[57] CLAIM

The ornamental design for an I.V. needle insertion guide, as shown and described.

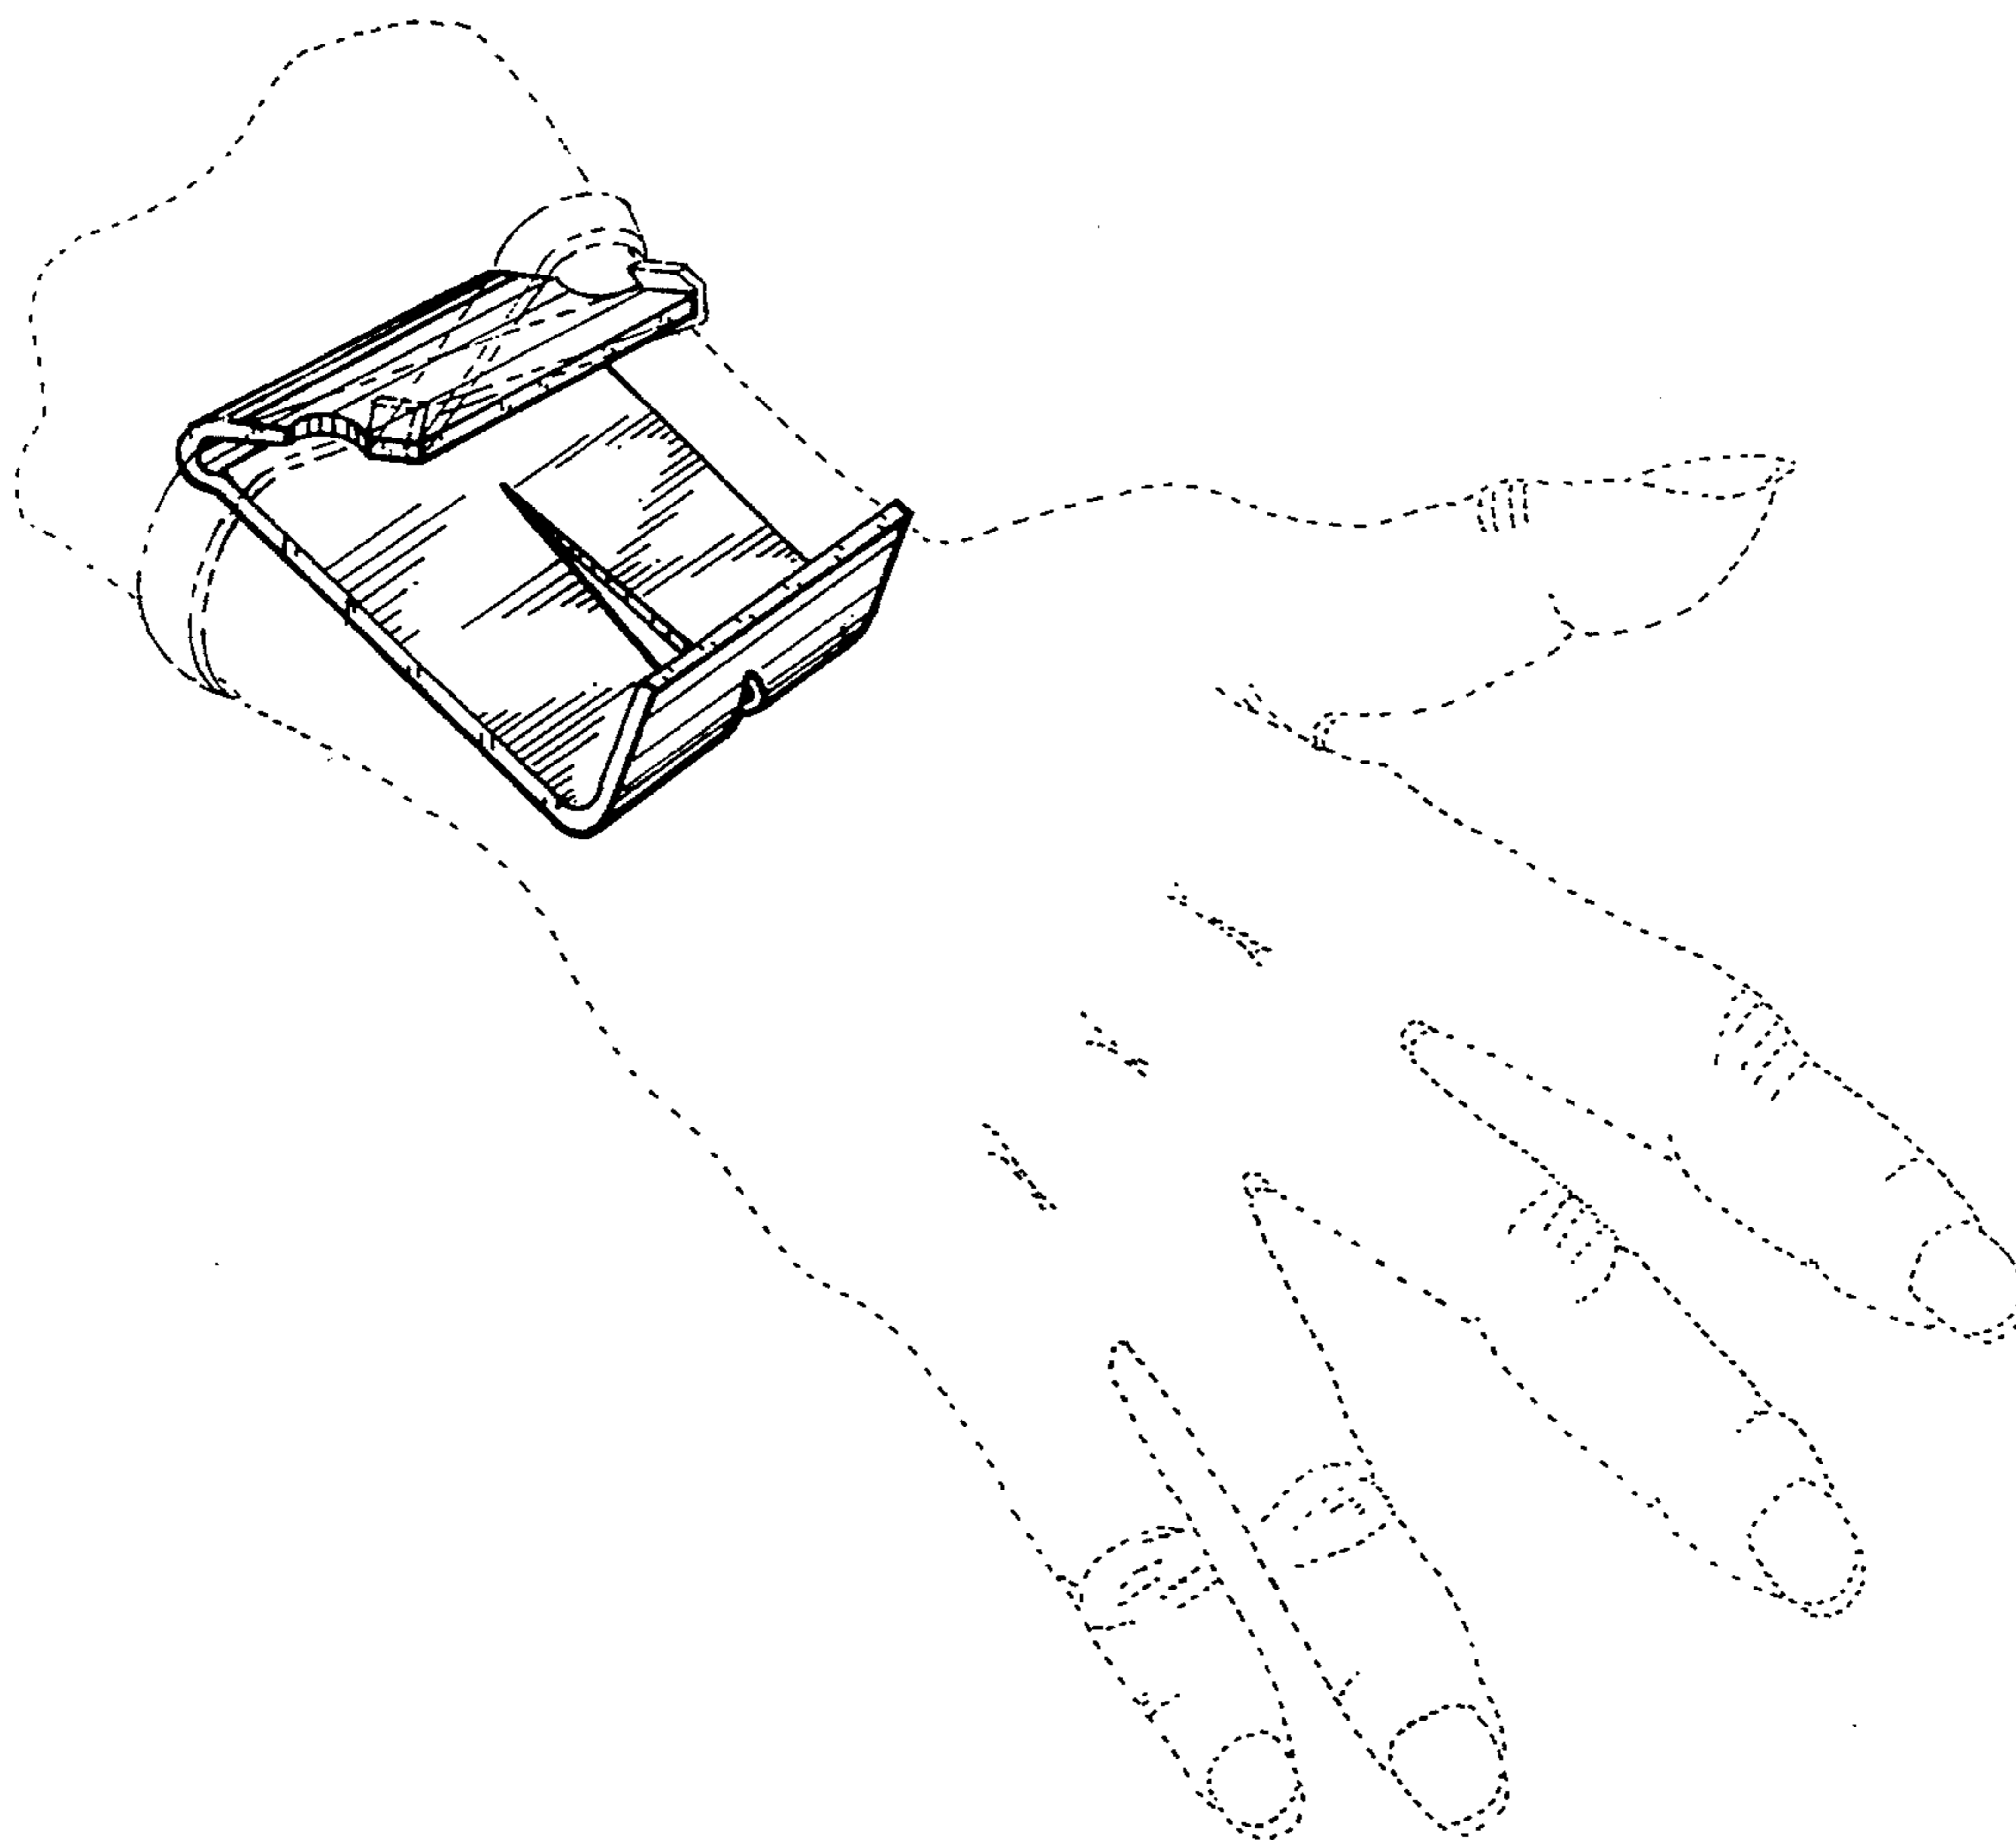

DESCRIPTION

FIG. 1 is an environmental perspective view of an I.V. needle insertion guide showing my new design; FIG. 2 is a front elevational view thereof; FIG. 3 is a rear elevational view thereof; FIG. 4 is a top plan view thereof; FIG. 5 is a left side elevational view thereof, with the right side being a mirror image; and, FIG. 6 is a bottom plan view thereof. The broken line showing in FIG. 1 of a hand and tourniquet band is for illustrative purposes only and forms no part of the claimed design.
