[57] **CLAIM**

The ornamental design for a combined shears, scabbard and letter opener, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a combined shears, scabbard and letter opener showing my new design; FIG. 2 is a perspective view of the combined scabbard and letter opener, the shears omitted for clarity of illustration;

FIG. 3 is a perspective view of the shears, the scabbard and letter opener omitted for clarity of illustration; FIG. 4 is a top plan view of the shears of FIG. 3; FIG. 5 is a side elevational view taken on the left side of FIG. 4;

FIG. 6 is an end view of the handle end of the shears; FIG. 7 is an end view of the point end of the shears of FIG. 4;

FIG. 8 is a bottom plan view of the shears of FIG. 3; FIG. 9 is a side elevational view taken on the right of FIG. 4;

FIG. 10 is a left side elevational view of the combined scabbard and letter opener of FIG. 2, the shears omitted for clarity of illustration;

FIG. 11 is a top plan view thereof; FIG. 12 is a closed end elevational view thereof; FIG. 13 is an open end elevational view thereof; FIG. 14 is a right side elevational view thereof; and, FIG. 15 is a bottom plan view thereof.
