[57] **CLAIM**

The ornamental design for a combined keyboard tray and wrist rest, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of a combined keyboard tray and wrist rest showing my new design; FIG. 2 is a top plan view thereof; FIG. 3 is a side elevational view of the combined keyboard tray and wrist rest shown in a raised, extended position, the opposite side view being a mirror image thereof; FIG. 4 is a side elevational view of the combined keyboard tray and wrist rest shown in a lower, extended position; FIG. 5 is a side elevational view of the combined keyboard tray and wrist rest shown in a lower, retracted position; FIG. 6 is a front elevational view of the combined keyboard tray and wrist rest; FIG. 7 is a rear elevational view thereof; and, FIG. 8 is a bottom plan view thereof.

The broken line drawing of a support mount on all views is for environmental purposes only and forms no part of the claimed design.
