[57] **CLAIM**

The ornamental design for a two step IV fluid flow control clamp, as shown and described.

DESCRIPTION

FIG. **1** is a top left front perspective view of a two step IV fluid flow control clamp showing our new design, with the slide clamp in withdrawn position to obstruct an IV tube;
FIG. **2** is a bottom right front perspective view thereof;
FIG. **3** is a top right rear perspective view thereof;
FIG. **4** is a bottom left rear perspective view thereof;
FIG. **5** is a top left front perspective view of a two step IV fluid flow control clamp showing our new design, with the slide clamp in inserted position to unobstruct an IV tube;
FIG. **6** is a bottom right front perspective view thereof;
FIG. **7** is a top right rear perspective view thereof;
FIG. **8** is a bottom left rear perspective view thereof;
FIG. **9** is a front elevational view thereof; and,
FIG. **10** is a rear elevational view thereof.
