[57] CLAIM

The ornamental design for a combination key holder and identification card, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a combination key holder and identification card in its folded configuration showing my new design therefor. The broken line lettering specifying logo and company name is for purposes of illustration only and forms no part of my design;

FIG. 2 is a front elevational view of the subject invention in its opened configuration. The broken line drawing representing a key is for purposes of illustration only and forms no part of my design;

FIG. 3 is a rear elevational view. The broken line lettering specifying logo and company name is for purposes of illustration only and forms no part of my design;

FIG. 4 is a right side elevational view, the left side elevational view being a mirror image thereof;

FIG. 5 is a top plan view; and,

FIG. 6 is a bottom plan view.
