[57] CLAIM

The ornamental design for a biohazardous waste container, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a biohazardous waste container according to my invention;
 FIG. 2 is an end elevational view thereof;
 FIG. 3 is an elevational view of the opposite end thereof, with the container being broken away for ease of illustration;
 FIG. 4 is a right side elevational view thereof, the opposite side being a mirror image and the container being broken away for ease of illustration; and,
 FIG. 5 is a reduced-size perspective view of the biohazardous waste container according to my invention.
