[57] **CLAIM**

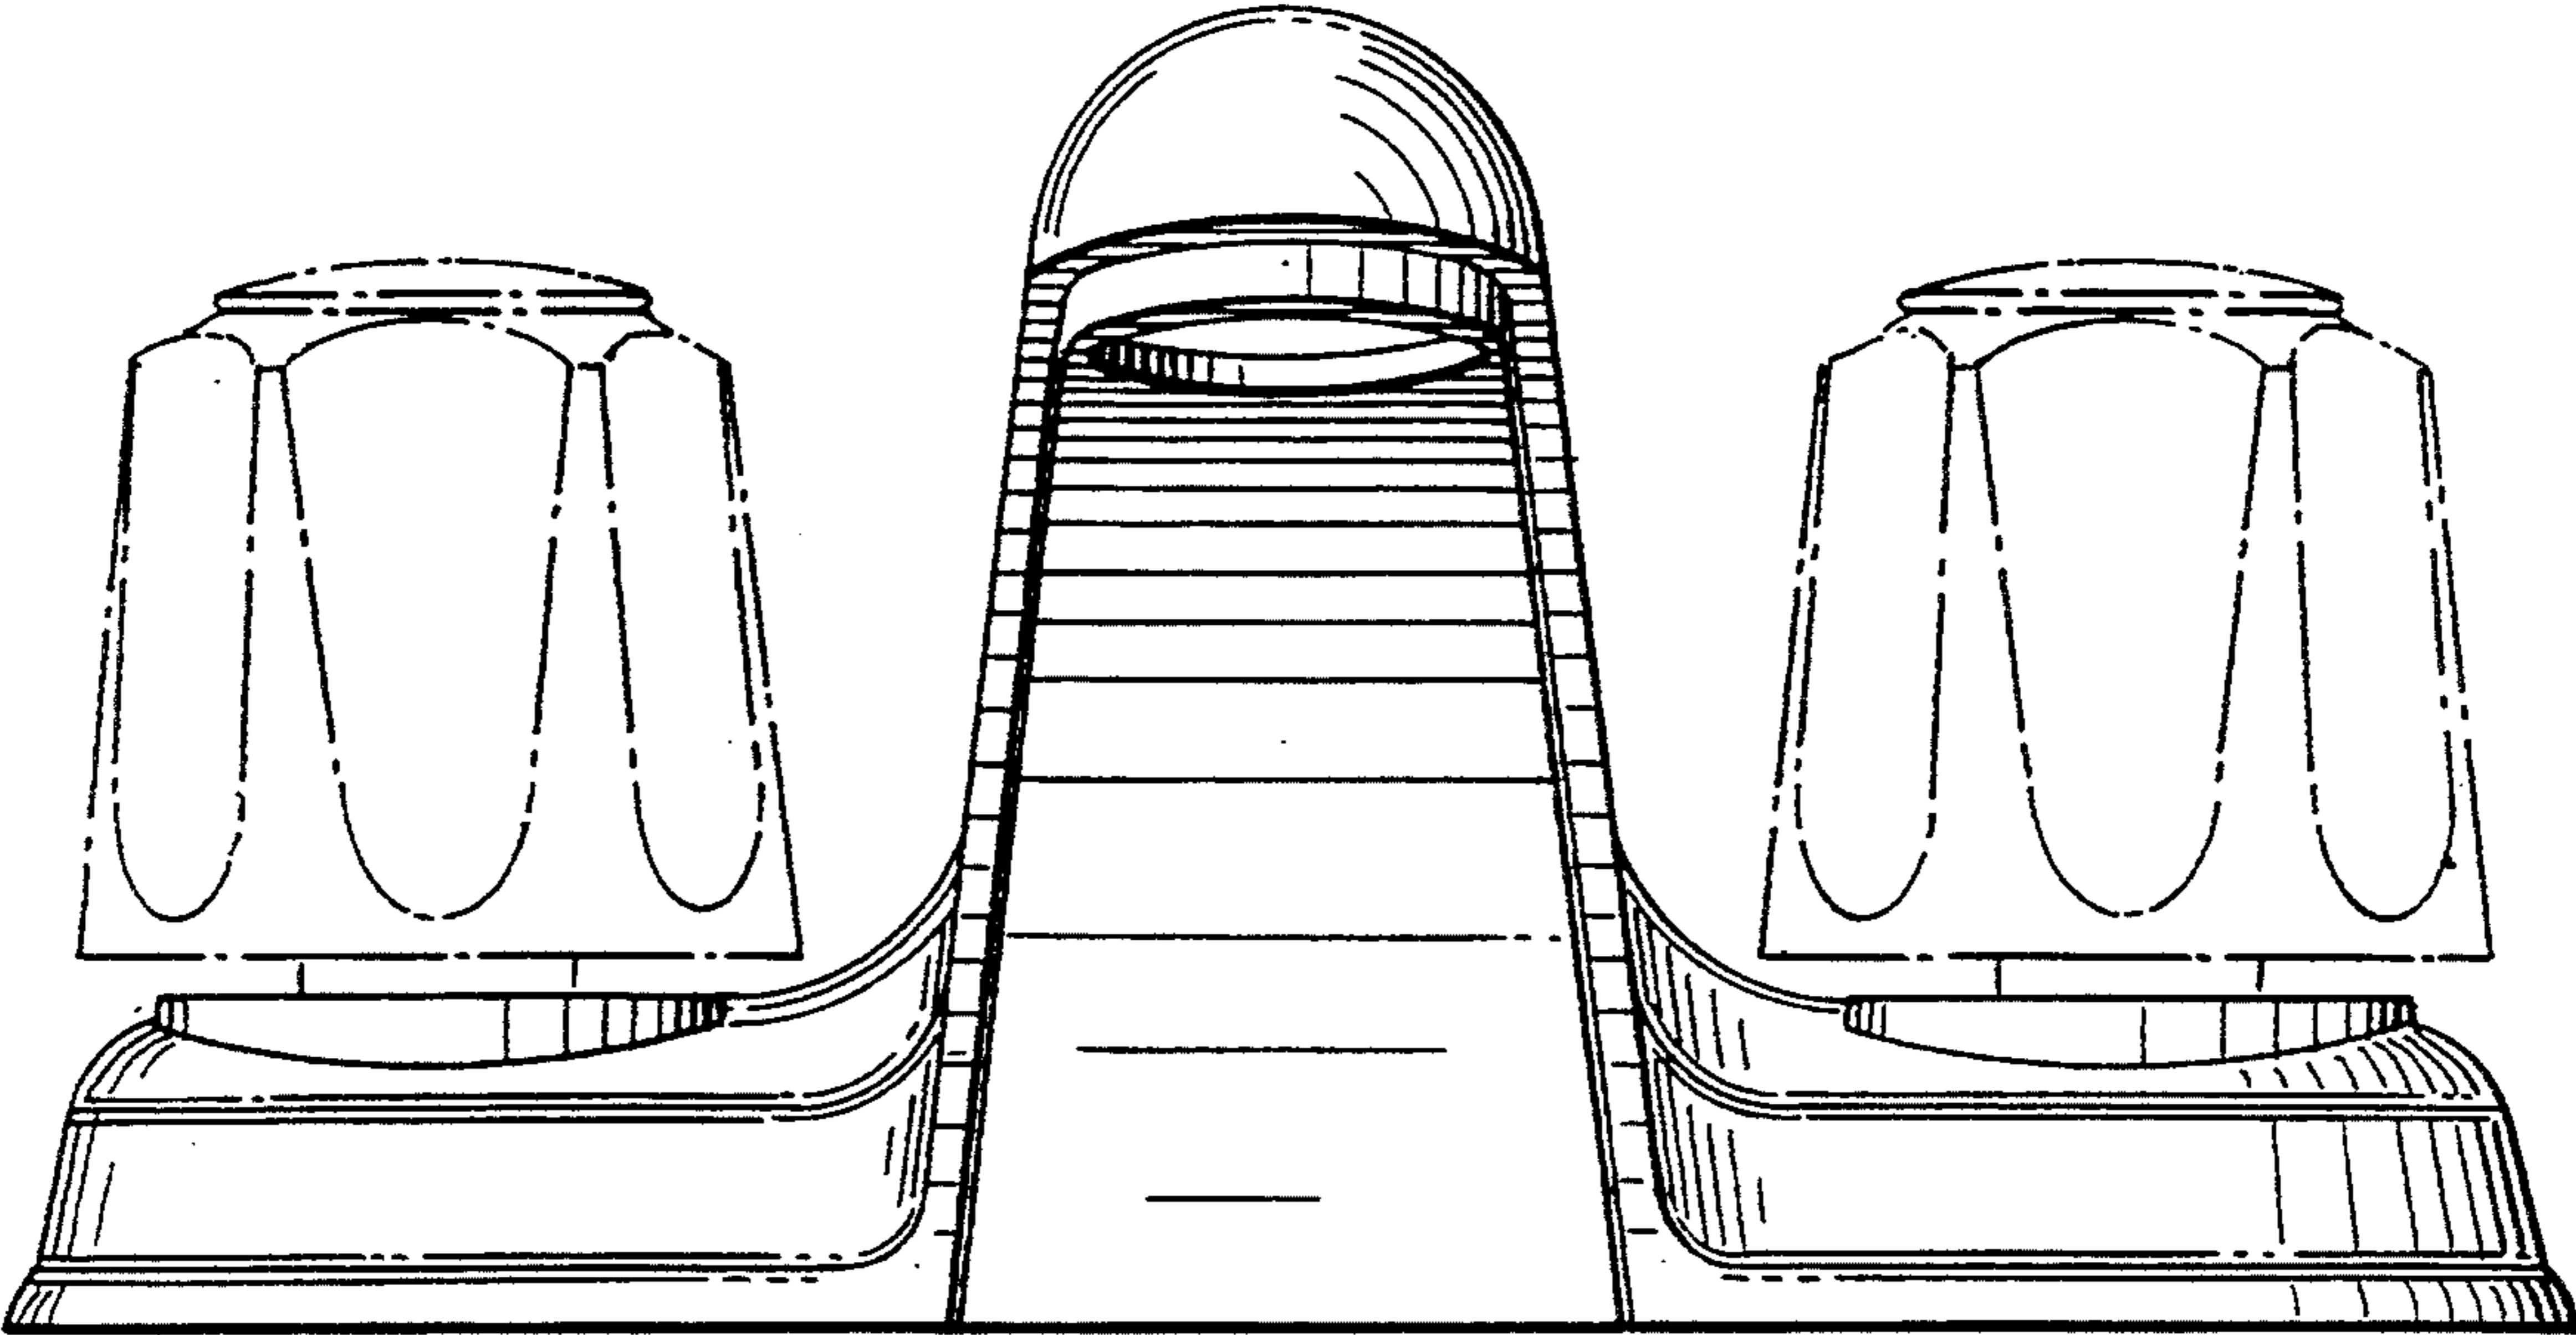

The ornamental design for a faucet body, as shown and described.

**DESCRIPTION**

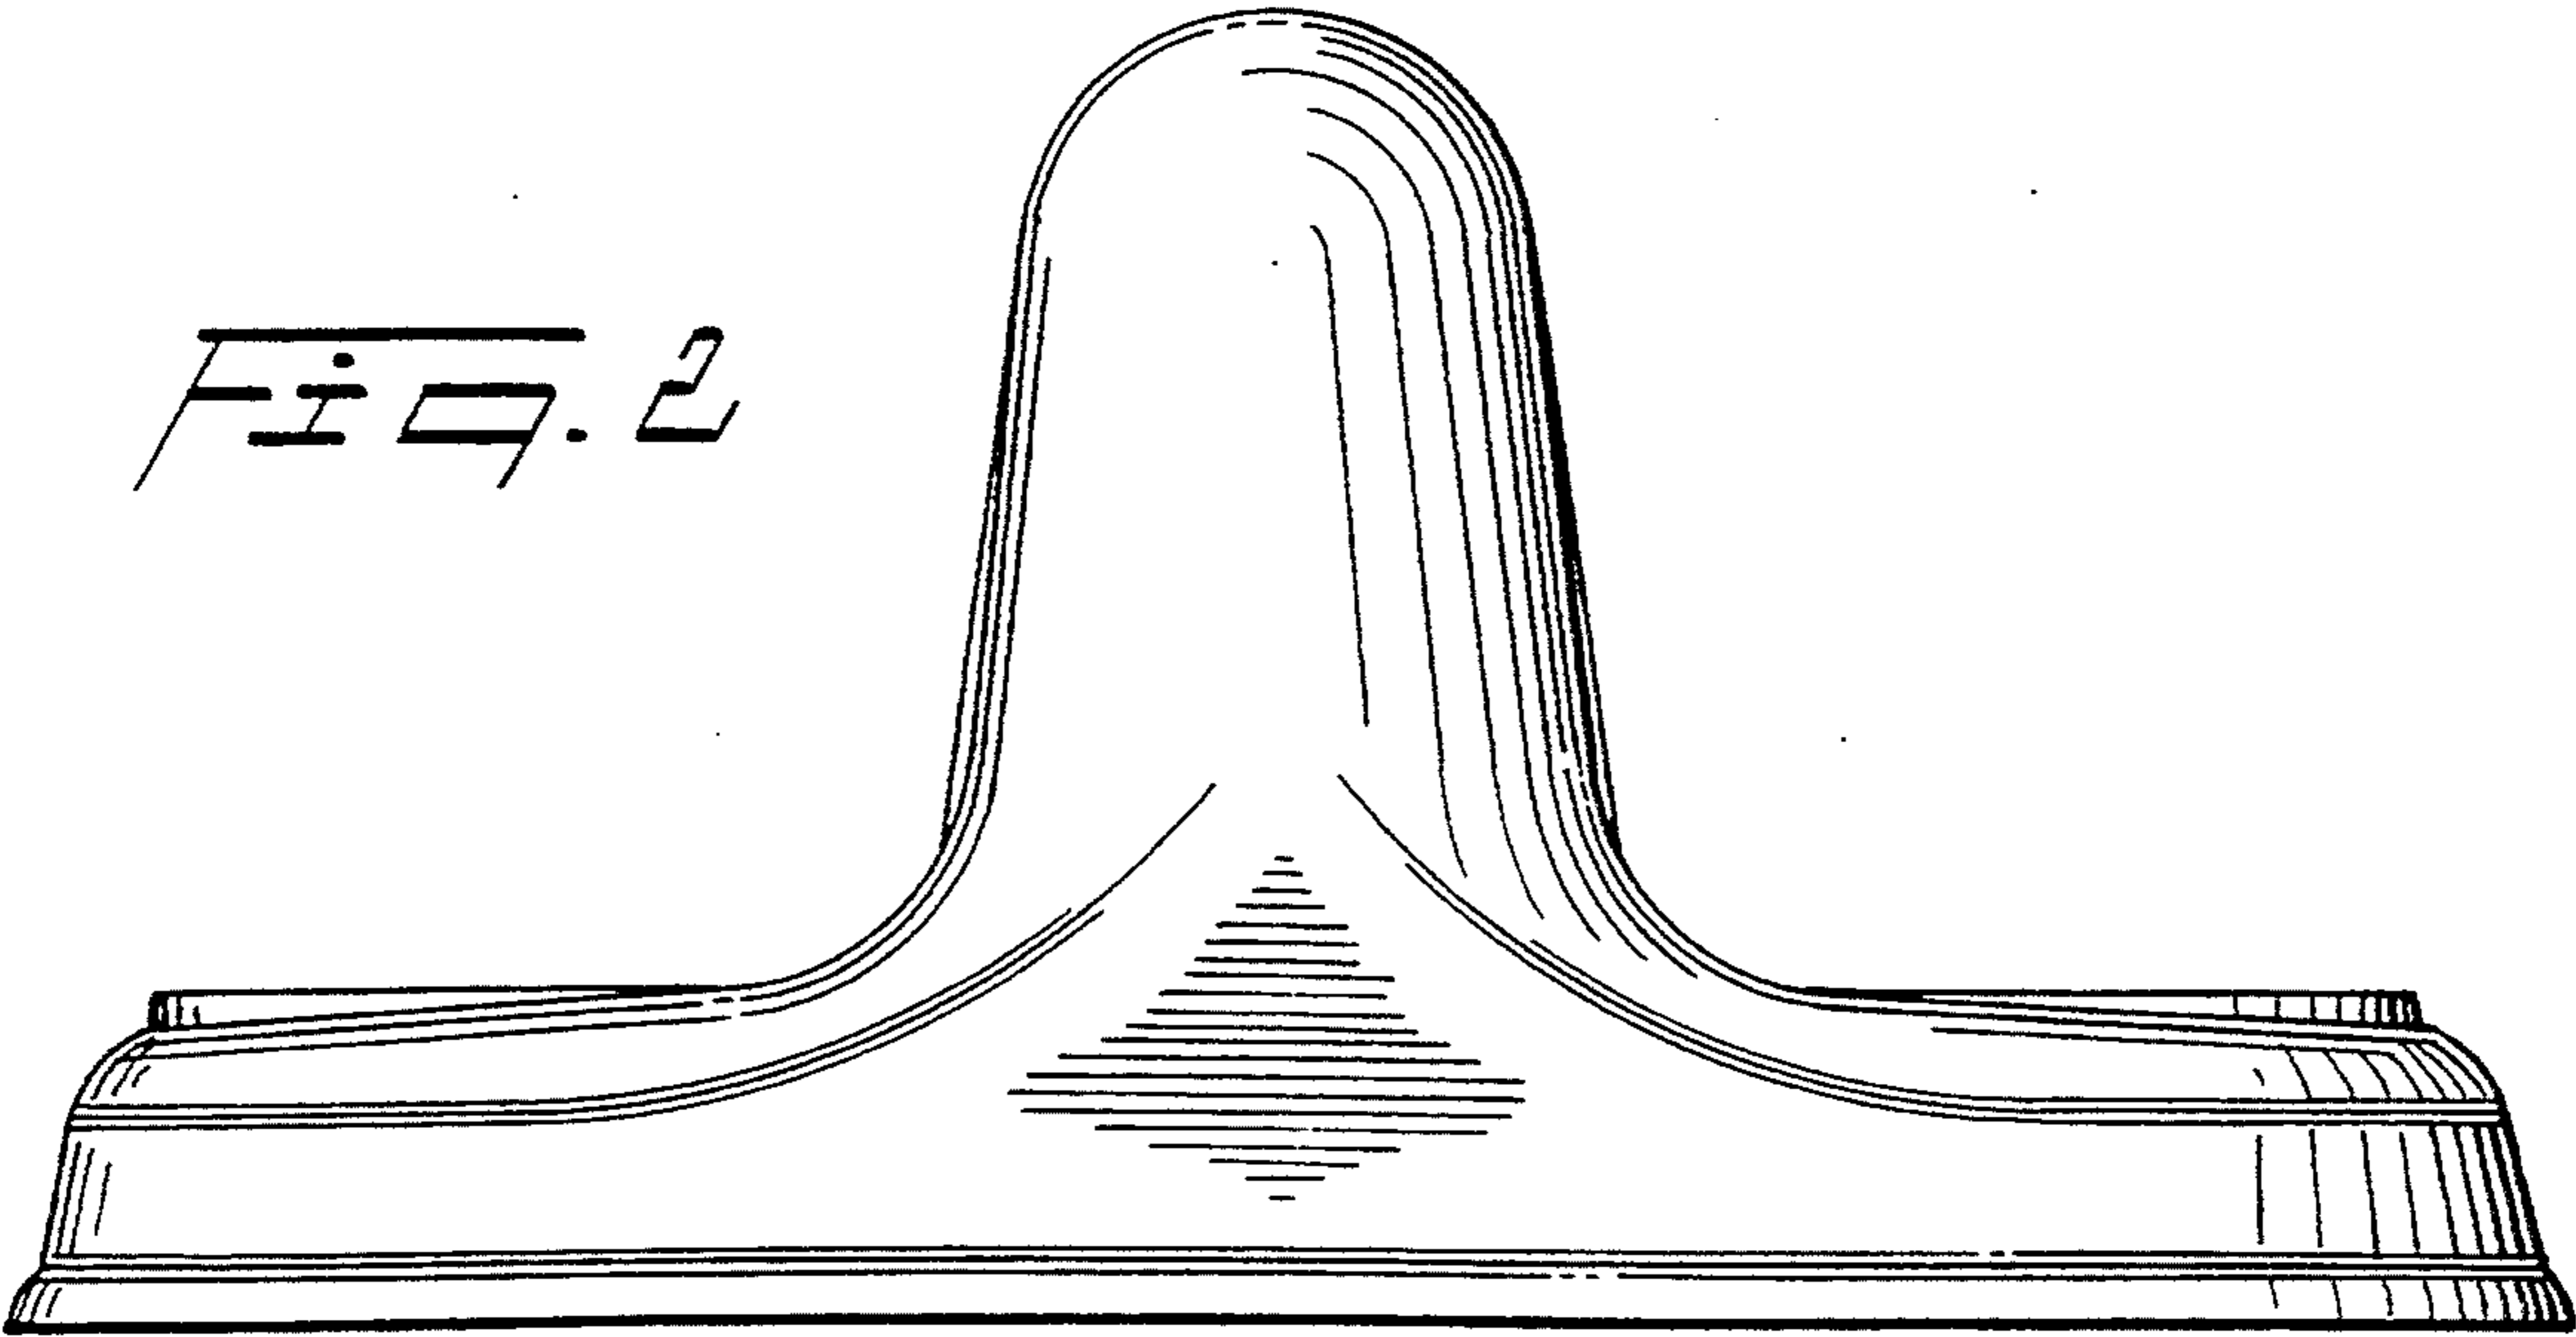

FIG. 1 is a front view of our new design of a faucet body;  
 FIG. 2 is a rear view of our new design of the faucet body;  
 FIG. 3 is a top view of our new design of the faucet body;  
 FIG. 4 is a bottom view of our new design of the faucet body;  
 FIG. 5 is a right side view of our new design of the faucet body, a left side view of our new design of the faucet body being a mirror image of the right side view thereof; and,  
 FIG. 6 is a perspective view of our new design of the faucet body.  
 The broken line representation of knobs and an aerator in FIGS. 1 and 6 are for the purposes of illustration only and form no part of the claimed design.
