[57] **CLAIM**

The ornamental design for a dart case, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of the dart case of this invention;  
FIG. 2 is a plan view of the dart case of this invention;  
FIG. 3 is a front view of the dart case of this invention;  
FIG. 4 is a left end view of the dart case of this invention;  
FIG. 5 is a right end view of the dart case of this invention;  
FIG. 6 is a bottom view of the dart case of this invention;  
FIG. 7 is a back view of the dart case of this invention;  
FIG. 8 is a left end view of the dart case of this invention with the protective closure removed;  
FIG. 9 is a right end view of the dart case of this invention with the protective closure removed; and,  
FIG. 10 is a perspective view of the dart case of this invention showing darts, points and feathers exploded in phantom and forming no part of claimed design.
