[57] **CLAIM**

The ornamental design for an electronics cabinet venting louver door panel, as shown herein.

DESCRIPTION

FIG. 1 is a front elevational view of the electronics cabinet venting louver door according to the present invention;

FIG. 2 is a side view of the electronics cabinet venting louver door according to the present invention;

FIG. 3 is a back view of the electronics cabinet venting louver door of the present invention;

FIG. 4 is a top and bottom view of the electronics cabinet venting louver door of FIG. 1;

FIG. 5 is a cross sectional view of the electronics cabinet venting louver door of FIG. 3 taken along lines 5—5;

FIG. 6 is a cross sectional view of the electronics cabinet venting louver door of FIG. 3 taken along lines 6—6; and,

FIG. 7 is a cross sectional view of the electronics cabinet venting louver door of FIG. 3 taken along lines 7—7.

FIG. 1

FIG. 2

FIG. 3

FIG. 4

FIG. 5

FIG. 6

FIG. 7
