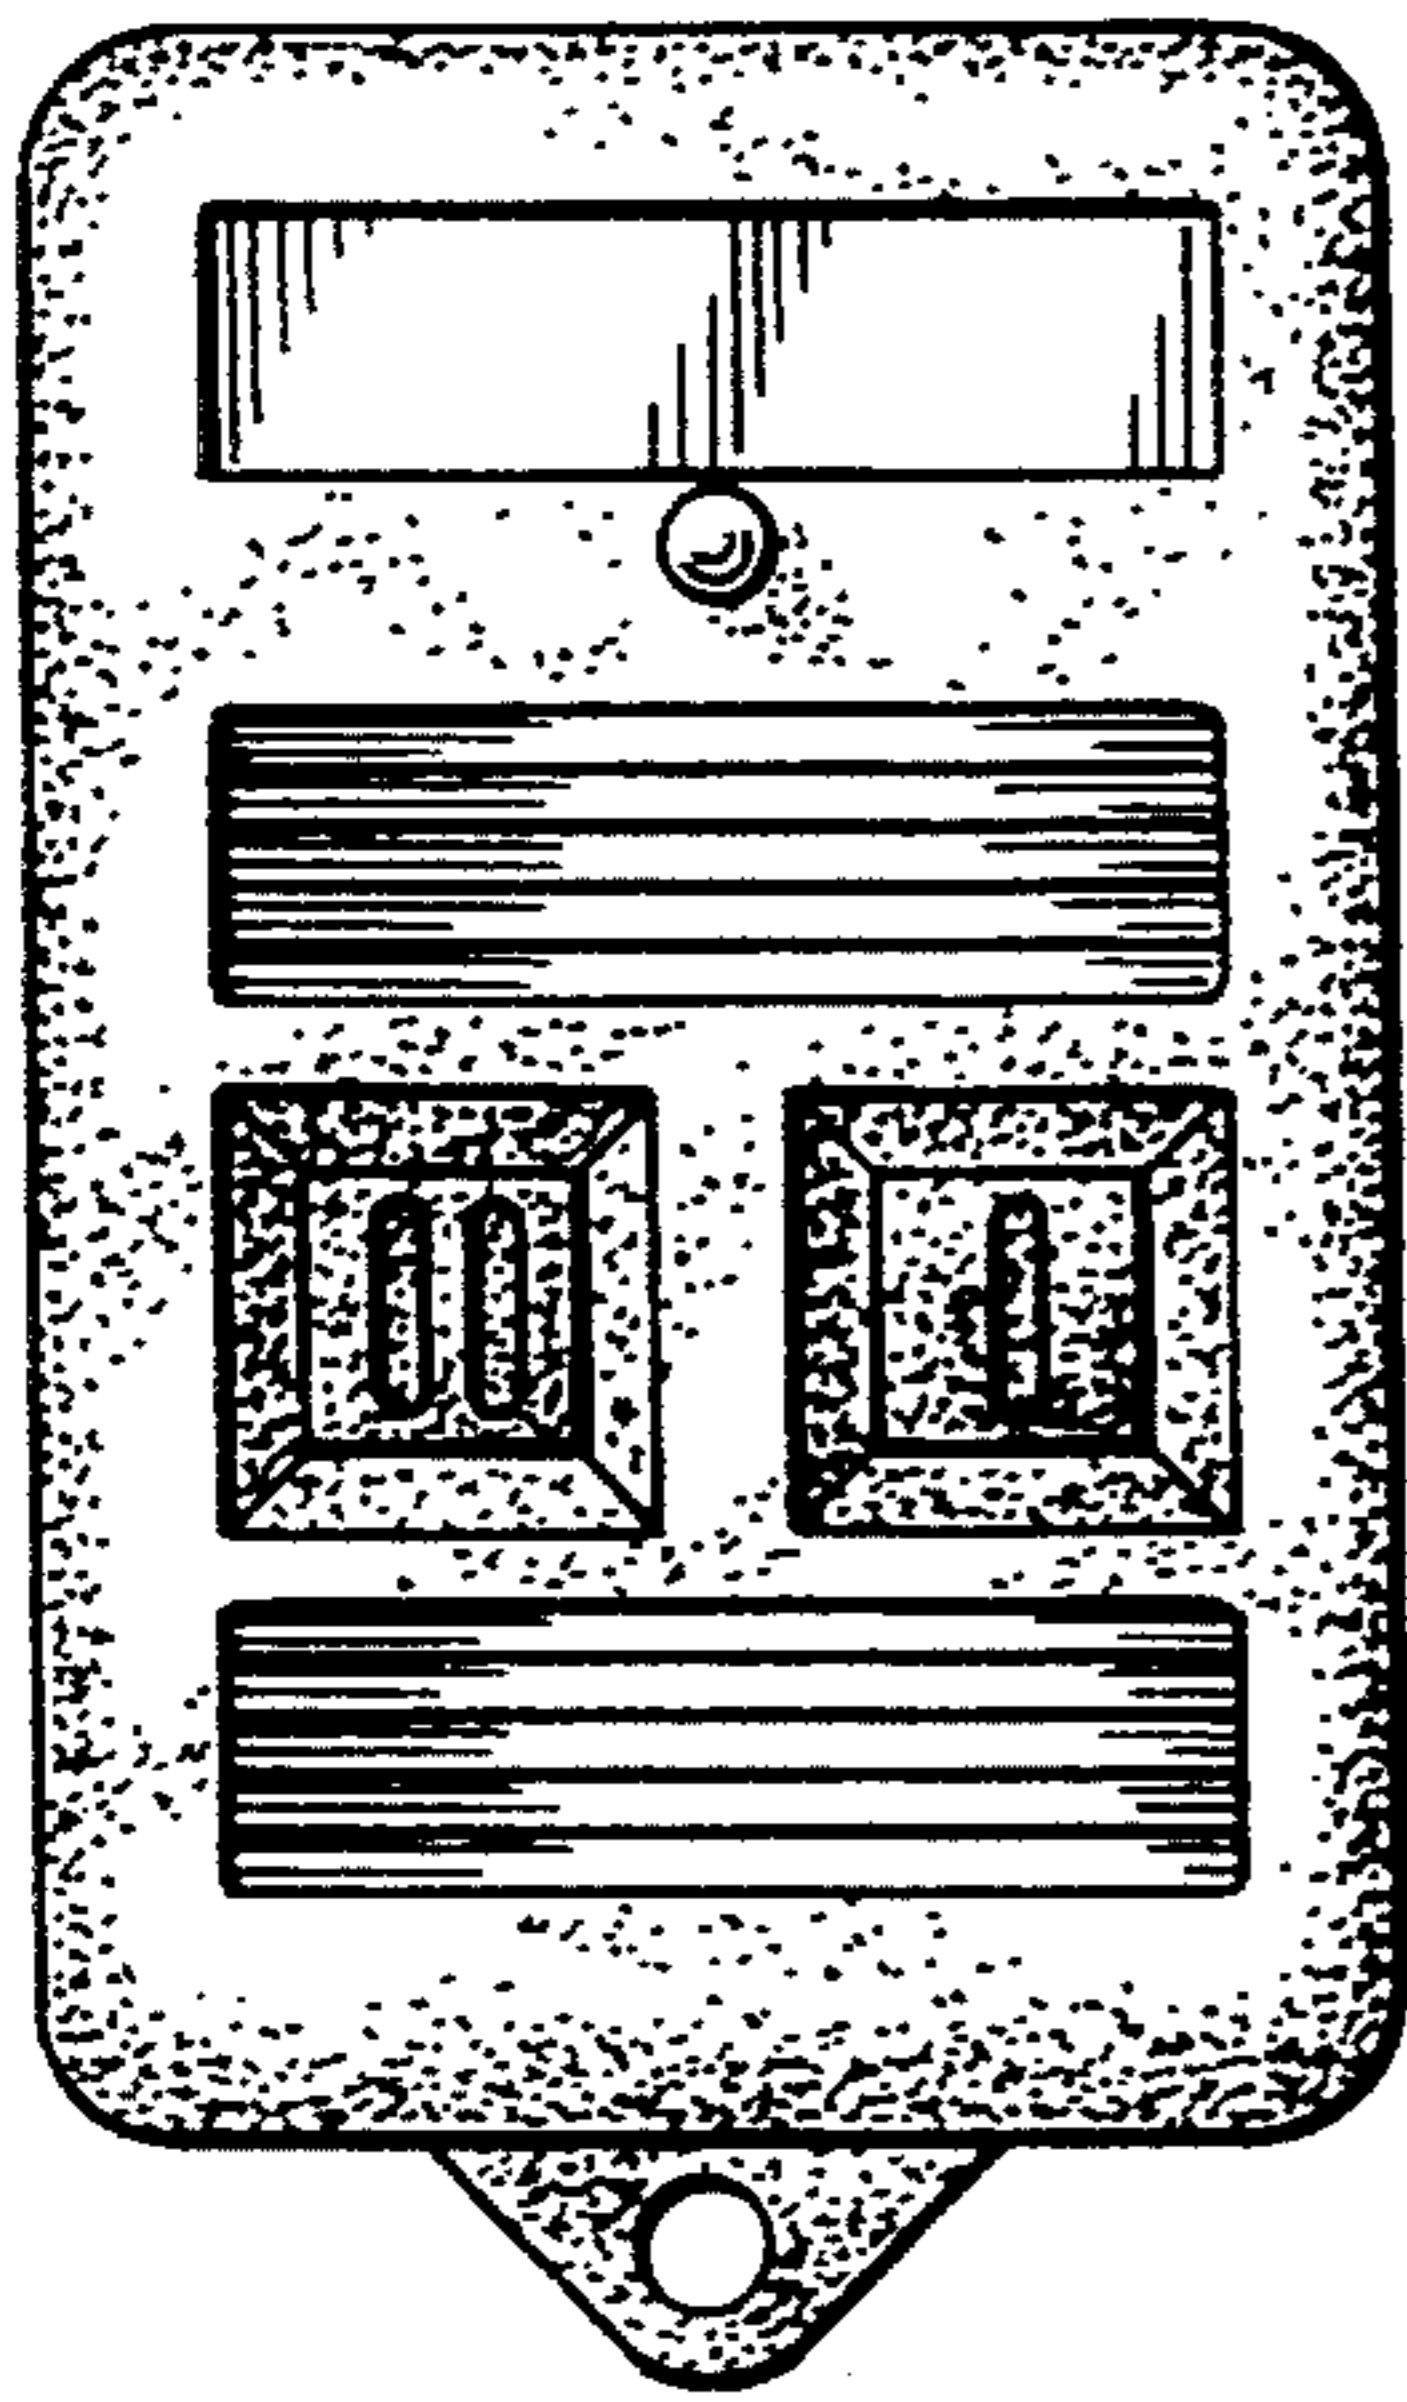

### DESCRIPTION

FIG. 1 is a perspective view of a hand held transmitter showing my new design;  
 FIG. 2 is a front elevation of the hand held transmitter of FIG. 1;  
 FIG. 3 is a right side elevation thereof, the left side being a mirror image thereof;  
 FIG. 4 is a rear elevation thereof;  
 FIG. 5 is a top plan view of the hand held transmitter shown in FIG. 2 thereof; and,  
 FIG. 6 is a bottom view thereof.
