[57] CLAIM

The ornamental design for a vest, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a vest showing my new design in use, the broken lines partially showing a human form being for illustrative purposes only, and forming no part of the claimed design;
 FIG. 2 is a reduced outside elevation thereof, shown in a flattened condition; and,
 FIG. 3 is a reduced inside elevational view of FIG. 1. The broken lines shown on the claimed articles throughout the views are understood to represent conventional stitching.
