[57] **CLAIM**

The ornamental design for a combination bathtub and seat for handicapped and elderly persons, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a combination bathtub and seat for handicapped and elderly persons embodying my new design; and, FIG. 2 is a fragmentary view thereof taken along line 2—2 of FIG. 1. The back of the seat, not shown, is substantially plain and unornamented. Those portions shown in broken lines are for environmental and illustrative purposes only. The tub basin and the wall receptacle are each of symmetrical construction. The right front corner of the tub being broken away for ease of illustration.
