[57] **CLAIM**

The ornamental design for a bathroom radiator, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view of a first embodiment of a bathroom radiator showing my new design, the rear perspective view being a mirror image thereof, wherein the bottom view and left side view are the same as the top view and right side view, respectively;  
FIG. 2 is a front perspective view of a second embodiment thereof, wherein the bottom view and left side view are the same as the top view and right side view, respectively; and,  
FIG. 3 is a rear perspective view from a low angle of the embodiment of FIG. 2.  
The sole difference between the first and second embodiments resides in the appearance of the curvature of the lateral bars.

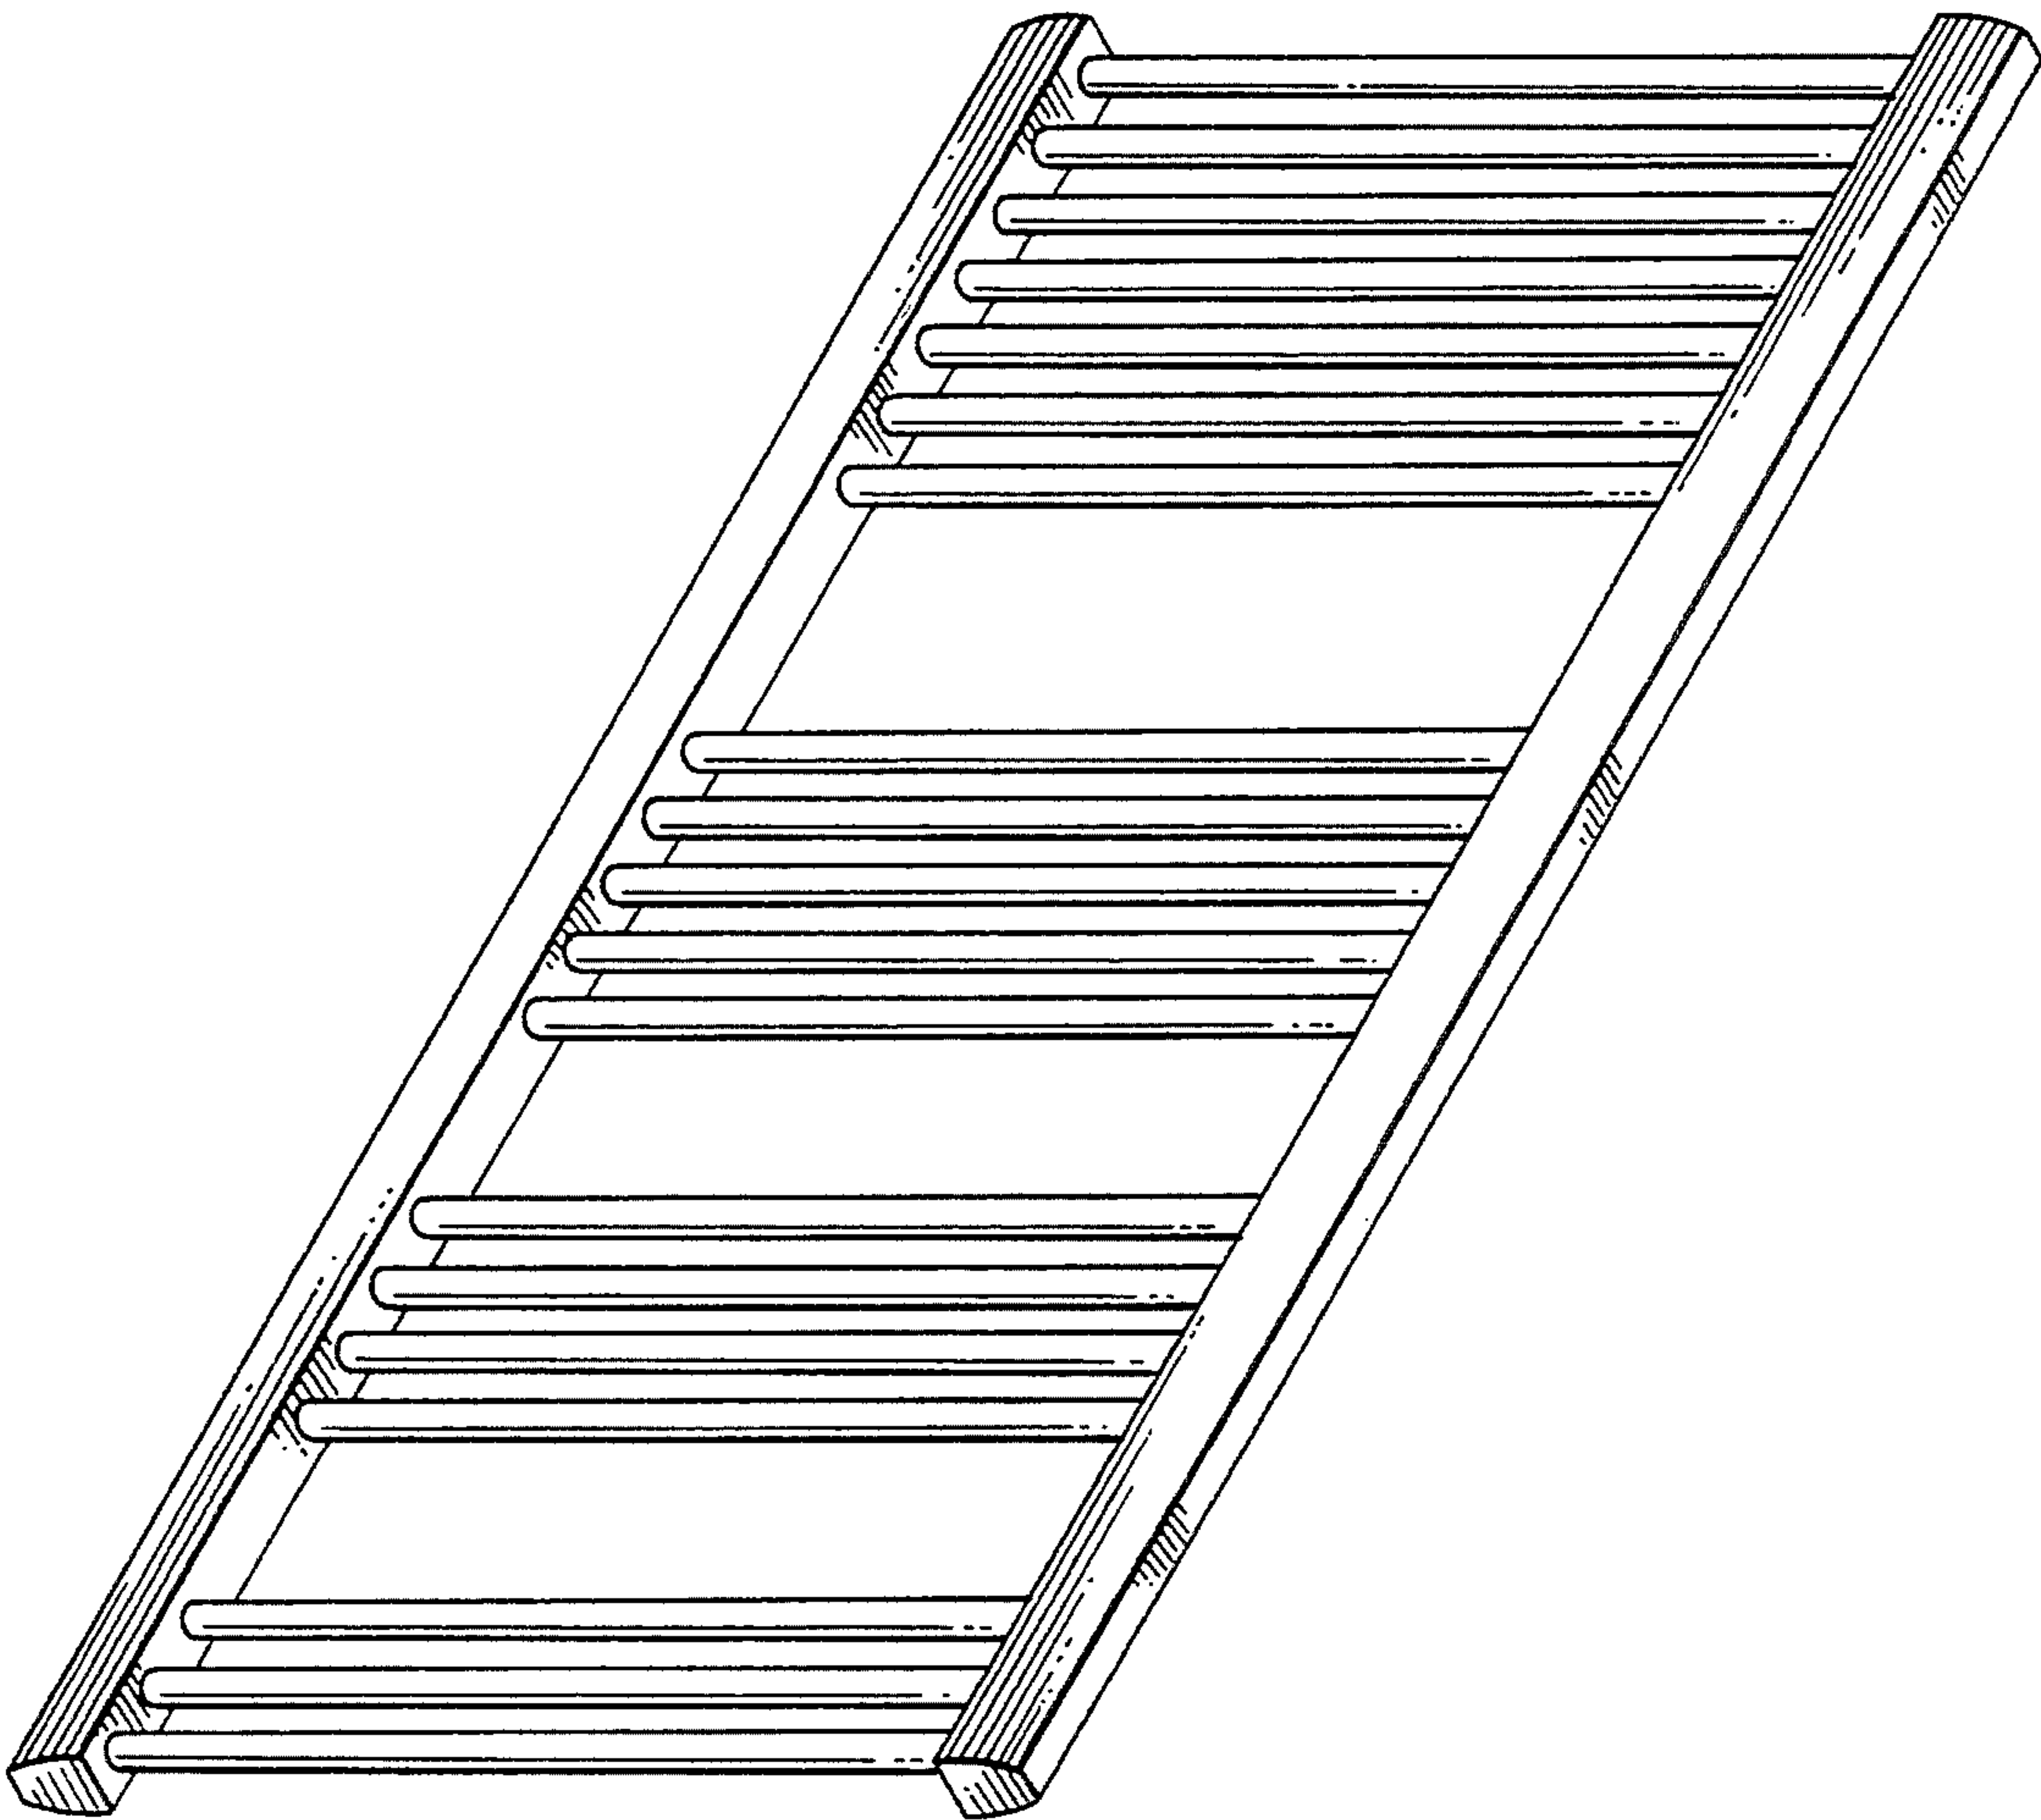

FIG. 1
