[57] CLAIM

The ornamental design for a suction-adhered exercise wheel for rodents, as shown.

DESCRIPTION

FIG. 1 is a perspective view of a suction-adhered exercise wheel for rodents showing our new design, the partial cutaway view is for convenience of illustration; FIG. 2 is a front elevational view thereof; FIG. 3 is a top plan view thereof; FIG. 4 is a bottom plan view thereof; FIG. 5 is a rear elevational view thereof; FIG. 6 is a left side elevational view thereof; FIG. 7 is a right side elevational view thereof; and, FIG. 8 is an enlarged perspective view of the suction portion of the exercise wheel. The broken lines are for illustrative purposes only and form no part of the claimed design.
