[57] **CLAIM**

The ornamental design for a two part hat shaper, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view from above of a two part hat shaper showing my new design in an exploded view; FIG. 2 is a left side elevational view of the two part hat shaper in a disassembled state, the right side elevational view being a mirror image thereof; FIG. 3 is a front elevational view of the two part hat shaper in a disassembled state; FIG. 4 is a rear elevational view of the two part hat shaper in a disassembled state; FIG. 5 is a top plan view of the upper part of the two part hat shaper, shown separately for purposes of illustration; FIG. 6 is a top plan view of the lower part of the two part hat shaper, shown separately for purposes of illustration; FIG. 7 is a bottom plan view of the upper part of the two part hat shaper, shown separately for purposes of illustration; and, FIG. 8 is a bottom plan view of the lower part of the two part hat shaper, shown separately for purposes of illustration.
