[57] CLAIM

The ornamental design for the bowling game, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a bowling game showing our new design;
FIG. 2 is a front elevational view of the bowling game illustrated in FIG. 1;
FIG. 3 is a rear elevational view of the bowling game illustrated in FIG. 1;
FIG. 4 is a right side elevational view of the bowling game illustrated in FIG. 1;
FIG. 5 is a left side elevational view of the bowling game illustrated in FIG. 1;
FIG. 6 is a top view of the bowling game illustrated in FIG. 1;
FIG. 7 is a bottom view of the bowling game illustrated in FIG. 1; and,
FIG. 8 is a perspective view of the bowling game illustrated in FIG. 1, with a possible position of a bowling ball and bowling pins shown in broken lines.
The broken showing of a bowling ball and bowling pins is for illustrative purposes only and forms no part of the claim.
