[57] CLAIM

The ornamental design for a greenware seam finishing tool, as shown and described.

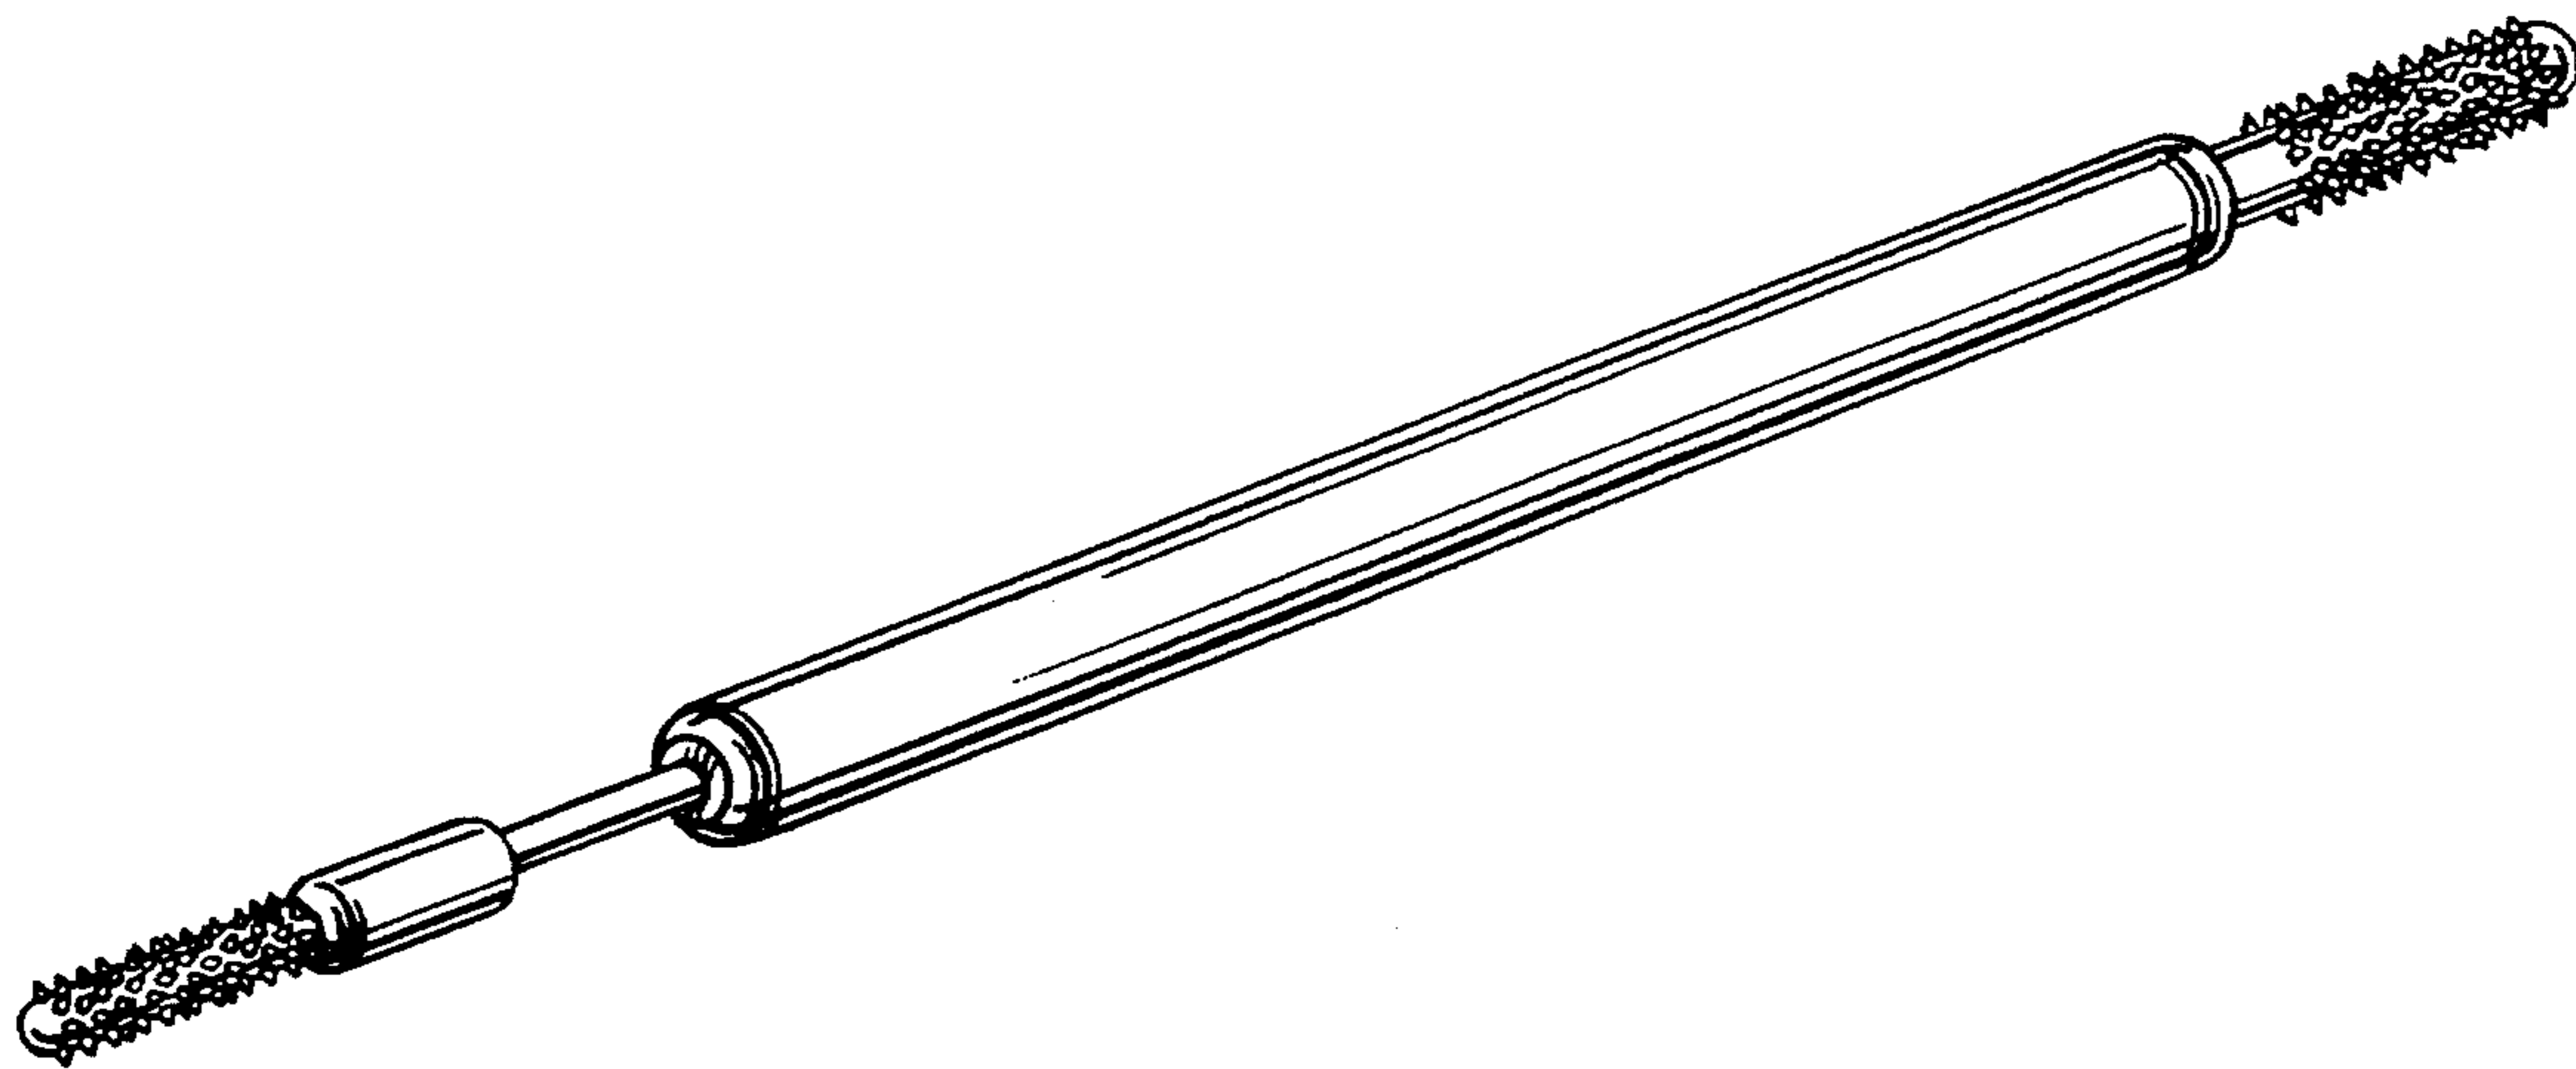

DESCRIPTION

FIG. 1 is a perspective view of a greenware seam finishing tool showing our new design;
 FIG. 2 is a side elevational view with the center shaft in an alternate position, all side elevational views being identical;
 FIG. 3 is an enlarged right end elevational view thereof; and,
 FIG. 4 is an enlarged left end elevational view thereof.
