[57] **CLAIM**

The ornamental design for a combined shower curtain and support elements, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of a combined shower curtain and support elements with one strap in an unfastened position, showing my new design; and, FIG. 2 is a left side elevational view with the right side being a mirror image thereof. The broken line showing of a bathing area in FIG. 1 and a curtain rod in all of the Figures is for illustrative purposes only and forms no part of the claimed invention. The curtain is shown broken away in FIG. 1 to indicate its indeterminate width.

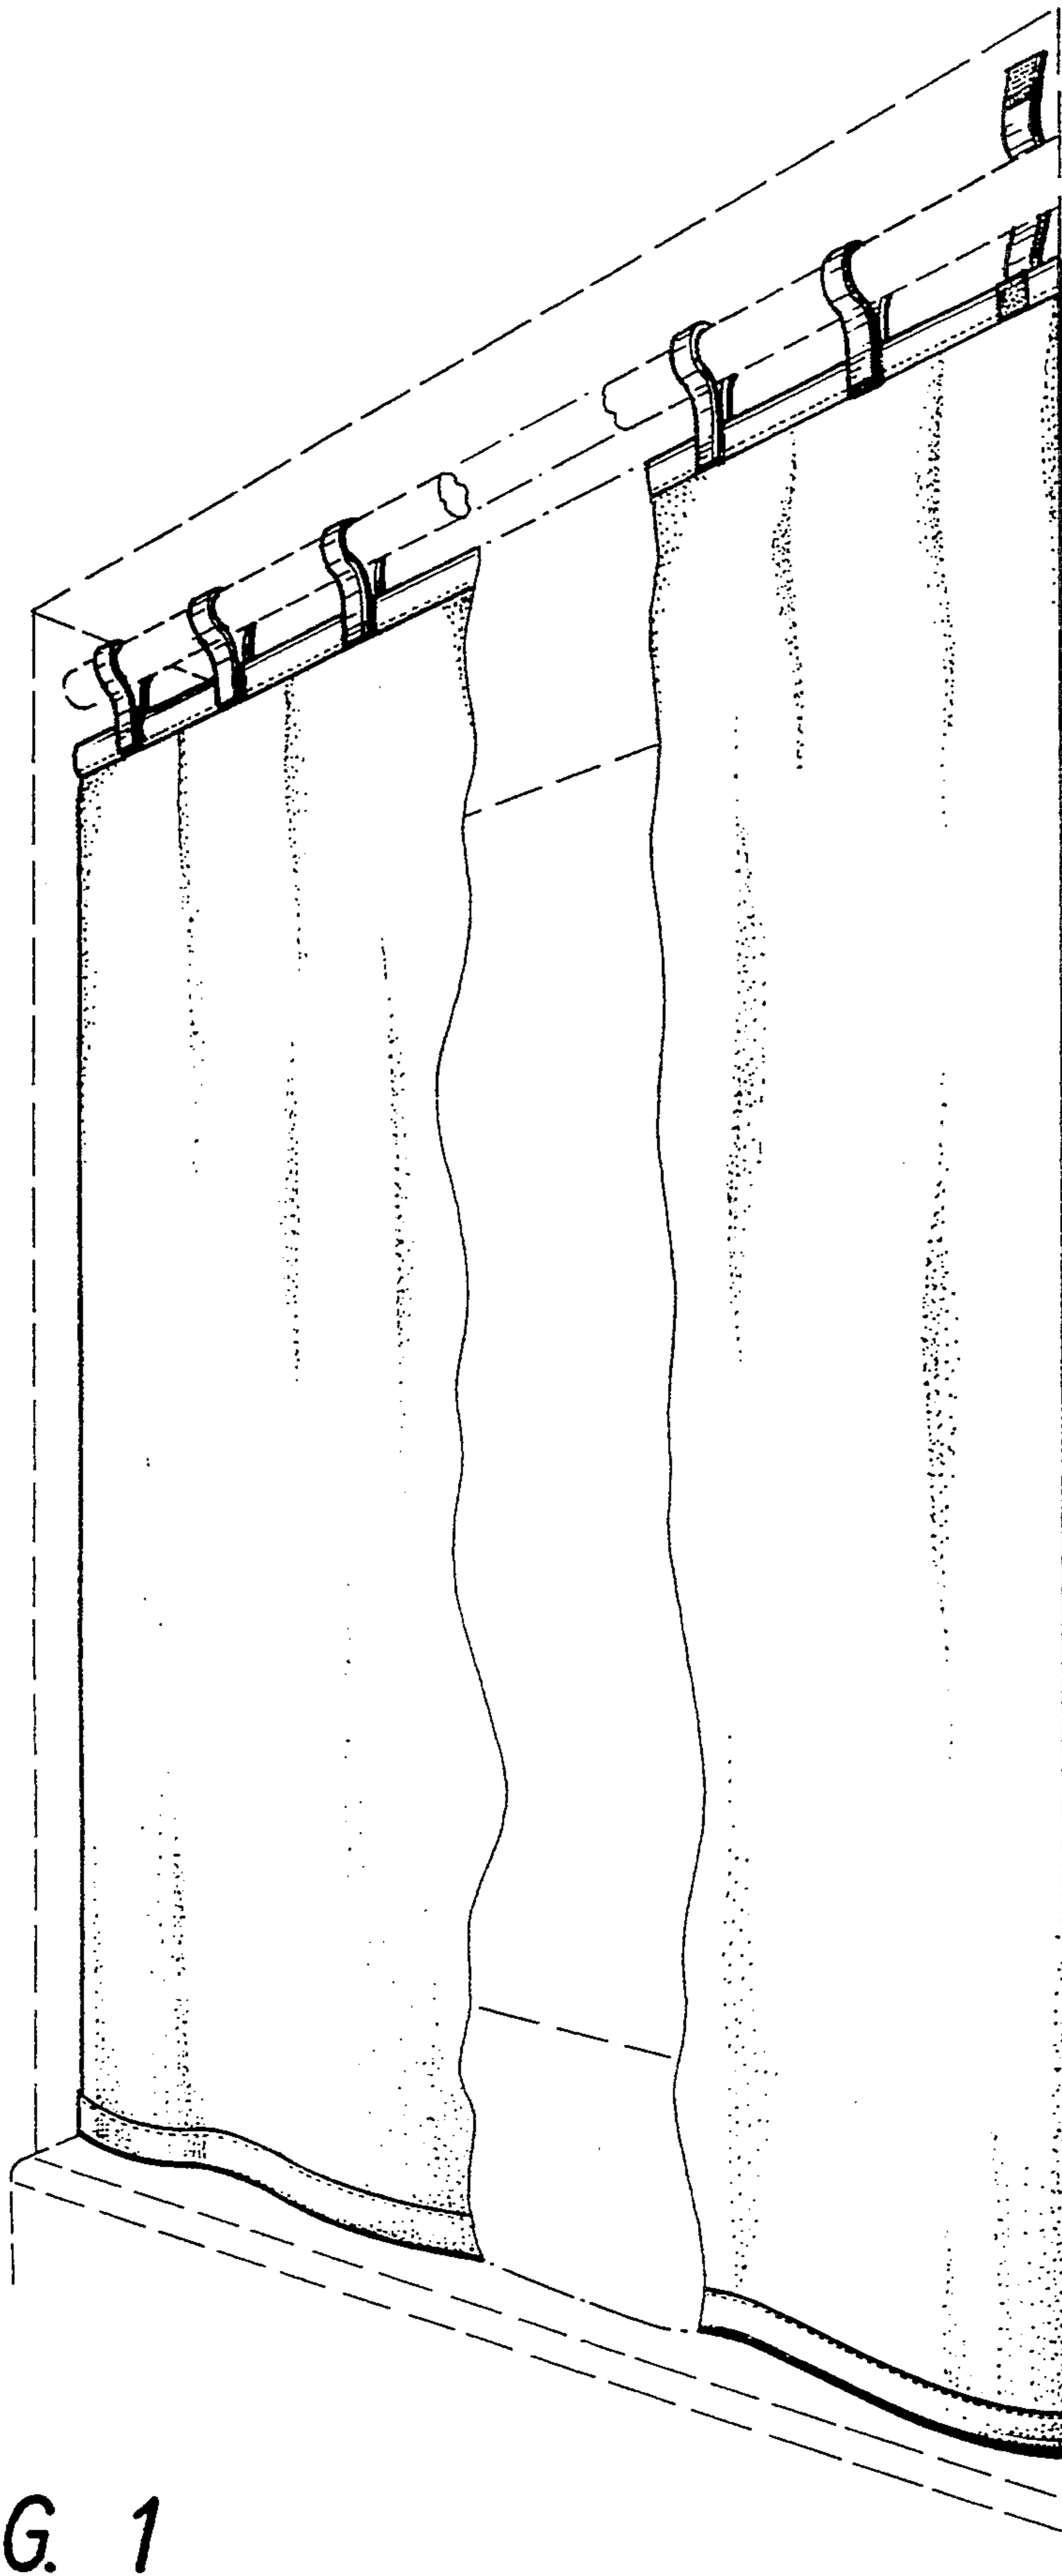

FIG. 1

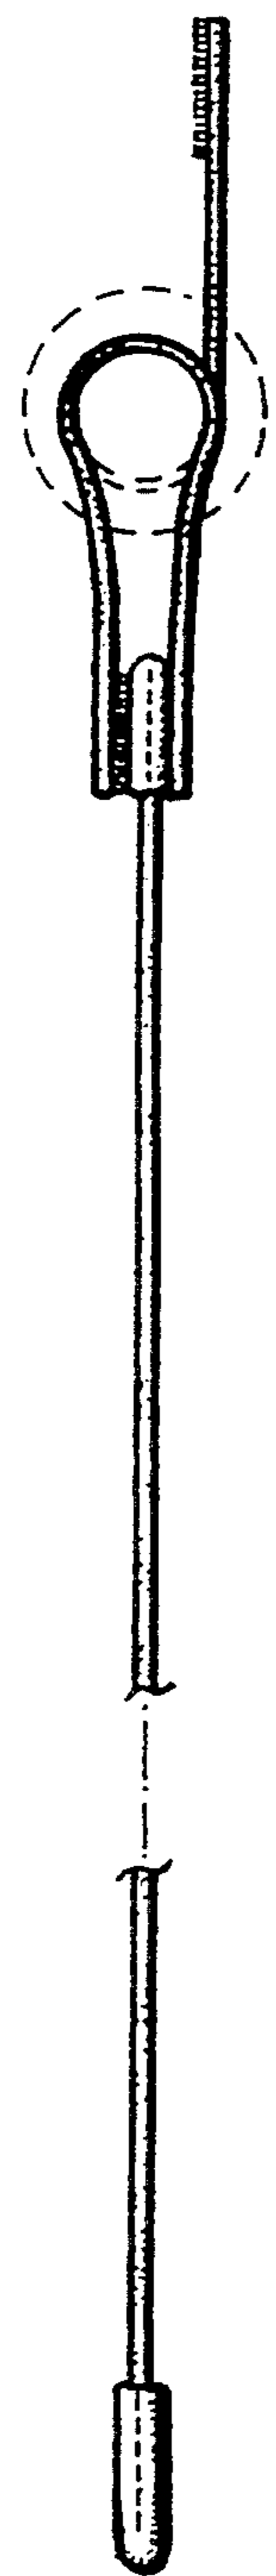

FIG. 2
