[57] CLAIM

The ornamental design for a two-piece water bottle, as shown and described.

DESCRIPTION

FIG. 1 is an exploded elevational view of a two-piece water bottle embodying my new design;

FIG. 2 is a top plan view of the two piece water bottle taken on line 2—2 of FIG. 1 where the lid portion is removed for ease of illustration;

FIG. 3 is a bottom plan view taken on line 3—3 of FIG. 1, the base removed for ease of illustration;

FIG. 4 is a top plan view thereof;

FIG. 5 is a side elevational view of the cap portion where the bottle portion is removed for ease of illustration;

FIG. 6 is an opposite side elevational view of the cap portion where the bottle portion is removed for ease of illustration;

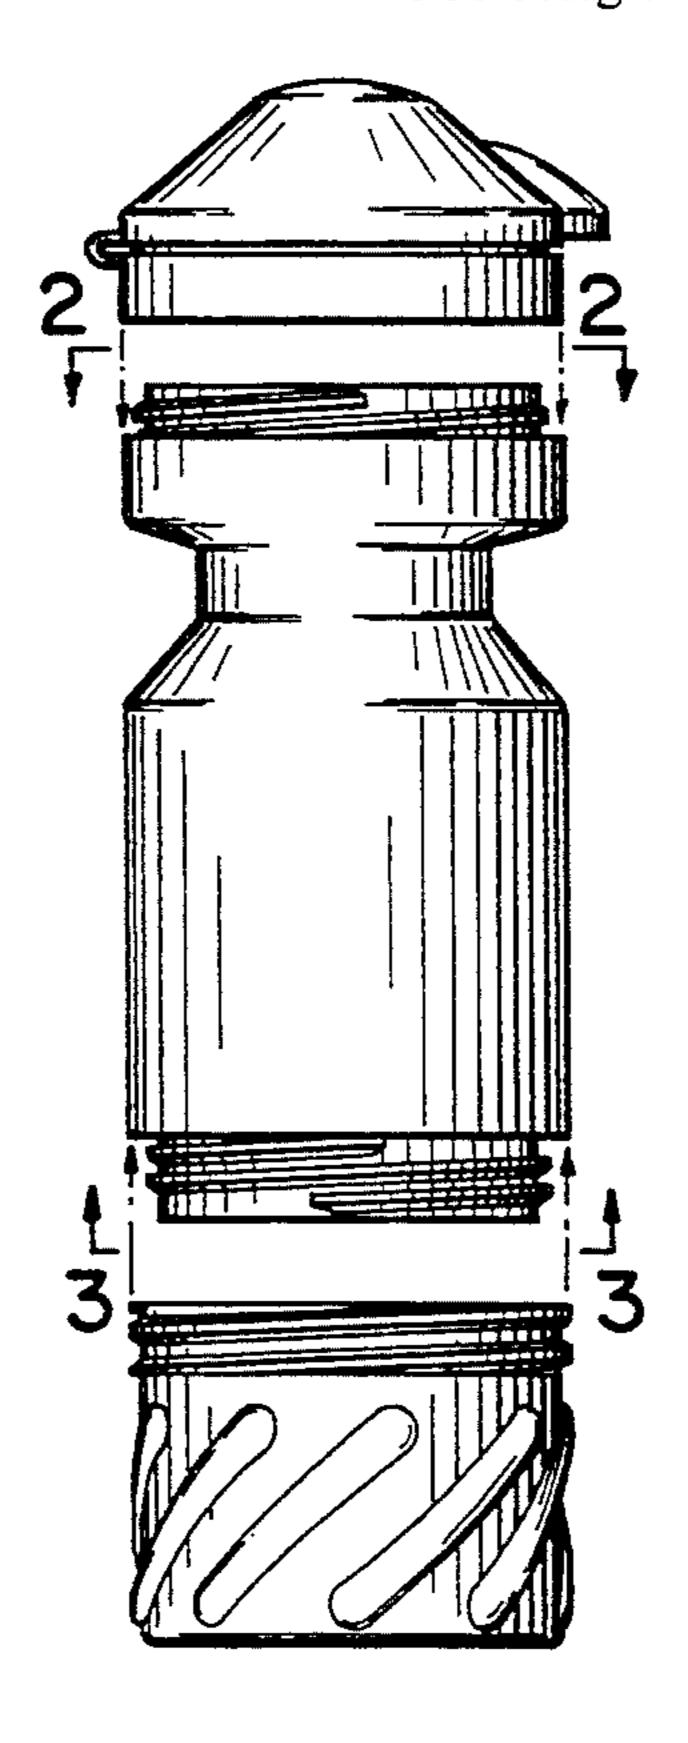

FIG. 7 is a bottom plan view of the cap portion where the bottle portion is removed for ease of illustration;

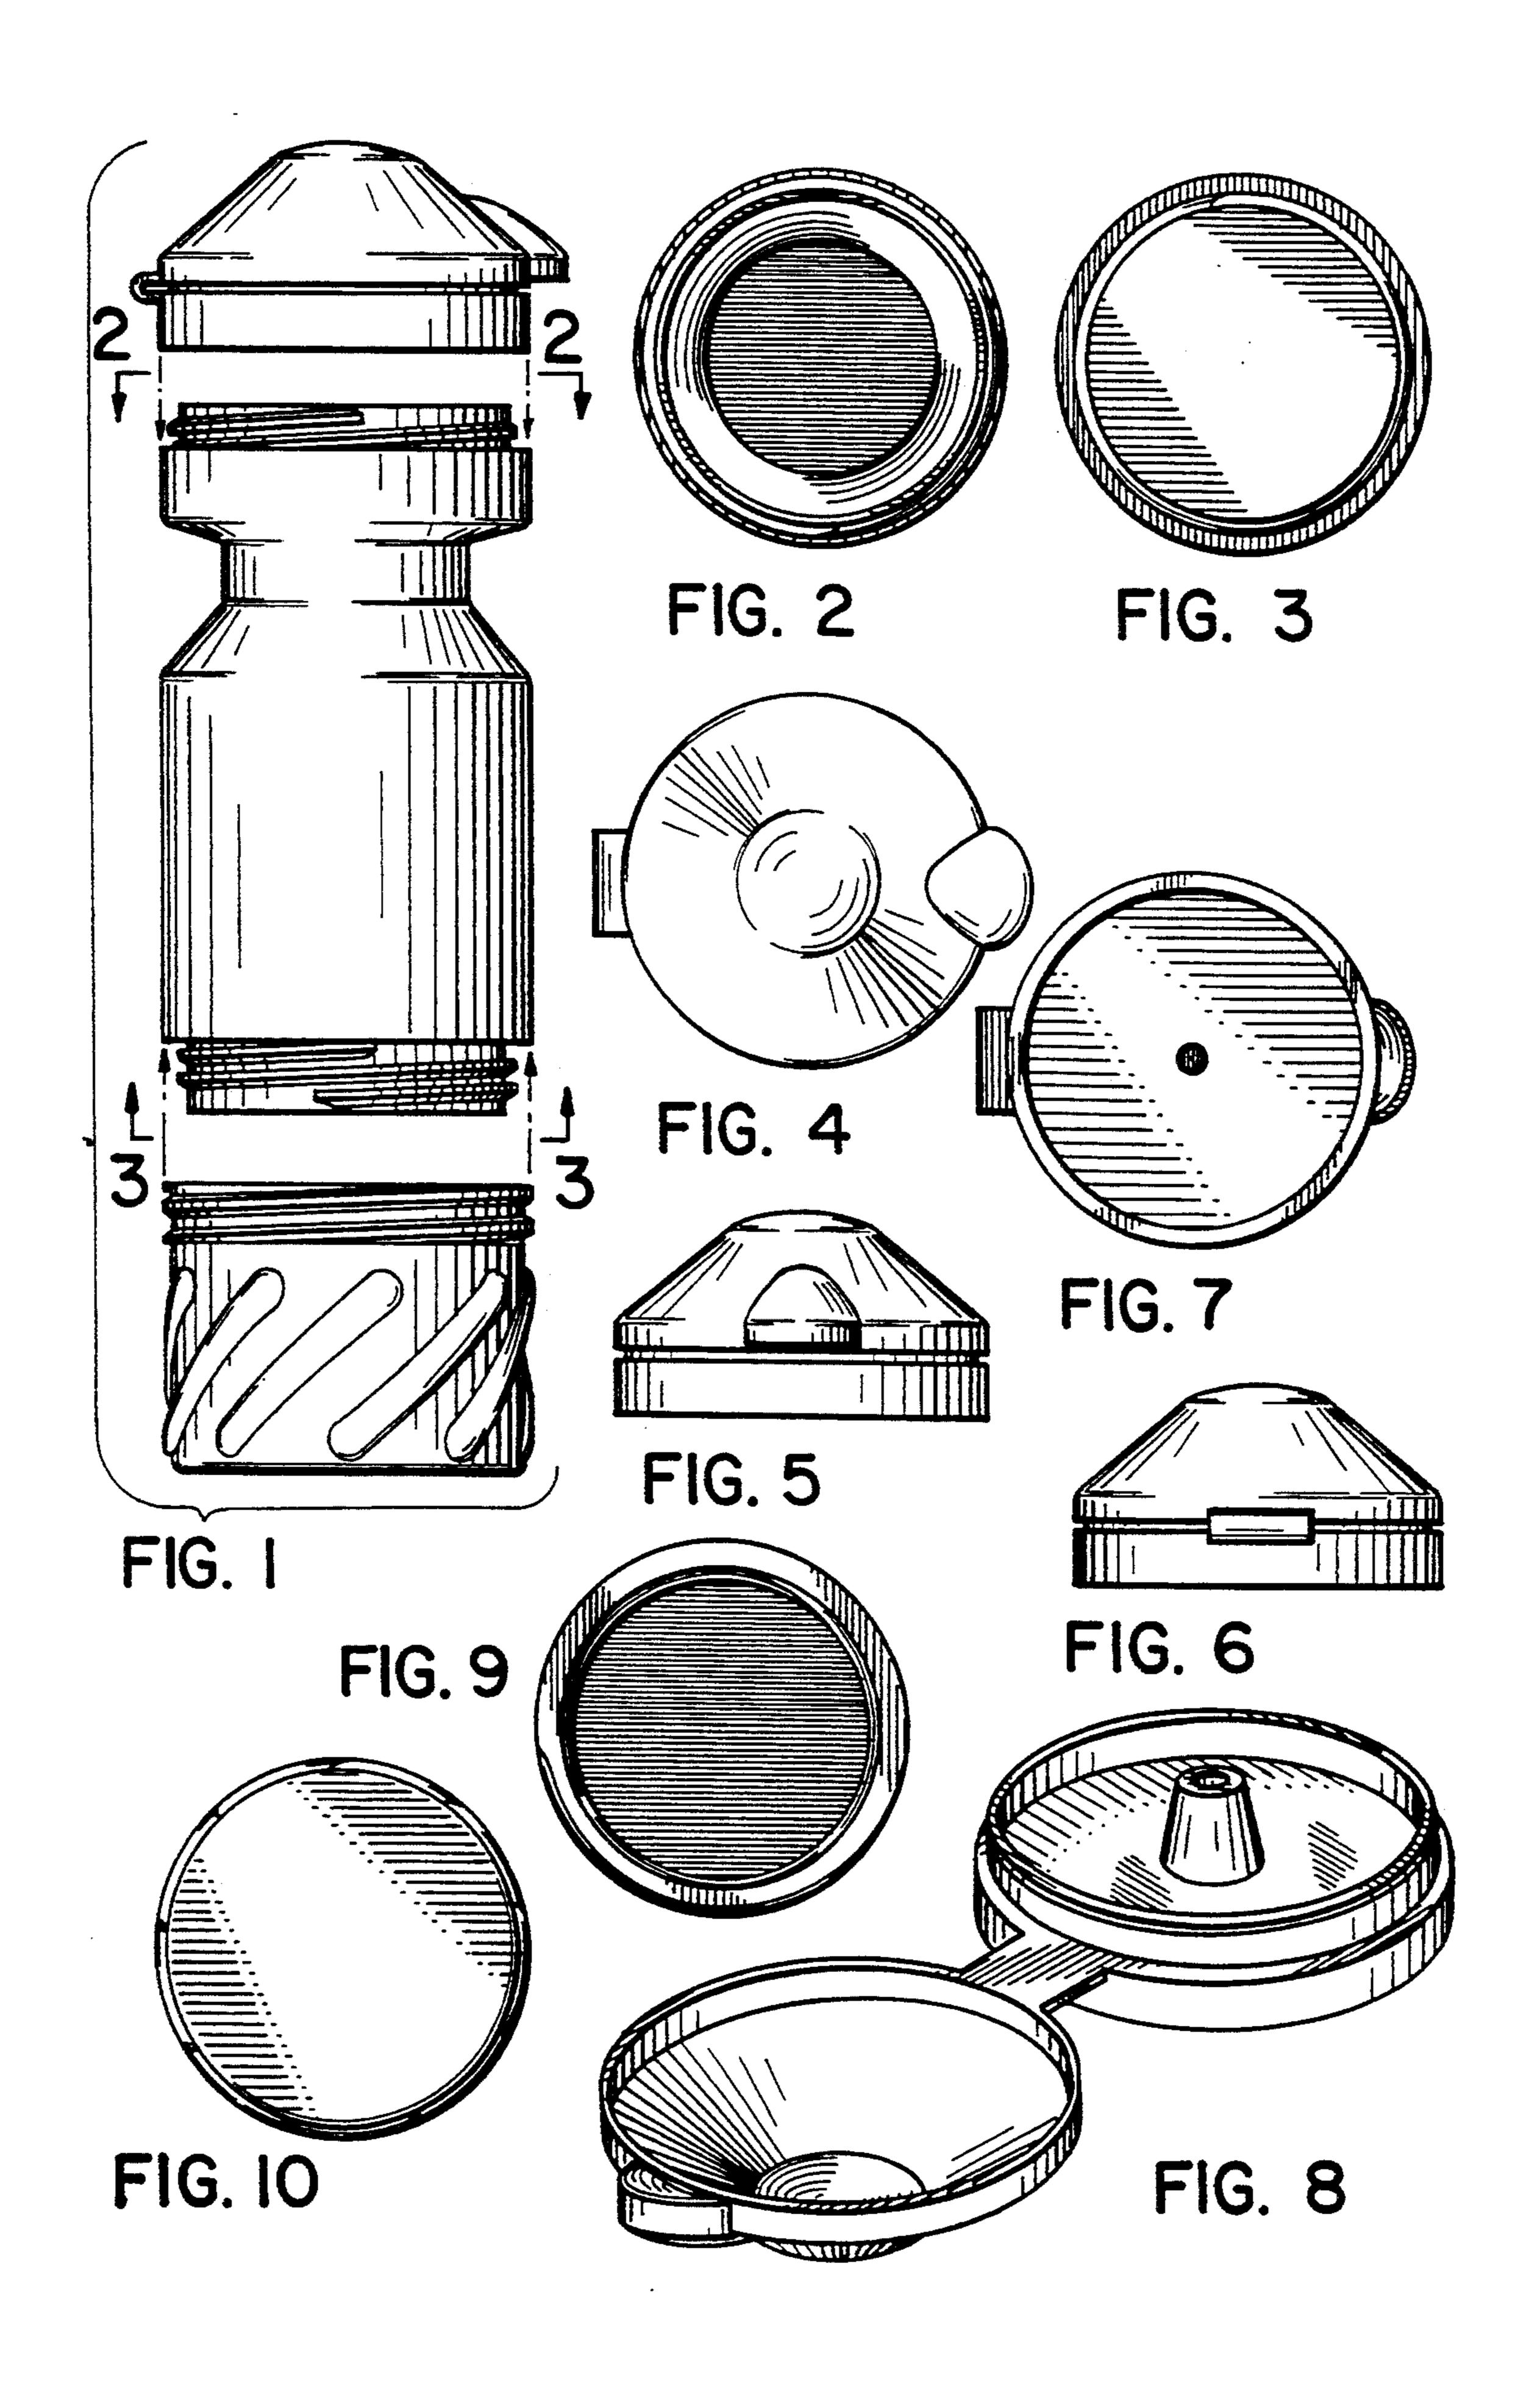

FIG. 8 is a top perspective view of the cap portion in an open position, the bottle portion is removed for ease of illustration;

FIG. 9 is a top plan view of the bottom cup portion of the bottle, the upper bottle portion being removed for ease of illustration;

FIG. 10 is a bottom plan view thereof; and,

FIG. 11 is a side elevational view thereof, the opposite side being a mirror image thereof.

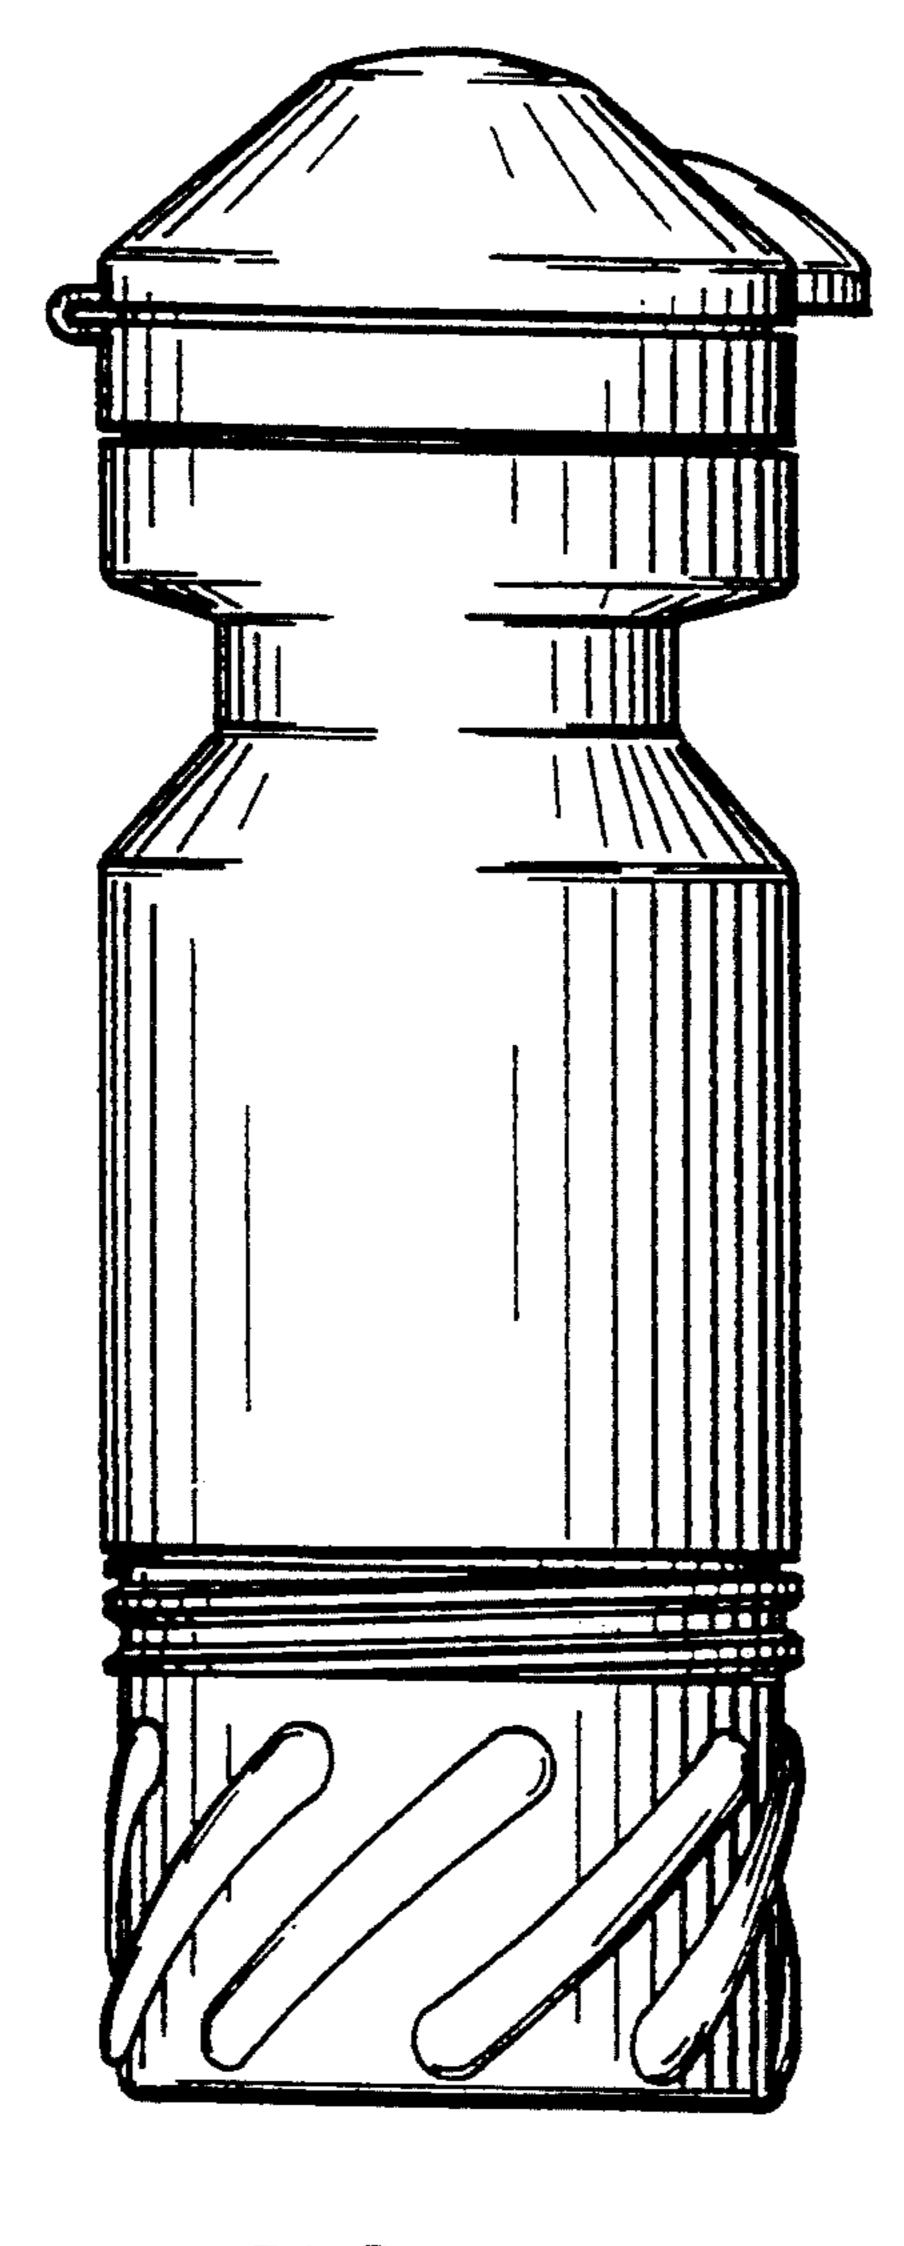

FIG. II
