[57] CLAIM

The ornamental design for a computer user interface enclosure for use with a container inspection machine, as shown and described.

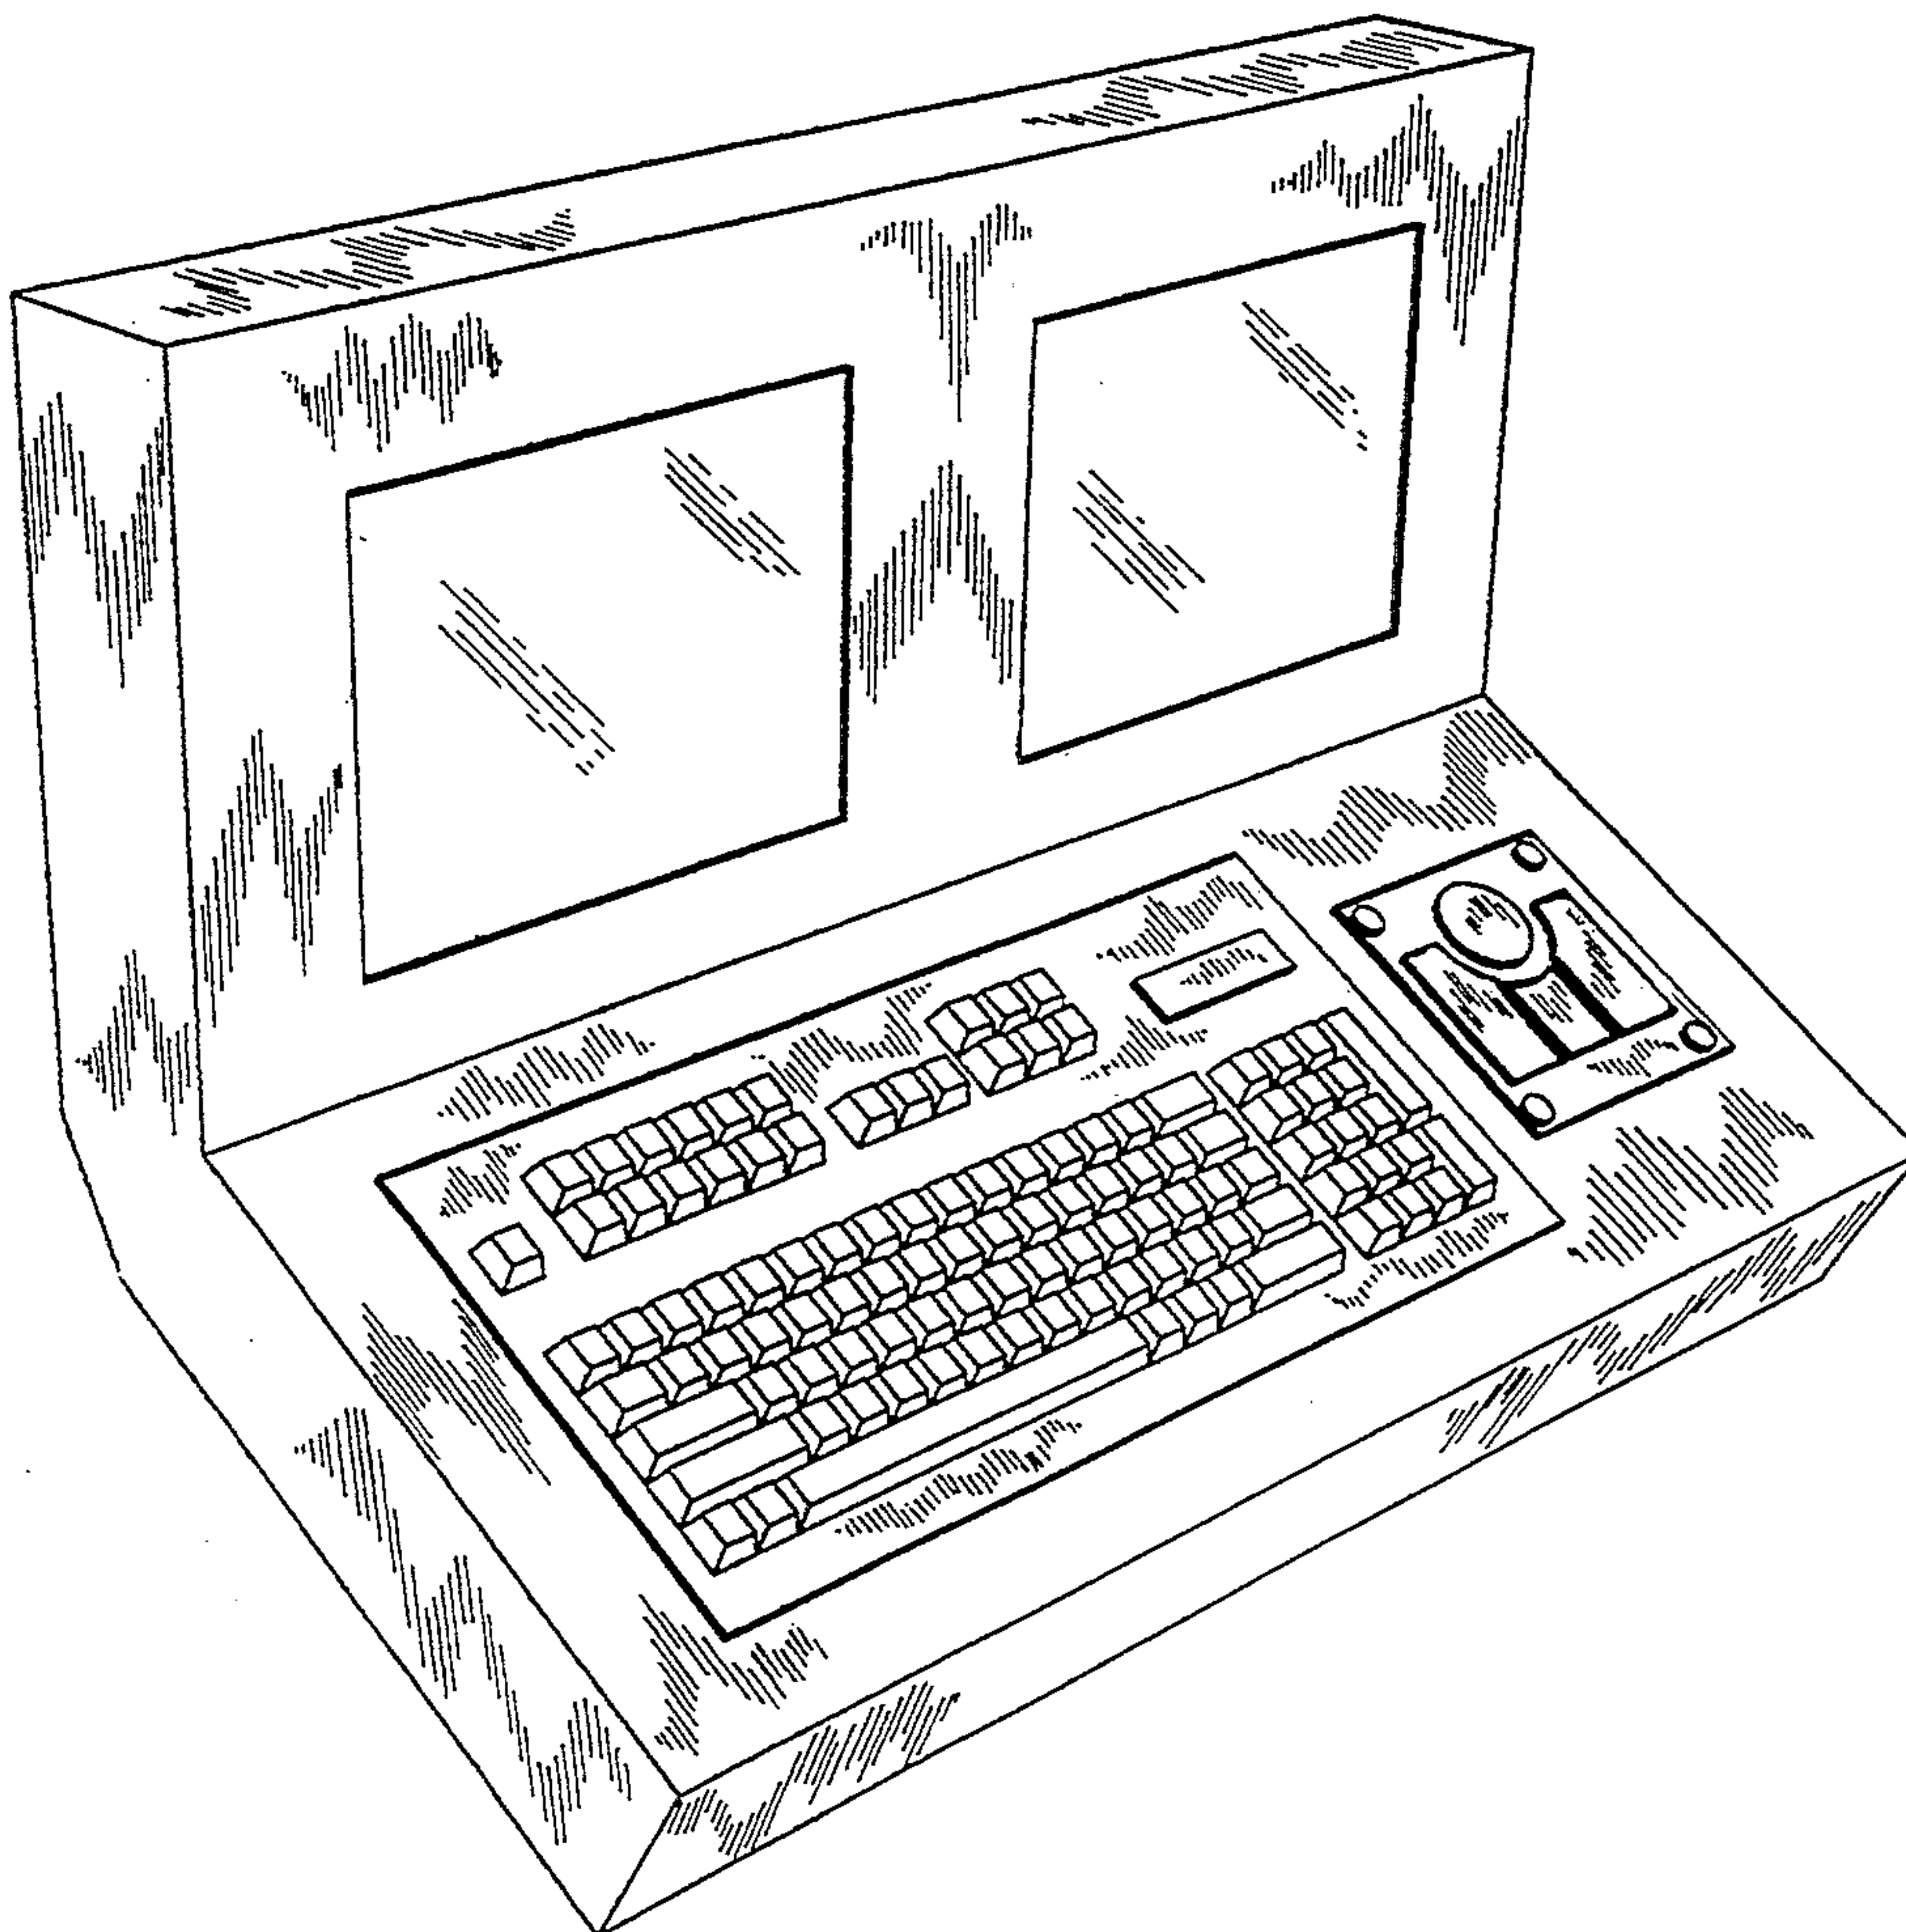

DESCRIPTION

FIG. 1 is a perspective view of a computer user interface enclosure for use with a container inspection machine;

FIG. 2 is a rear view of a computer user interface enclosure for use with a container inspection machine;

FIG. 3 is a left side view of a computer user interface enclosure for use with a container inspection machine, the right side view being plain and unadorned; and,

FIG. 4 is a front view of a computer user interface enclosure for use with a container inspection machine.

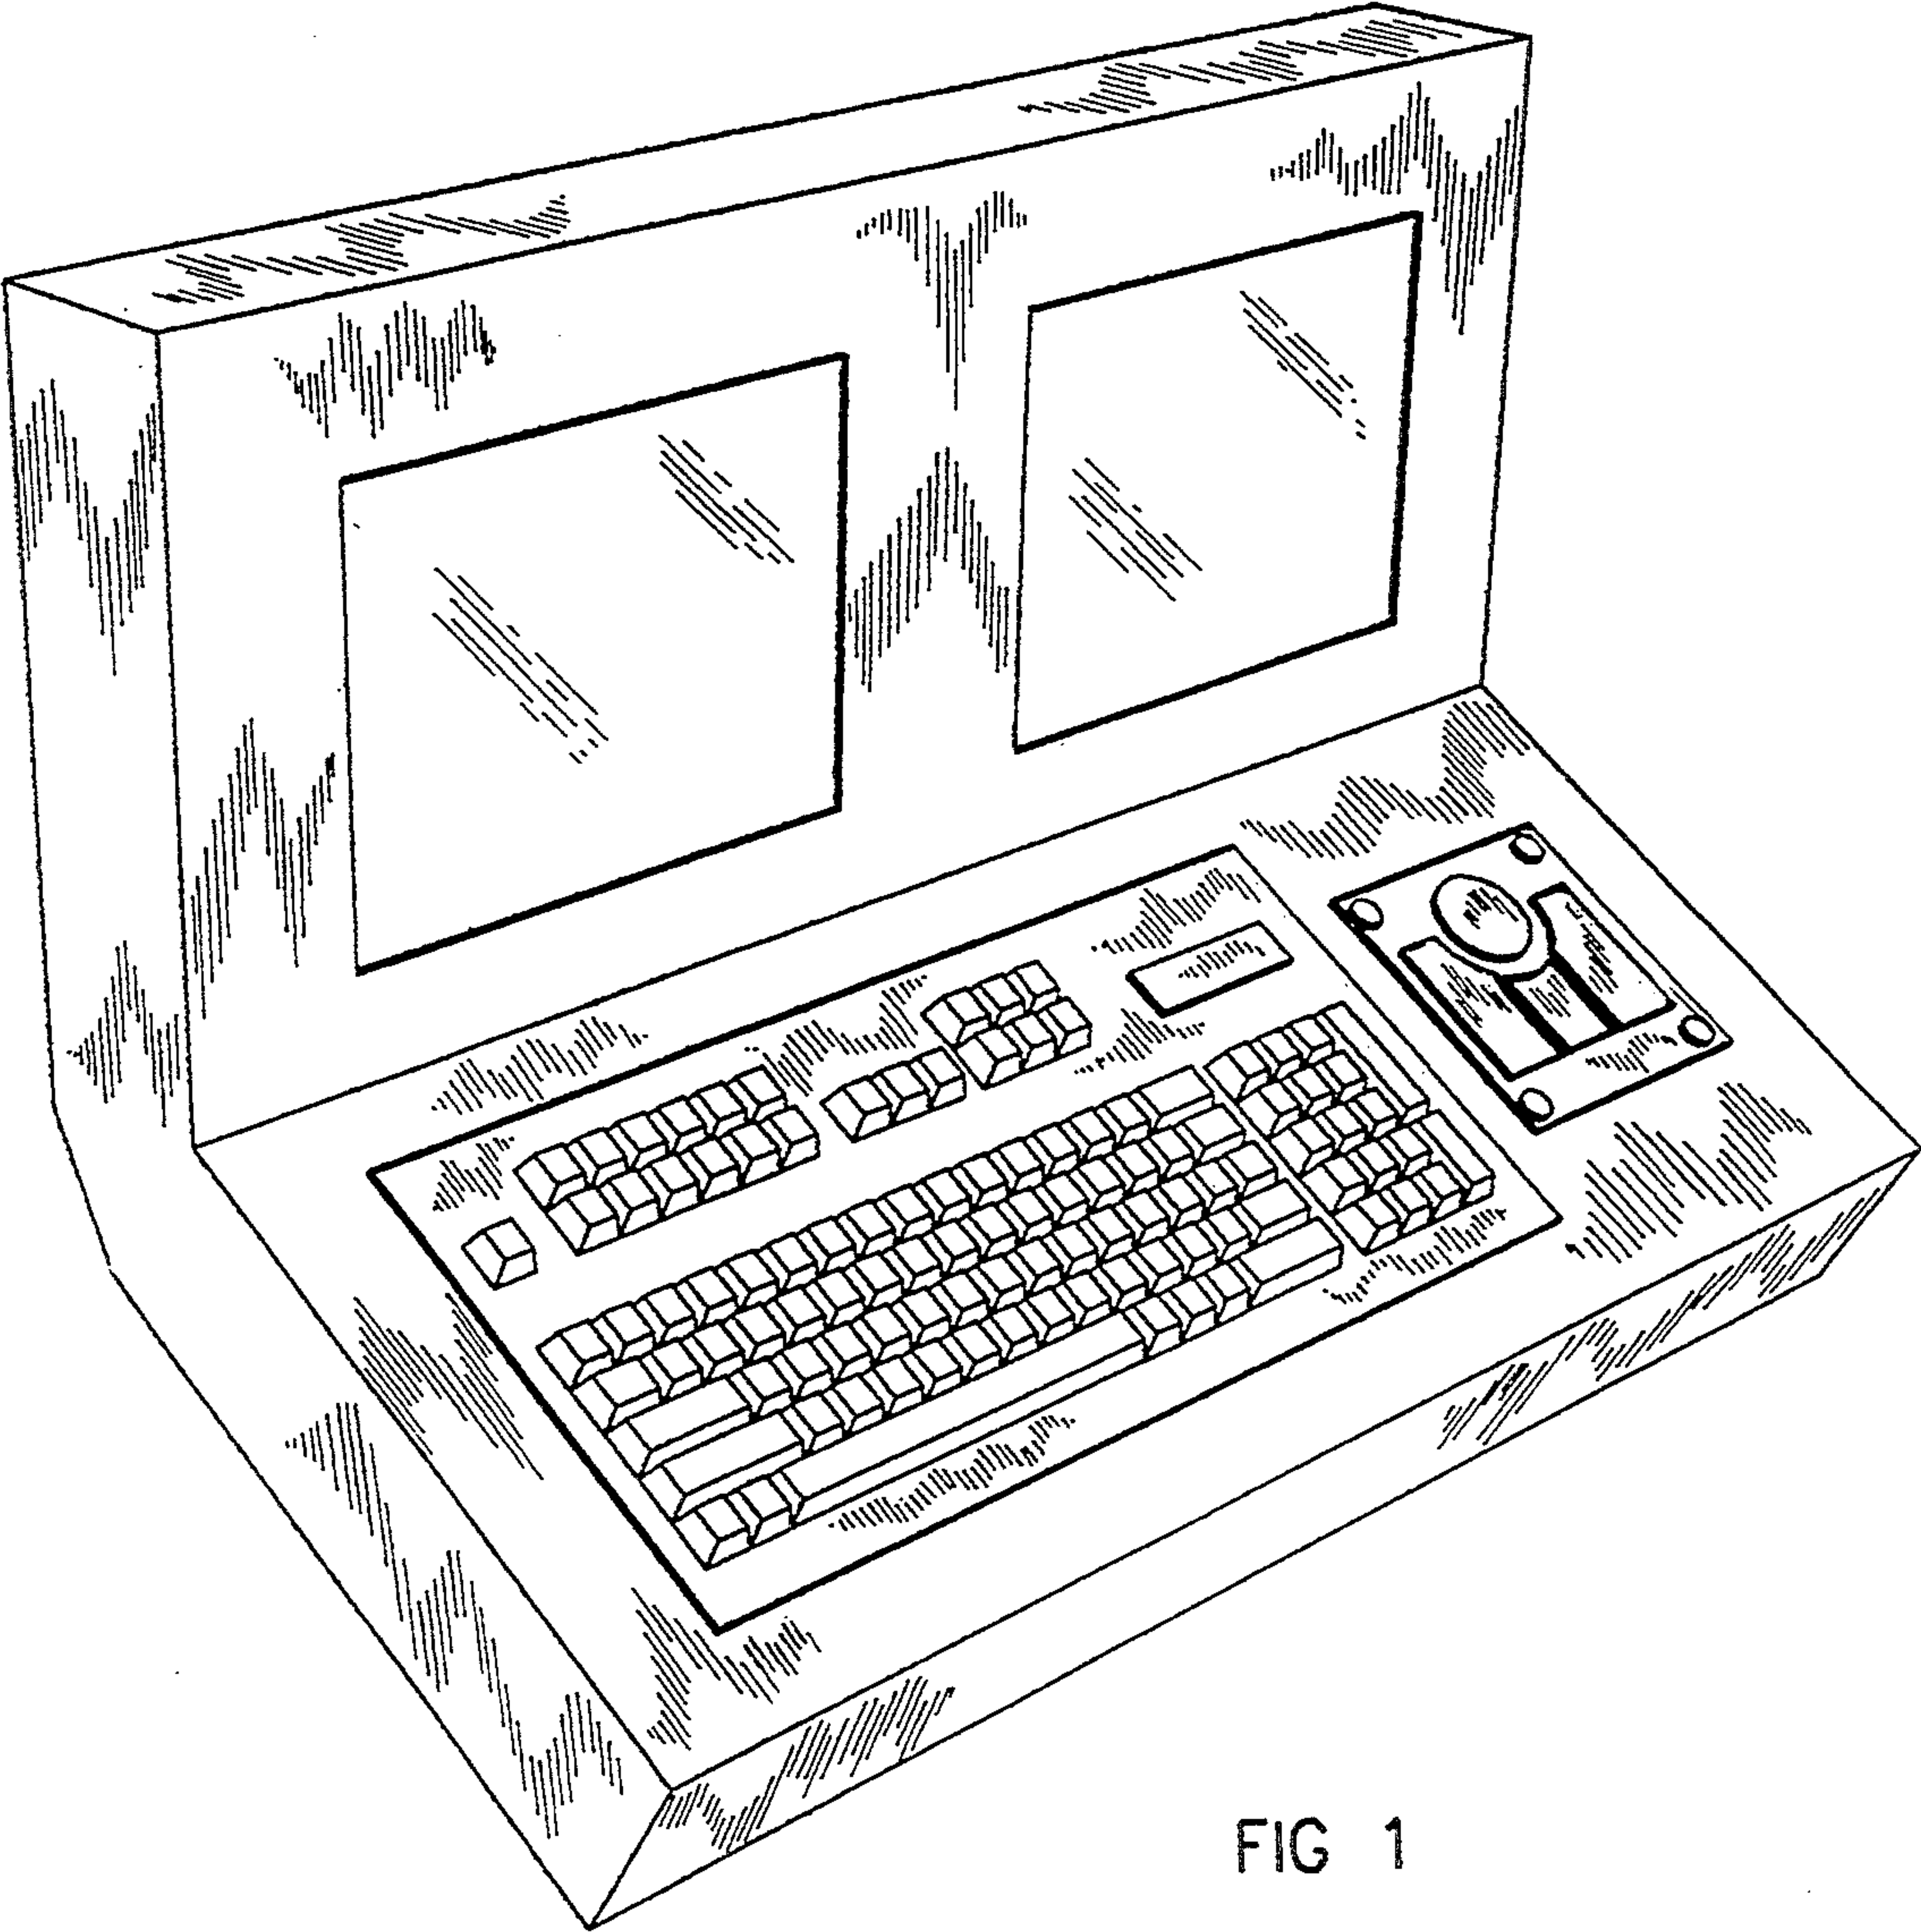

FIG 1

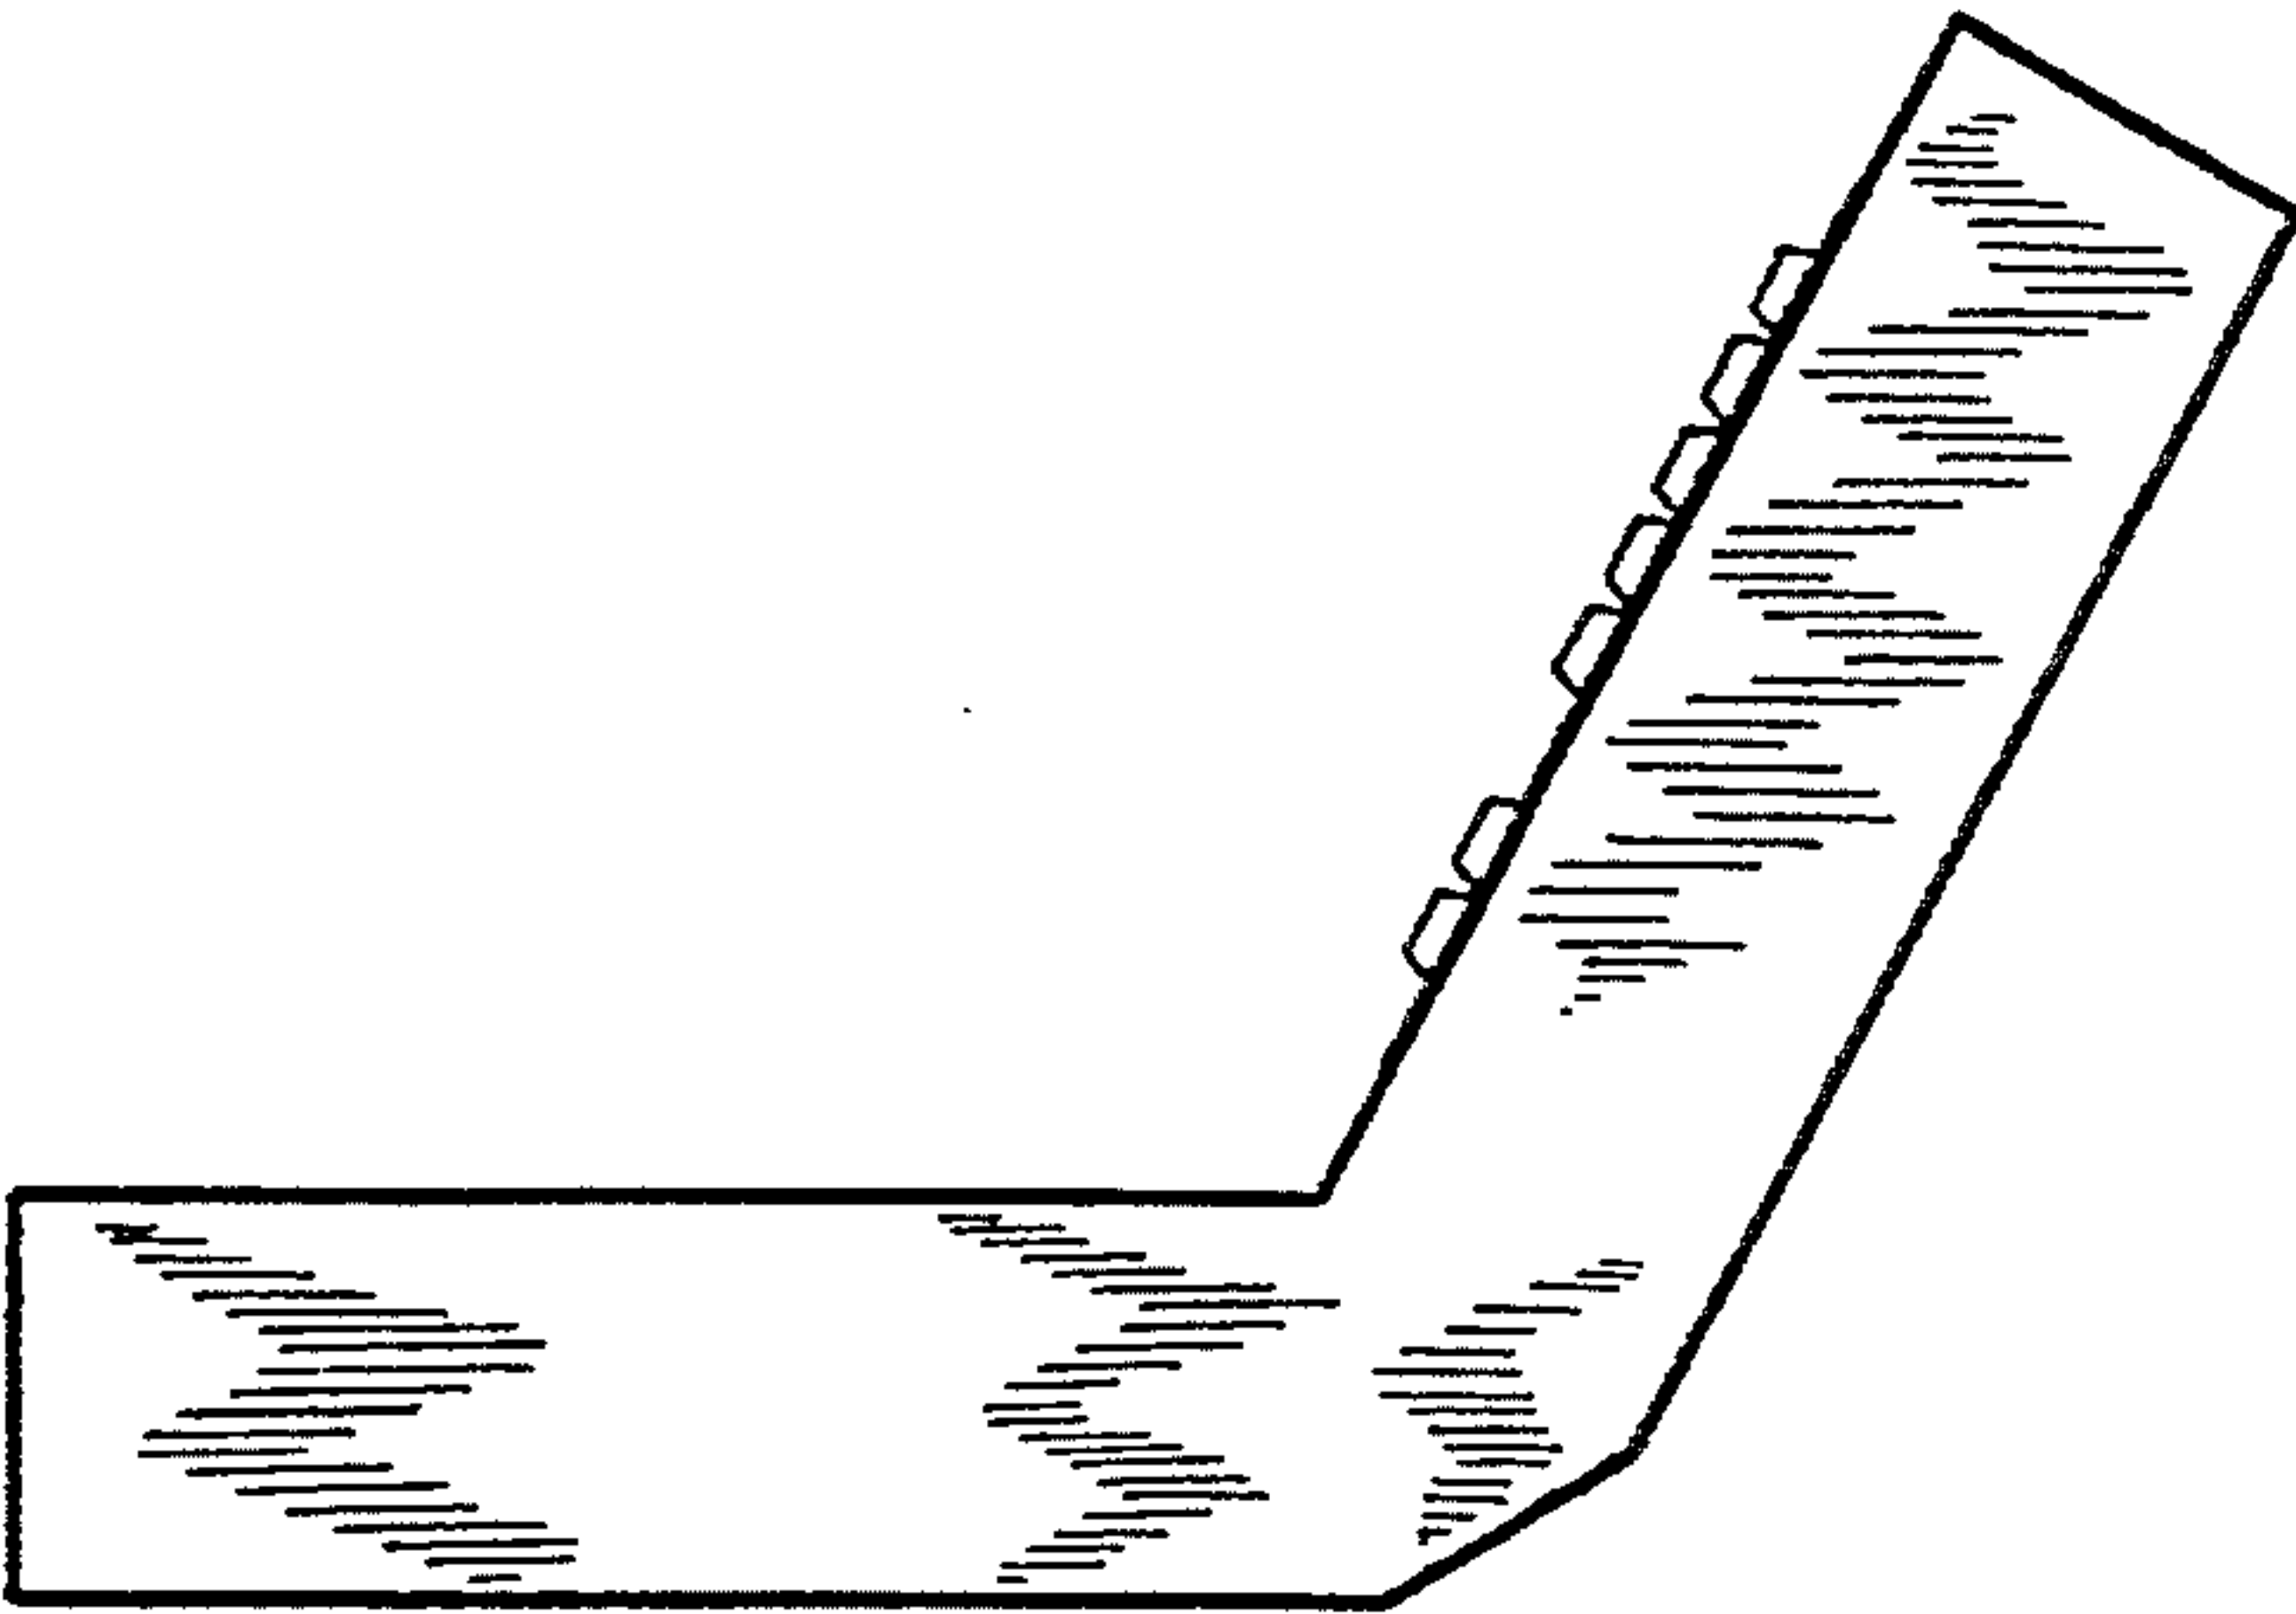

FIG 3

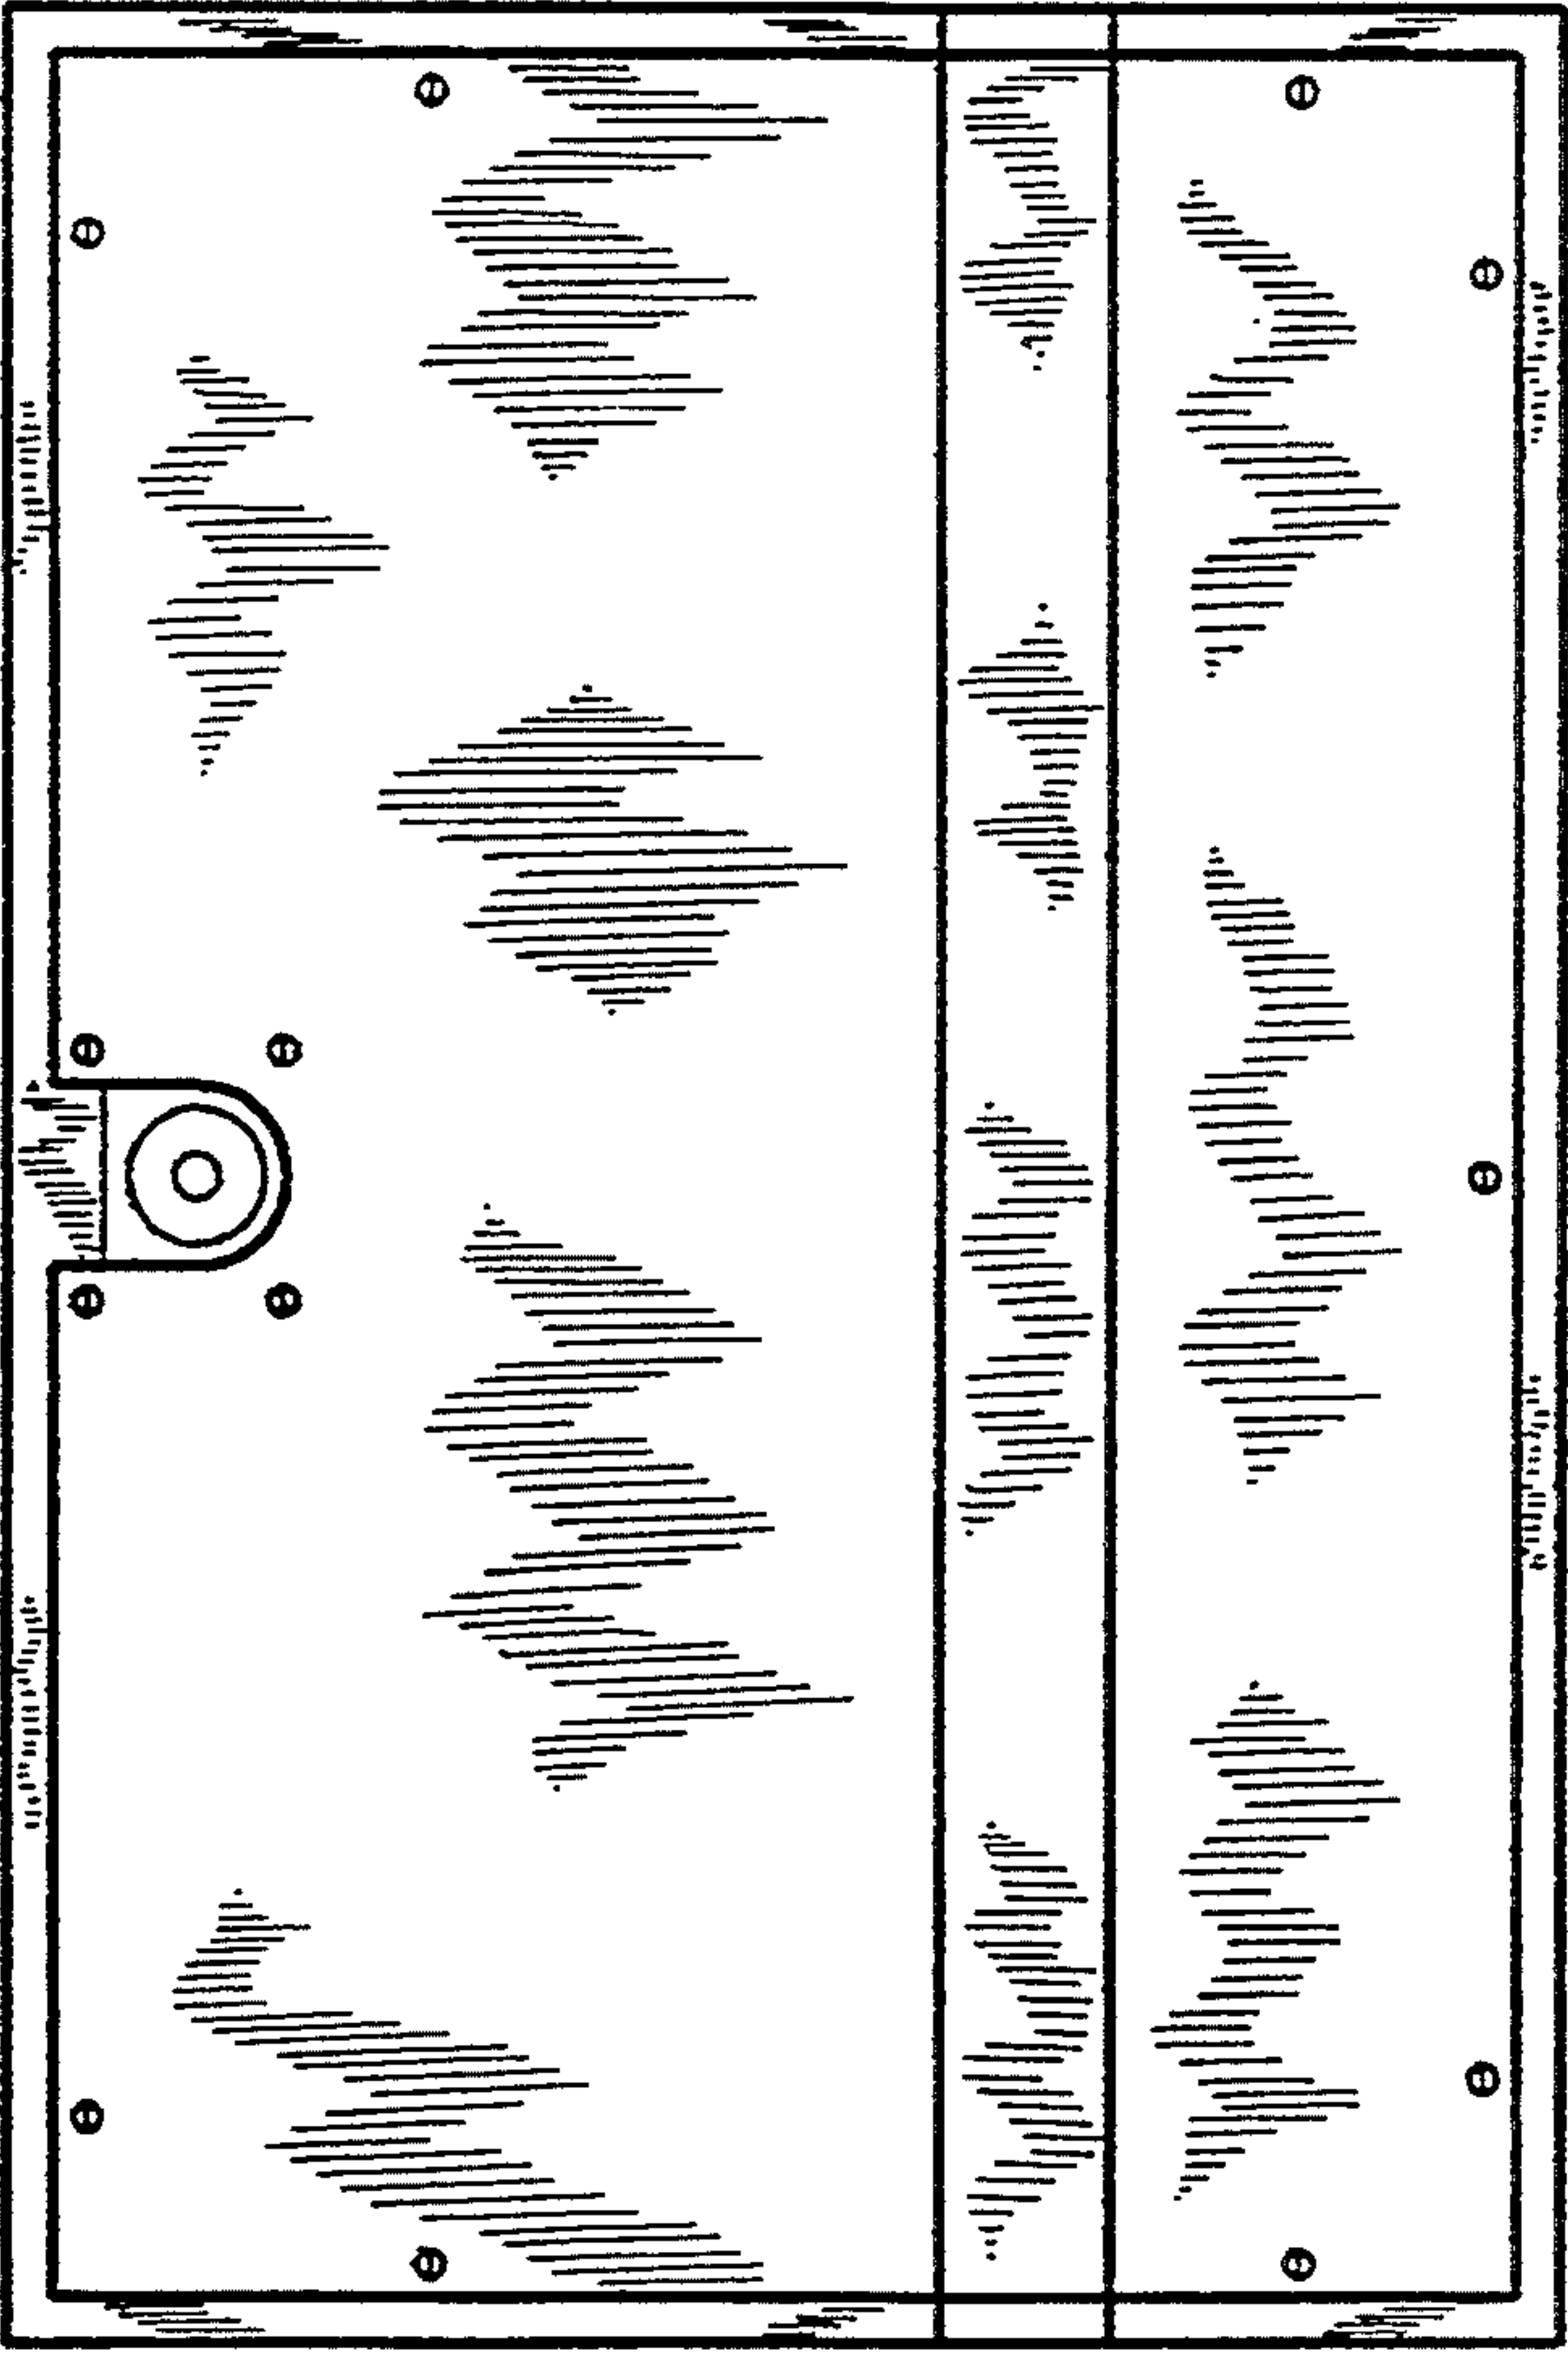

FIG 2

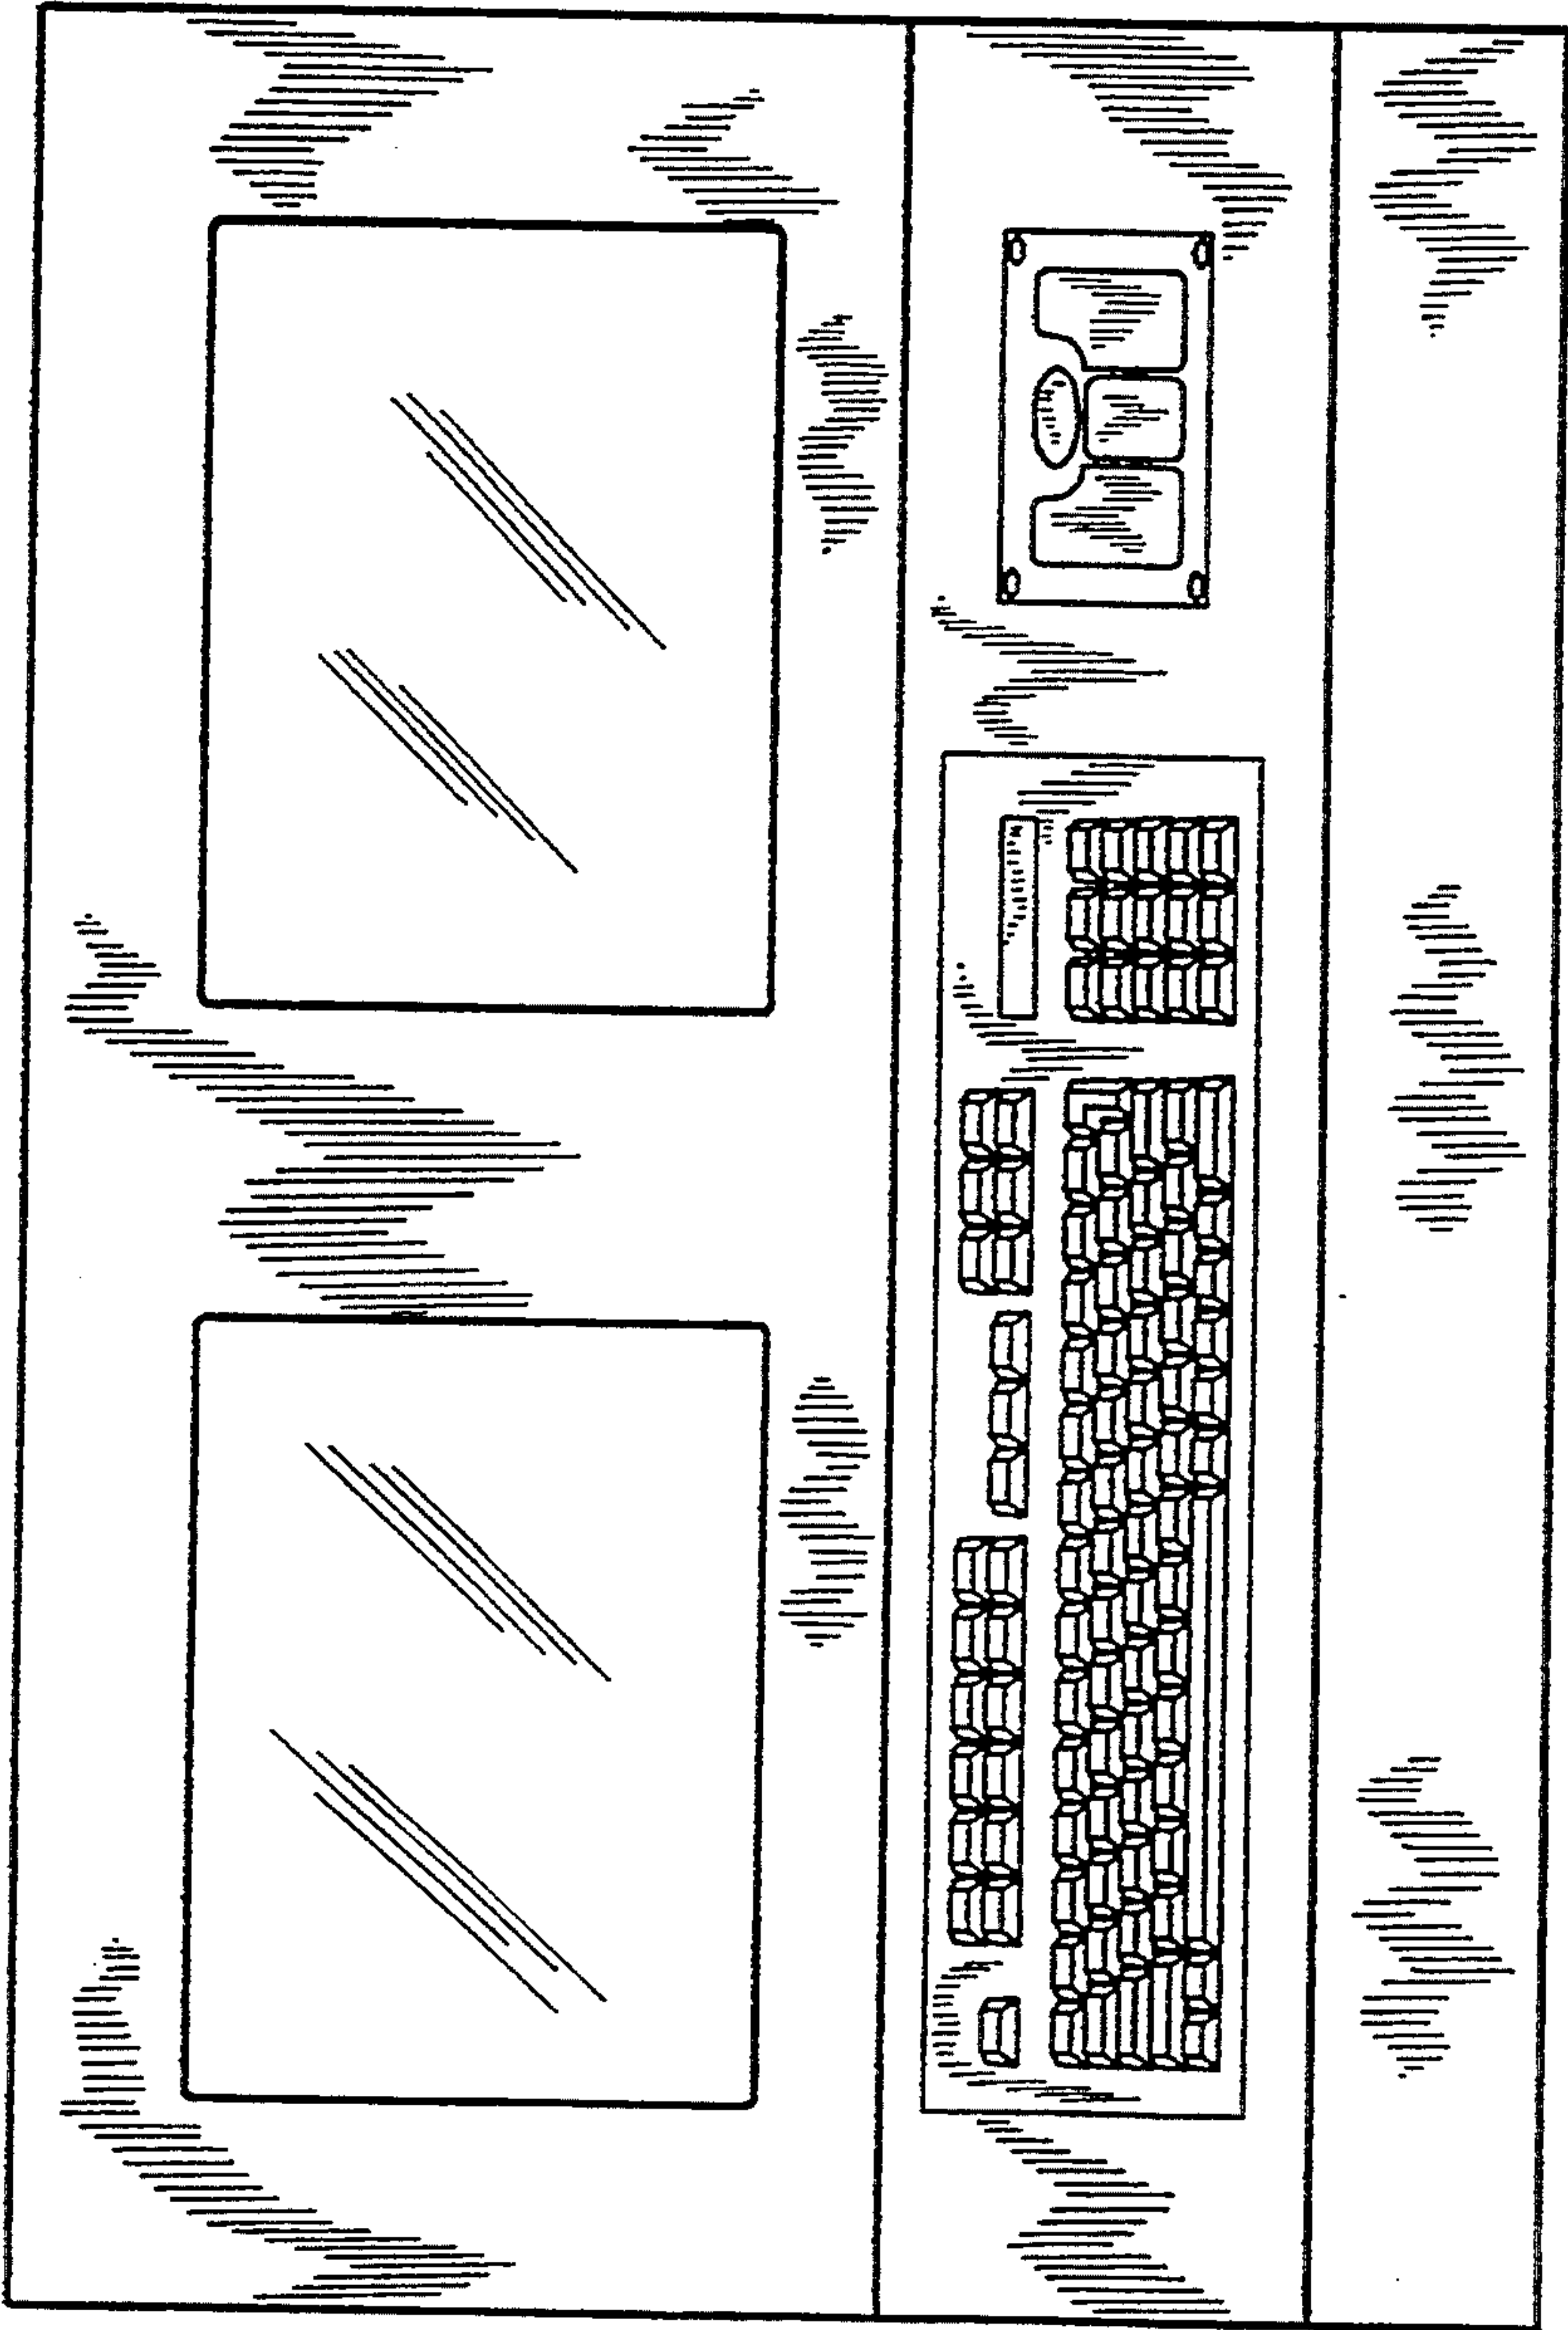

FIG 4
