[57] CLAIM

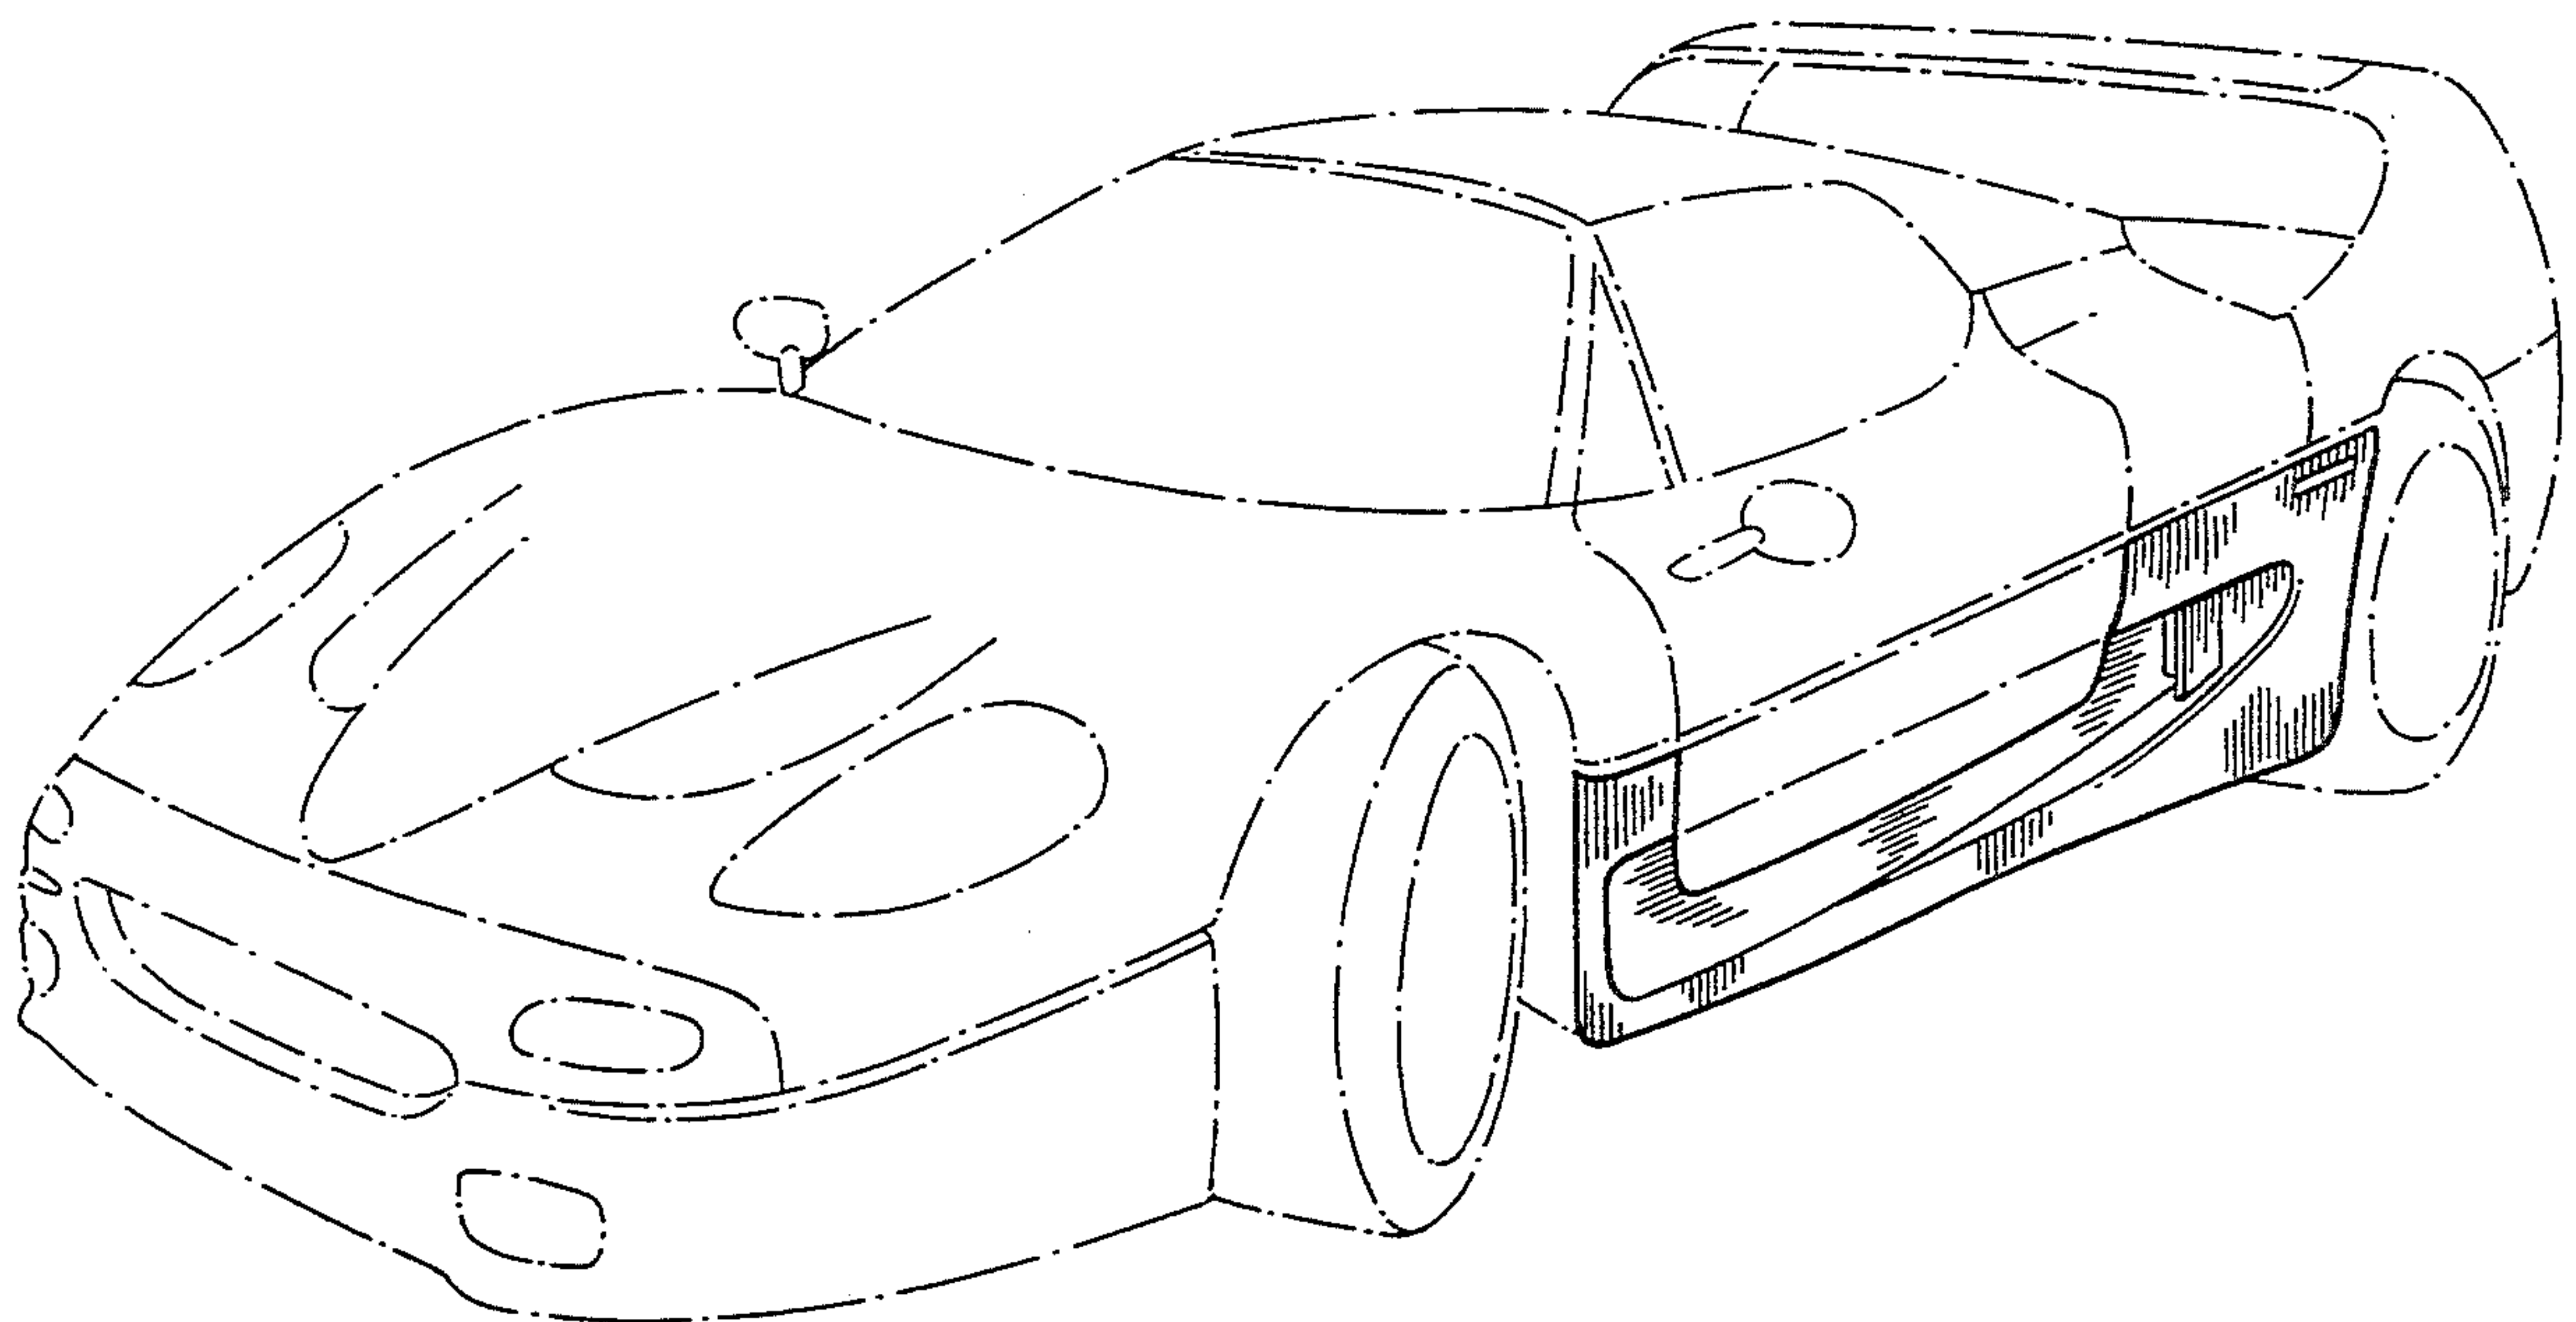

The ornamental design for an automobile lower side
panel exterior surface, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view taken from in the front and
to the right of an automobile lower side panel exterior
surface showing my new design; and,

FIG. 2 is a side elevational view thereof.

The broken line showing of the remainder of an auto-
mobile is for illustrative purposes only and forms no
part of the claimed design.
