[57] **CLAIM**

The ornamental design for a backgammon board for three players, as shown.

DESCRIPTION

FIG. 1 is a top plan view of a backgammon board for three players showing my new design;
 FIG. 2 is a cross-sectional view taken along line 2—2 of FIG. 1;
 FIG. 3 is a cross-sectional view taken along line 3—3 of FIG. 1;
 FIG. 4 is a bottom plan view of the backgammon board in a fully open position;
 FIG. 5 is a top plan view of the closed backgammon board;
 FIG. 6 is a rear end elevational view of the closed backgammon board;
 FIG. 7 is a side elevational view of the closed backgammon board;
 FIG. 8 is a side elevational view of the closed backgammon board, opposite to that of FIG. 7;
 FIG. 9 is a bottom plan view of the closed backgammon board; and,
 FIG. 10 is a front end elevational view of closed backgammon board.
