### [57] CLAIM

[21] Appl. No.: **16,999**

The ornamental design for a computer keyboard with oversized keys, as shown and described.

### DESCRIPTION

[22] Filed: **Jan. 3, 1994**

FIG. 1 is a reduced perspective view of the computer keyboard with oversized keys showing my new design; FIG. 2 is a side elevation view thereof; and, FIG. 3 is a bottom plan view thereof.

[52] U.S. Cl. .... **D14/115**

The undisclosed side view is similar in appearance to the side shown in FIG. 2 and the undisclosed front and rear views are unornamented.
