FIG. 1 is a perspective view of a sleeve head of a connecting element for a scaffolding framework rod showing my new design;

FIG. 2 is a elevational view taken 60 degrees from FIG. 4;

FIG. 3 is a front elevational view thereof;

FIG. 4 is a side elevational view thereof, the opposite side being a mirror image thereof;

FIG. 5 is a top plan view thereof; and,

FIG. 6 is a rear elevational view thereof.

The broken line portions of the drawing are for illustrative purposes only and form no part of the claimed design.
