[57] CLAIM

The ornamental design for a combined flag, mast and suction cup, as shown and described.

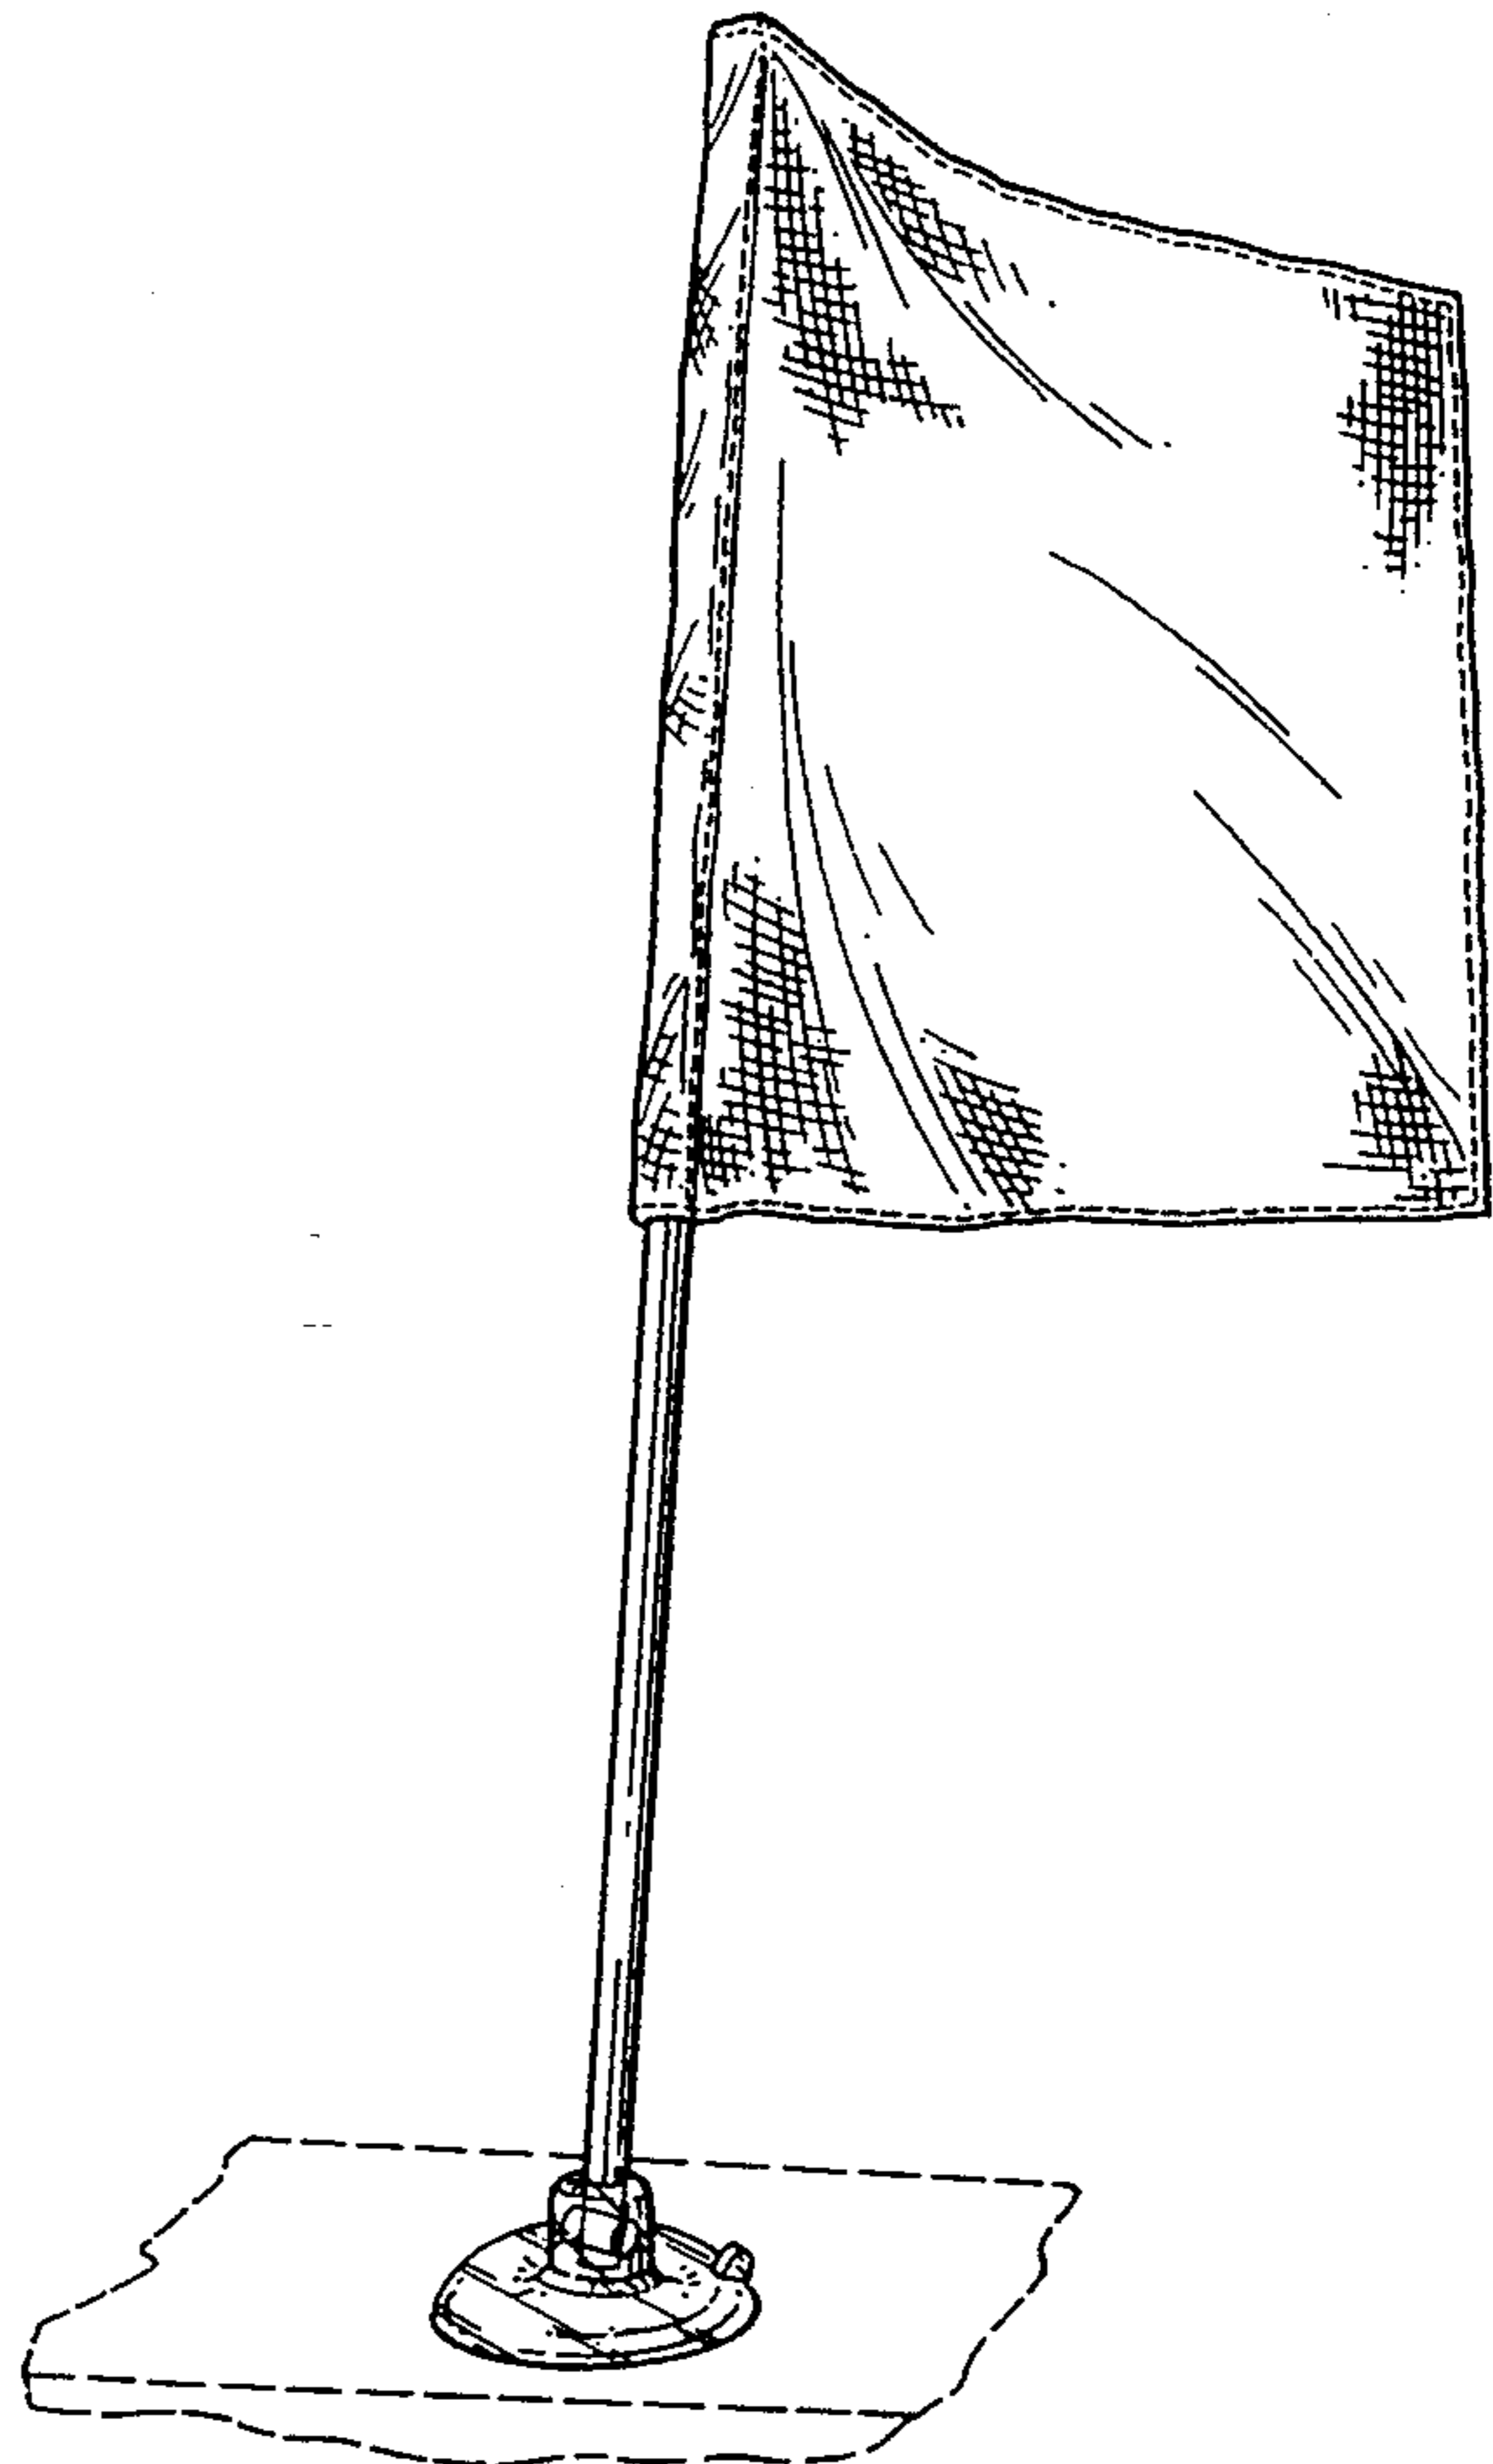

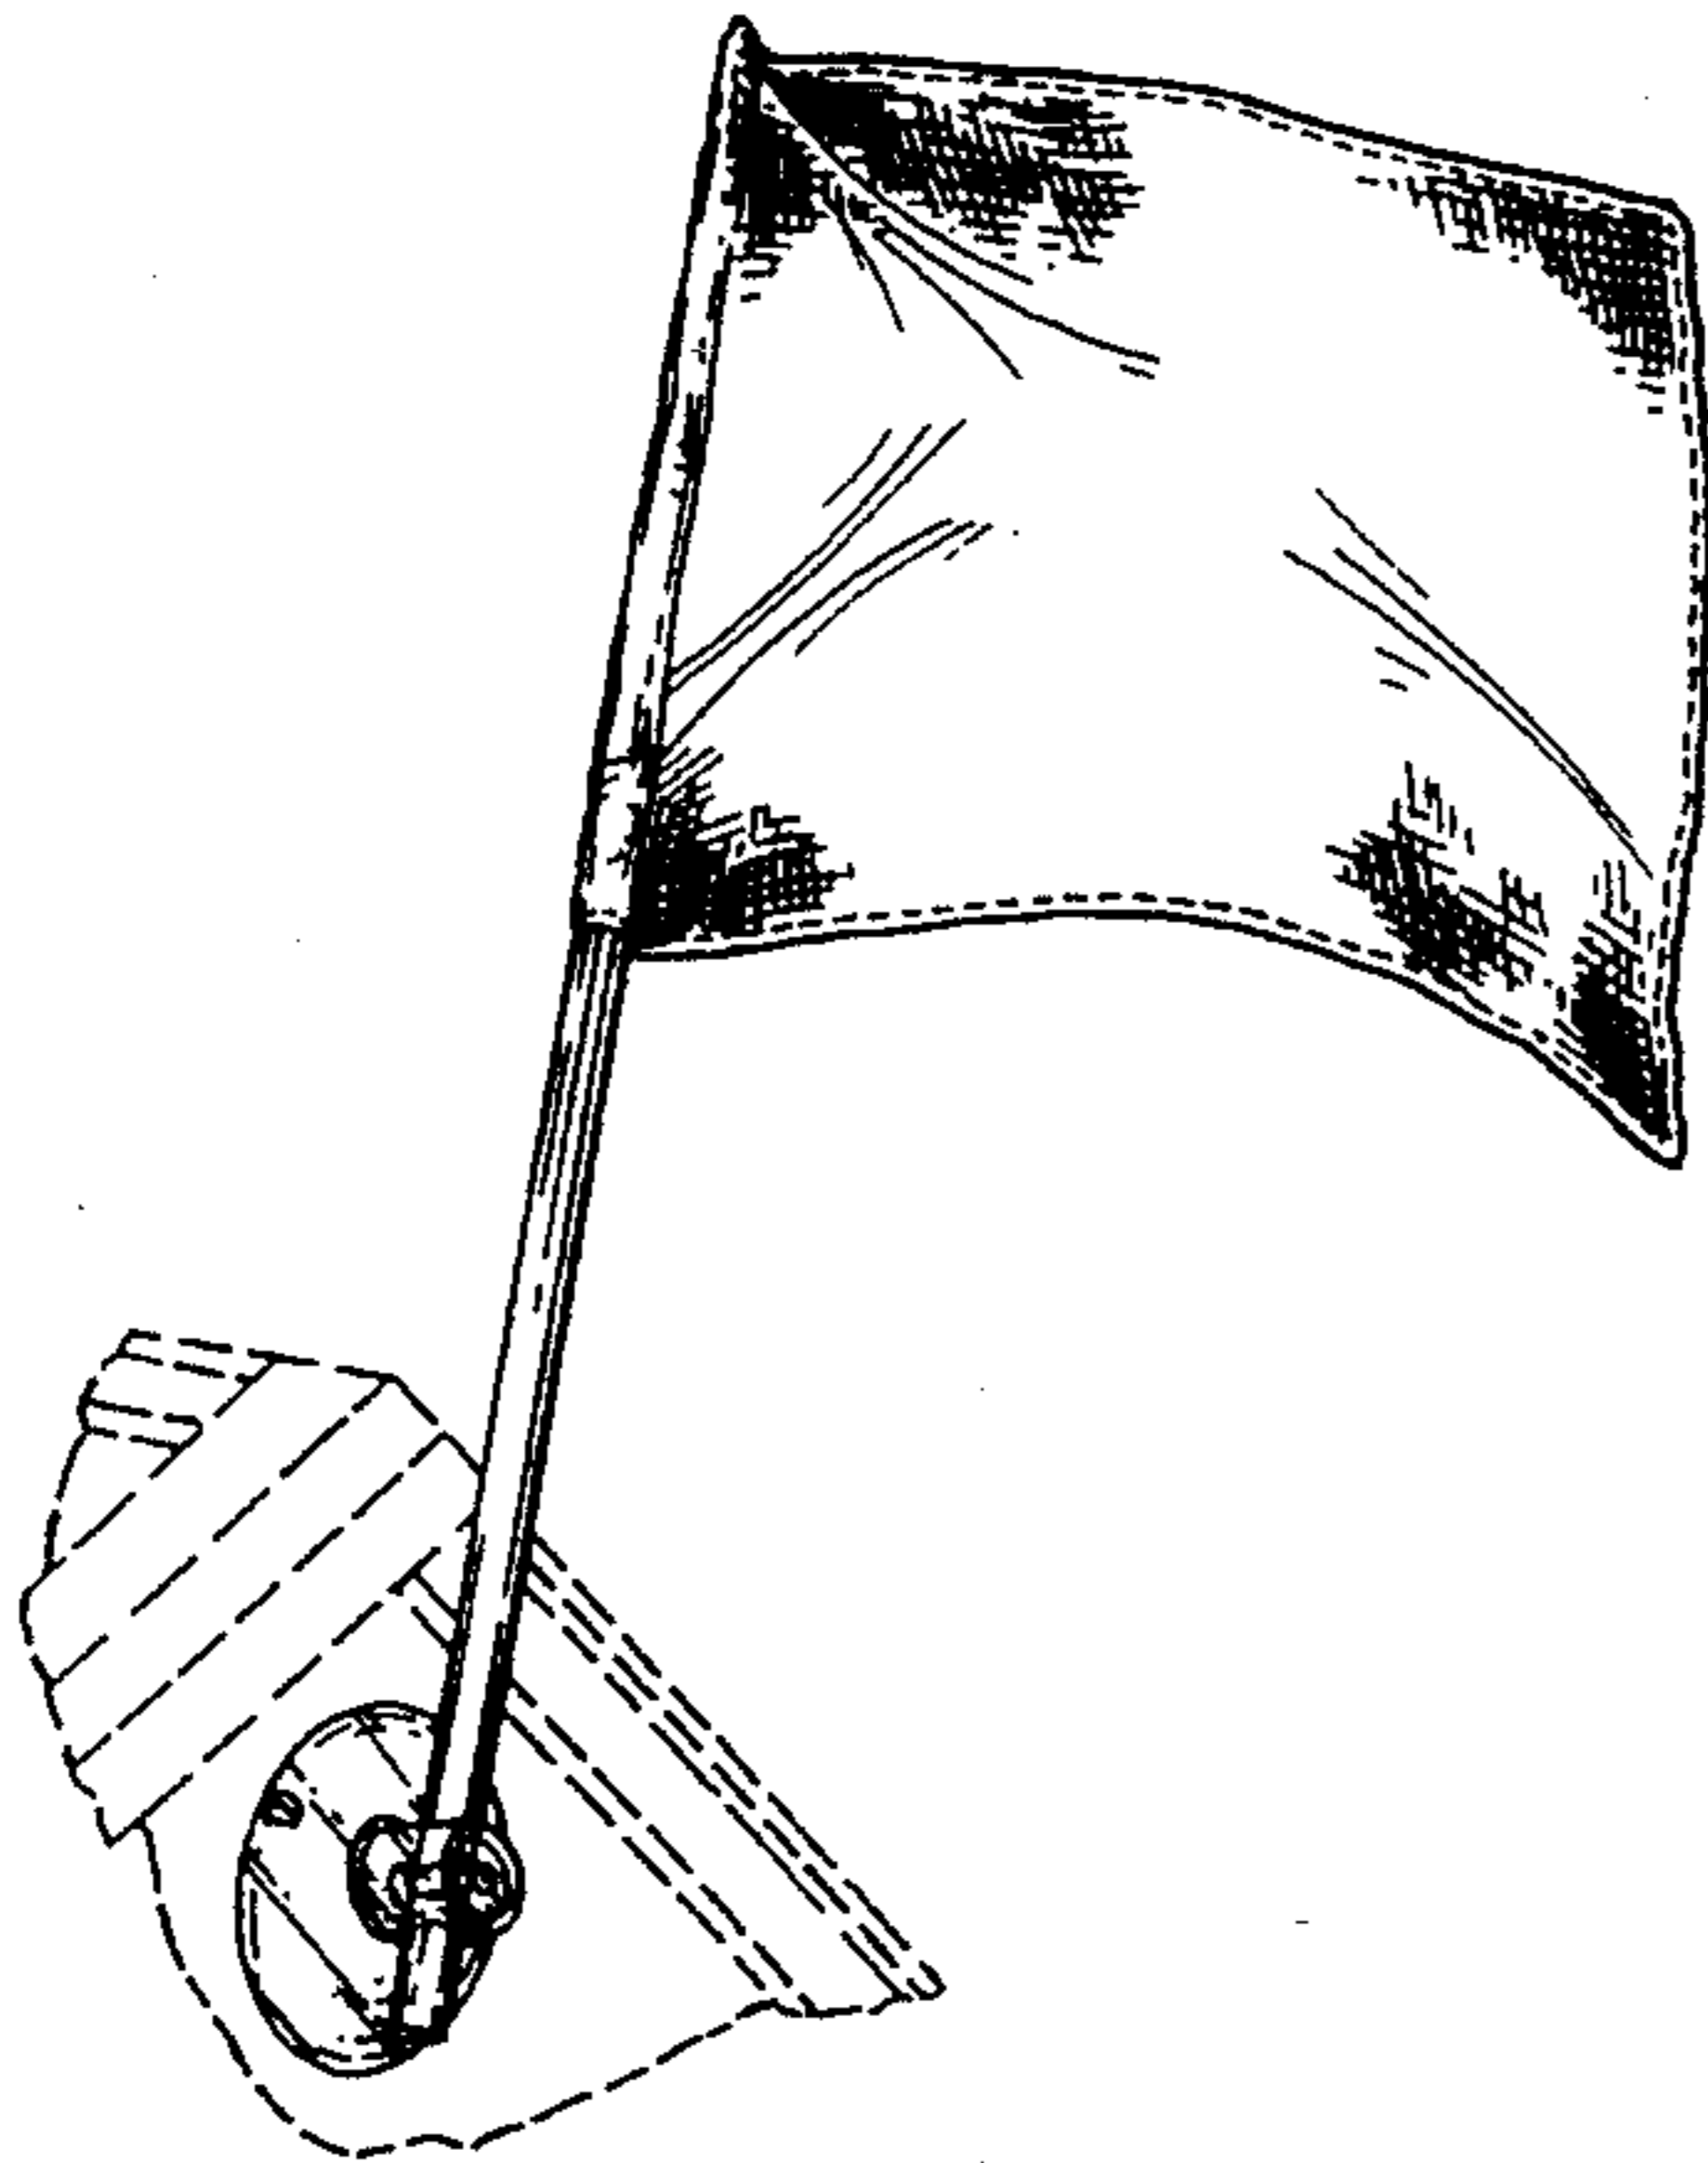

DESCRIPTION

FIG. 1 is a front perspective view of the combined flag, mast and suction cup according to my design. The broken lines showing a mounting surface are for environmental purposes only and form no part of the claimed design;

FIG. 2 is a front perspective view thereof;

FIG. 3 is a rear perspective view thereof; and,

FIG. 4 is a front perspective view of a second embodiment of FIG. 1, the difference residing in the position of the suction cup, the mounting surface shown in broken lines is for environmental purposes only.

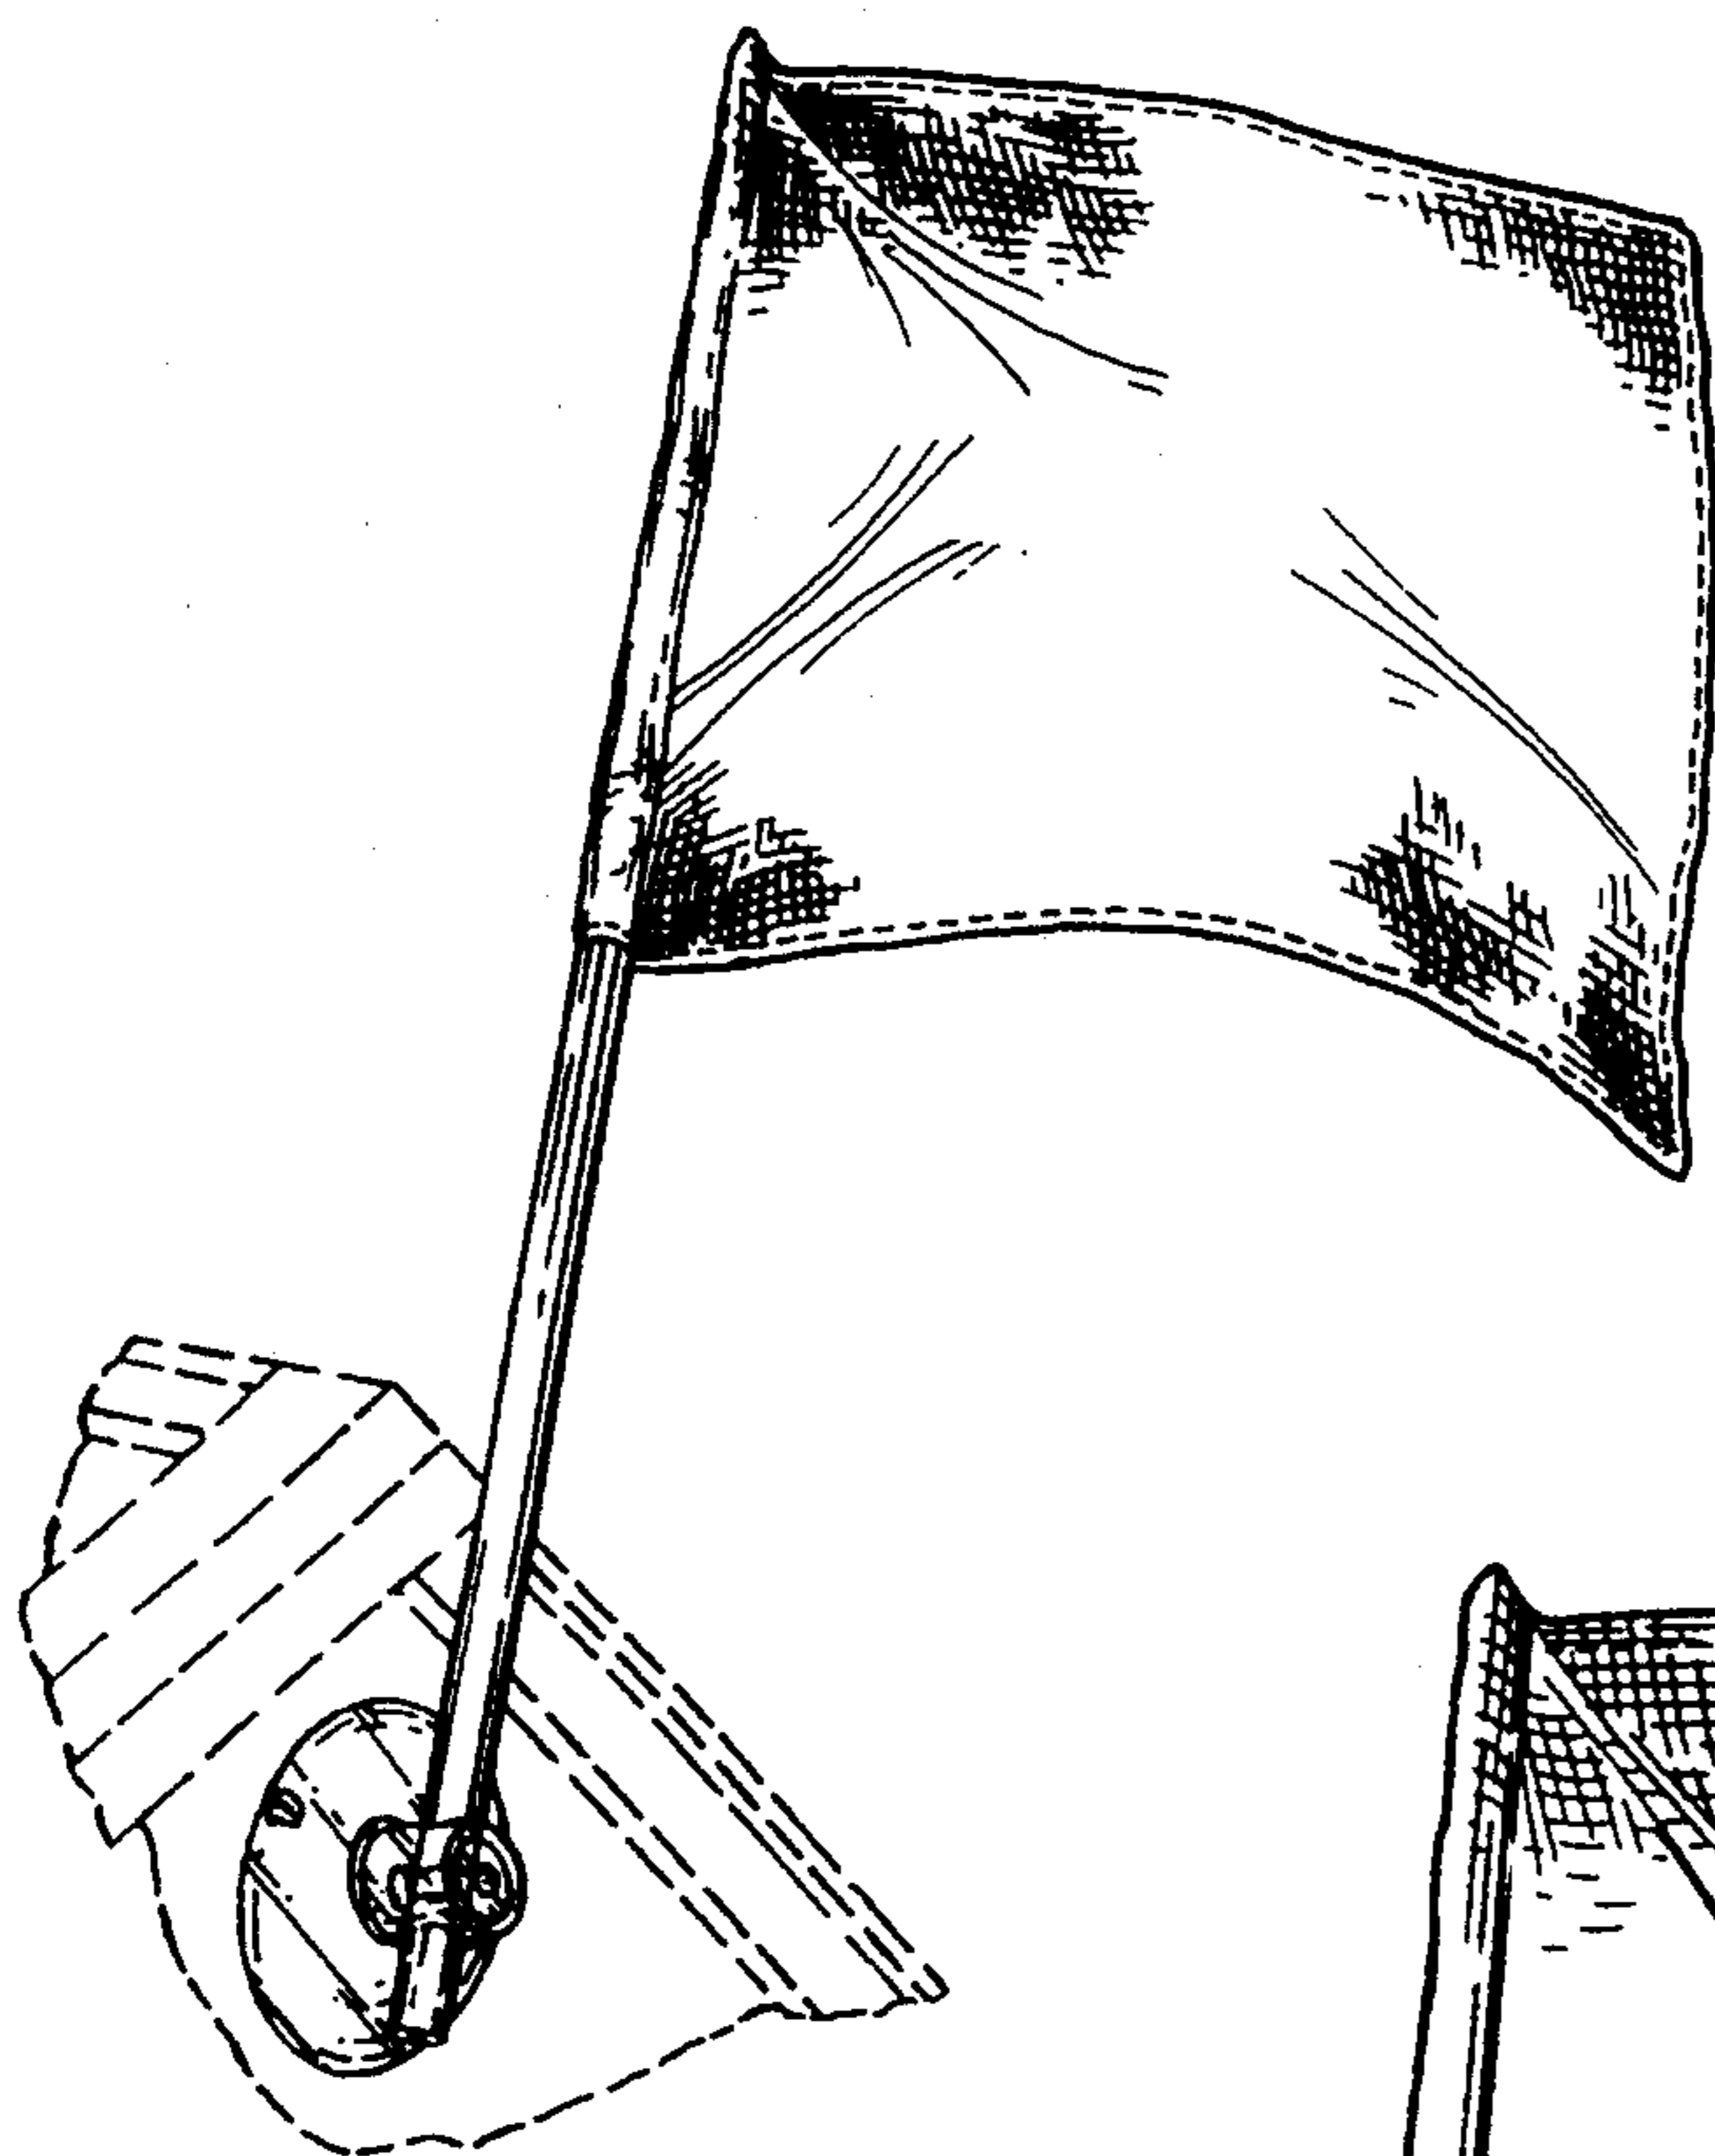

FIG. 1

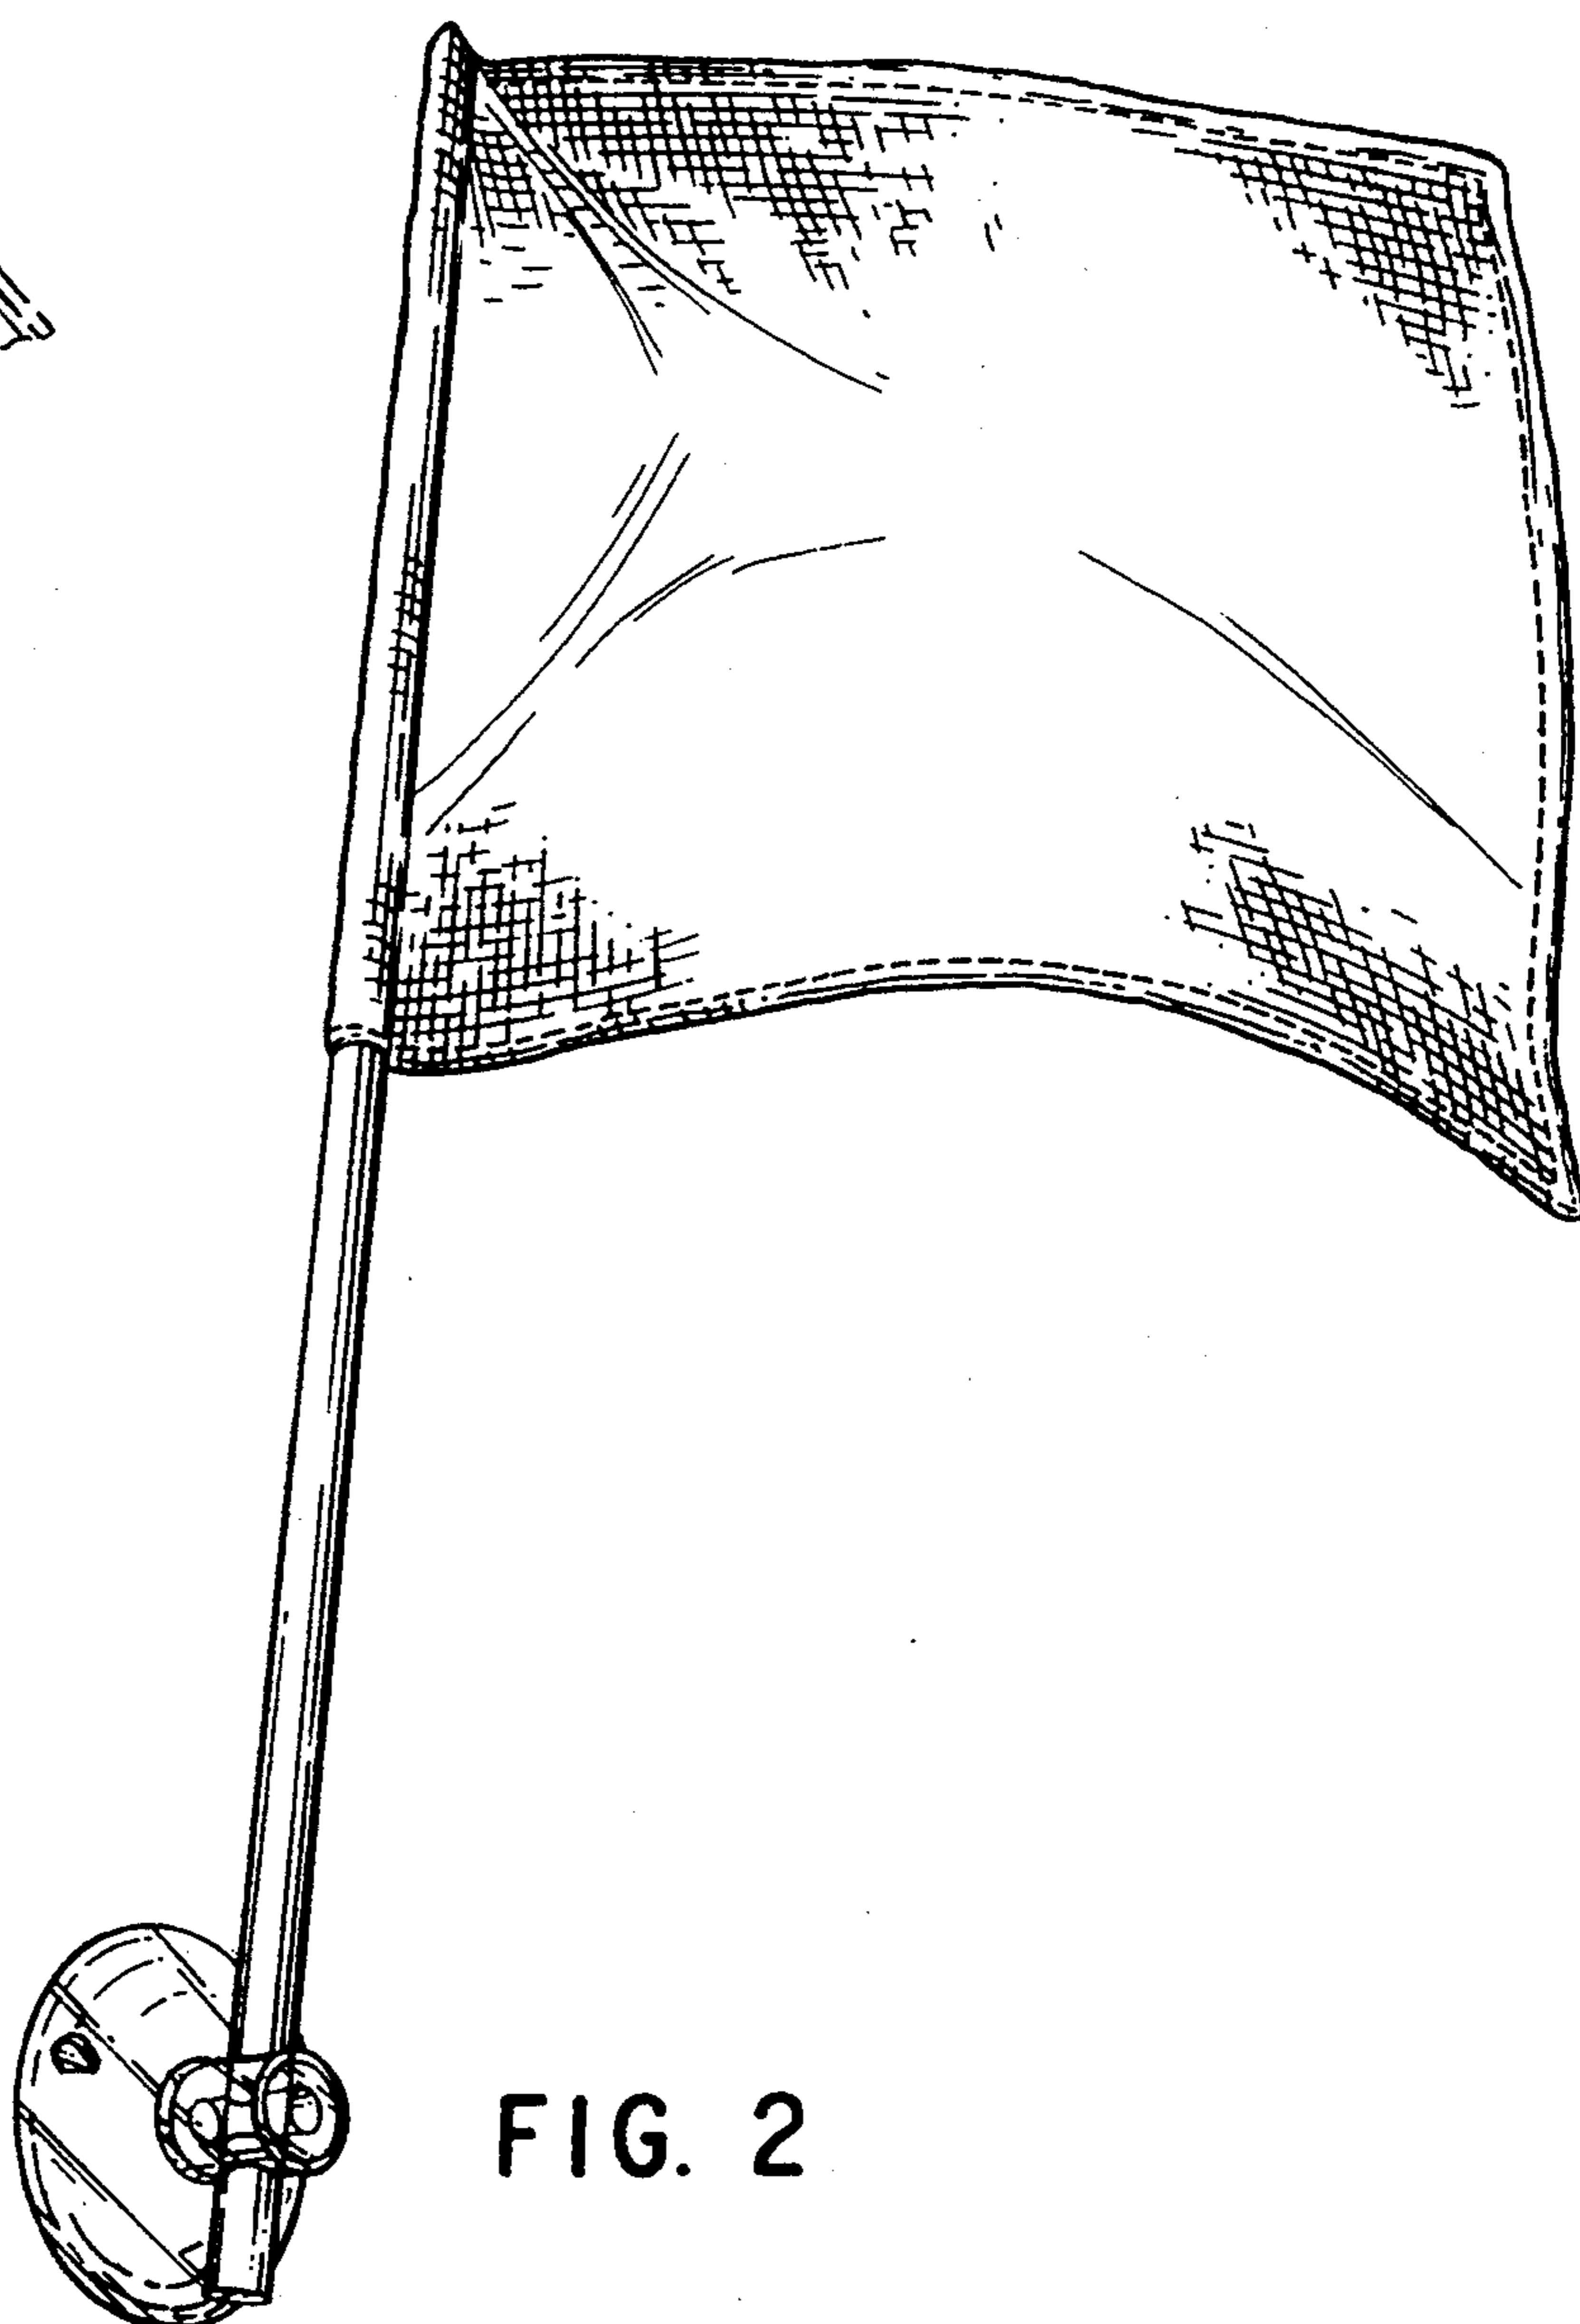

FIG. 2

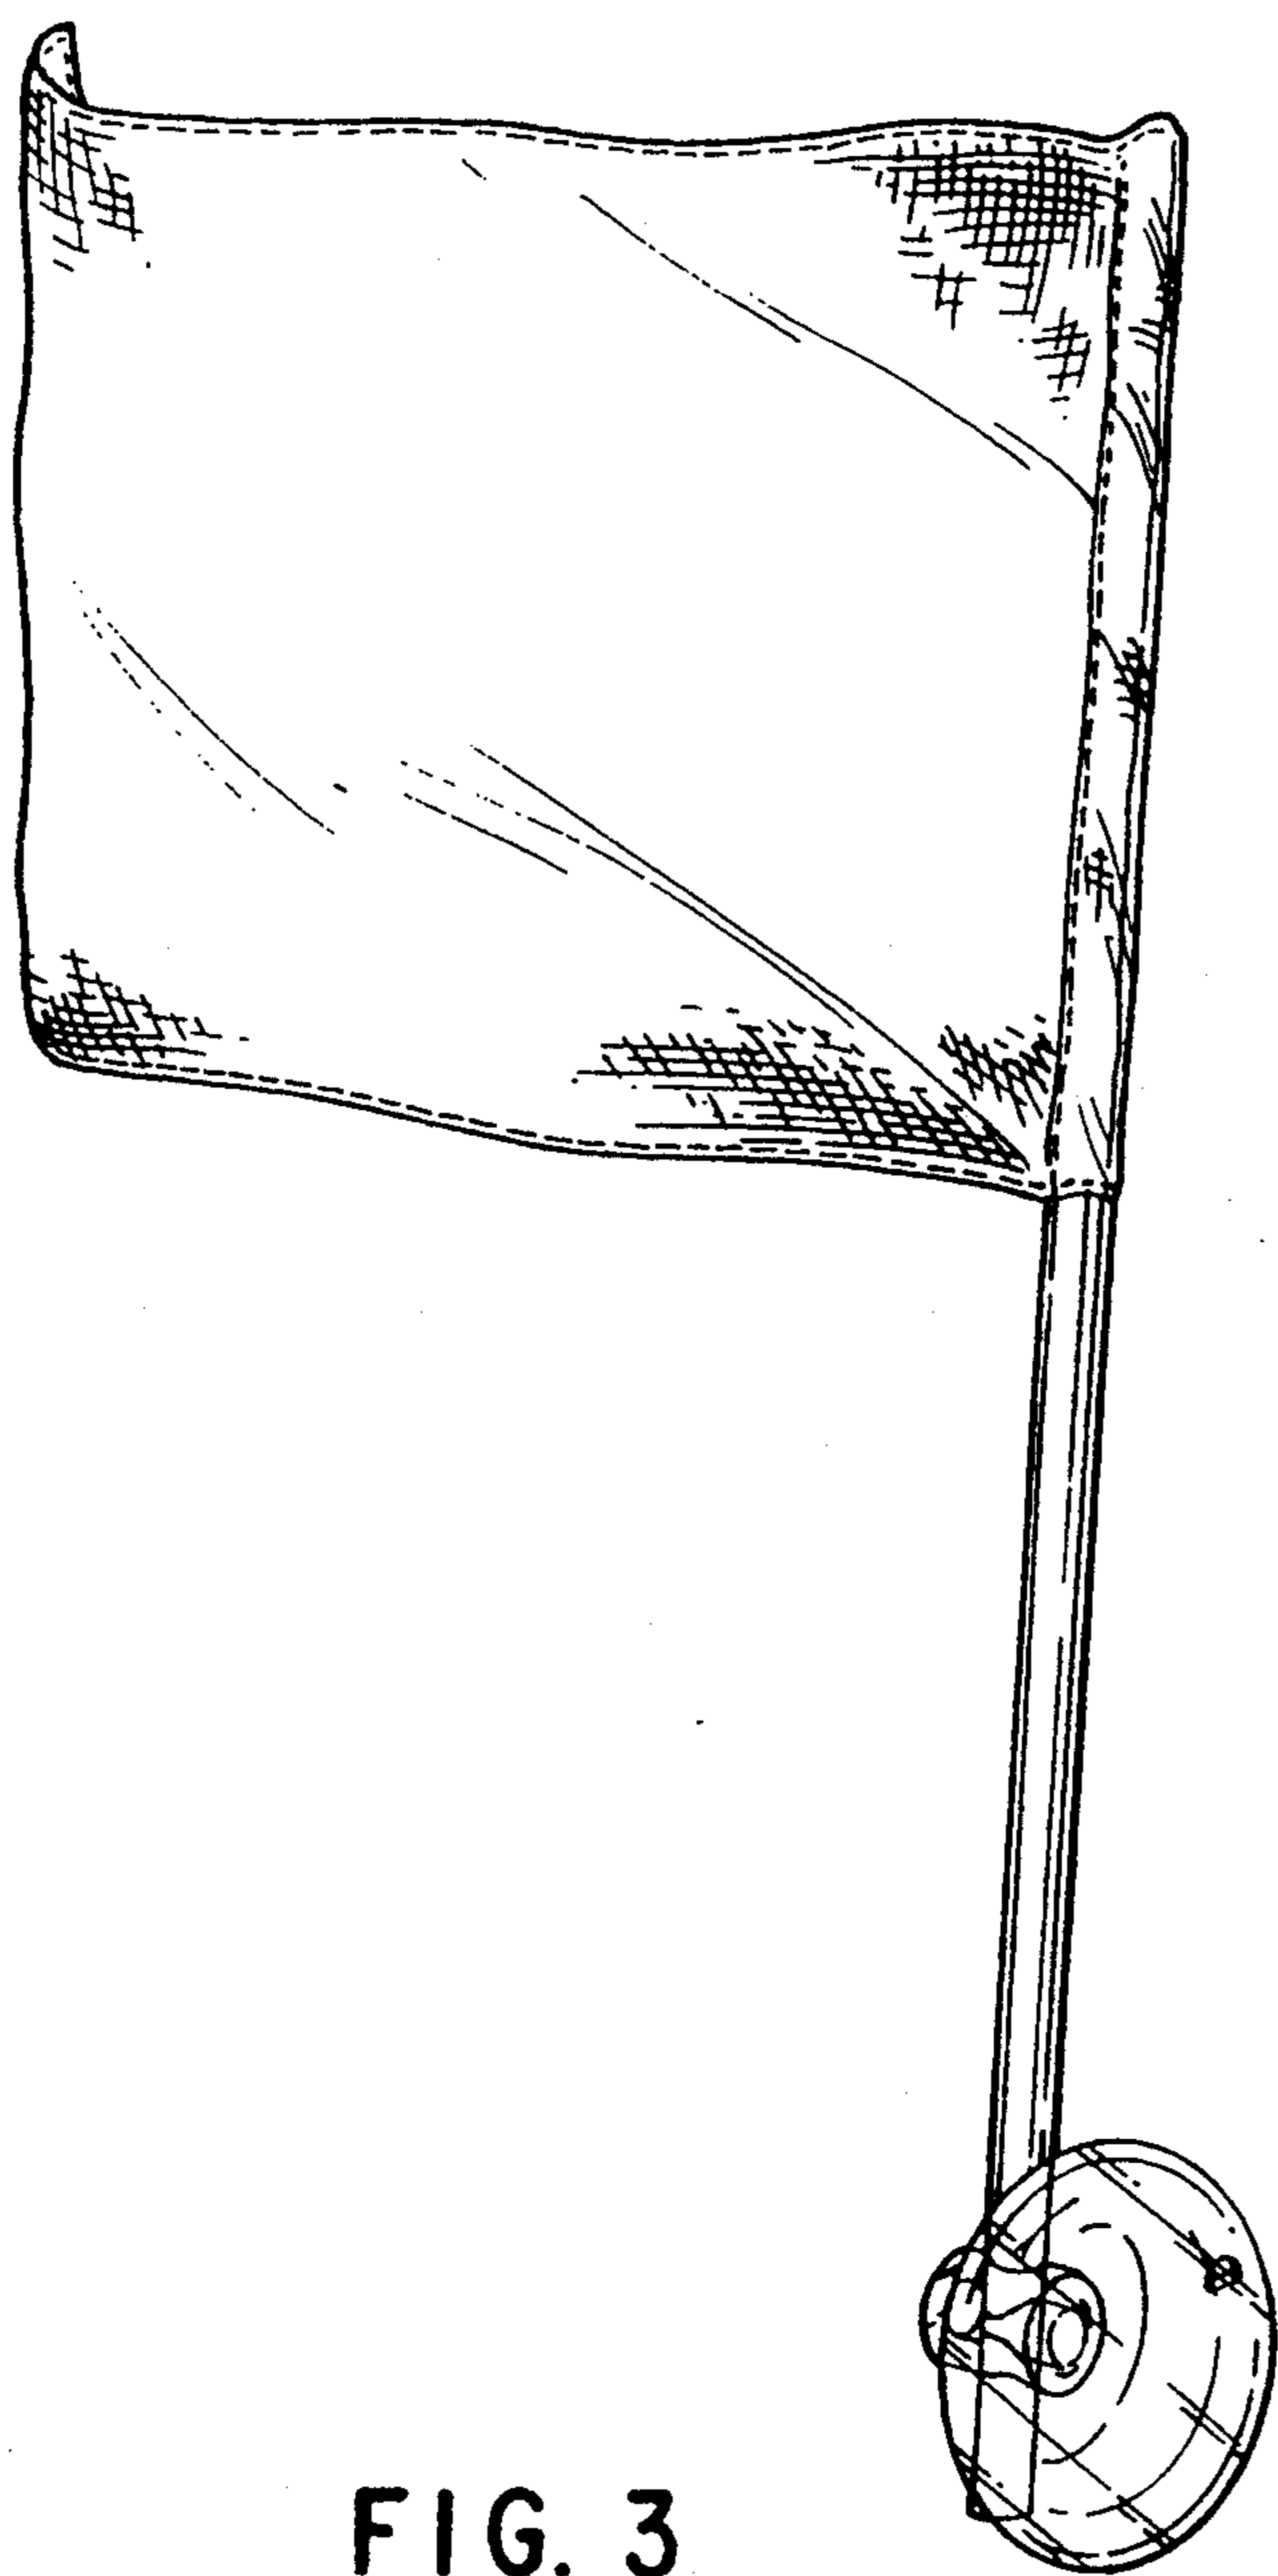

FIG. 3

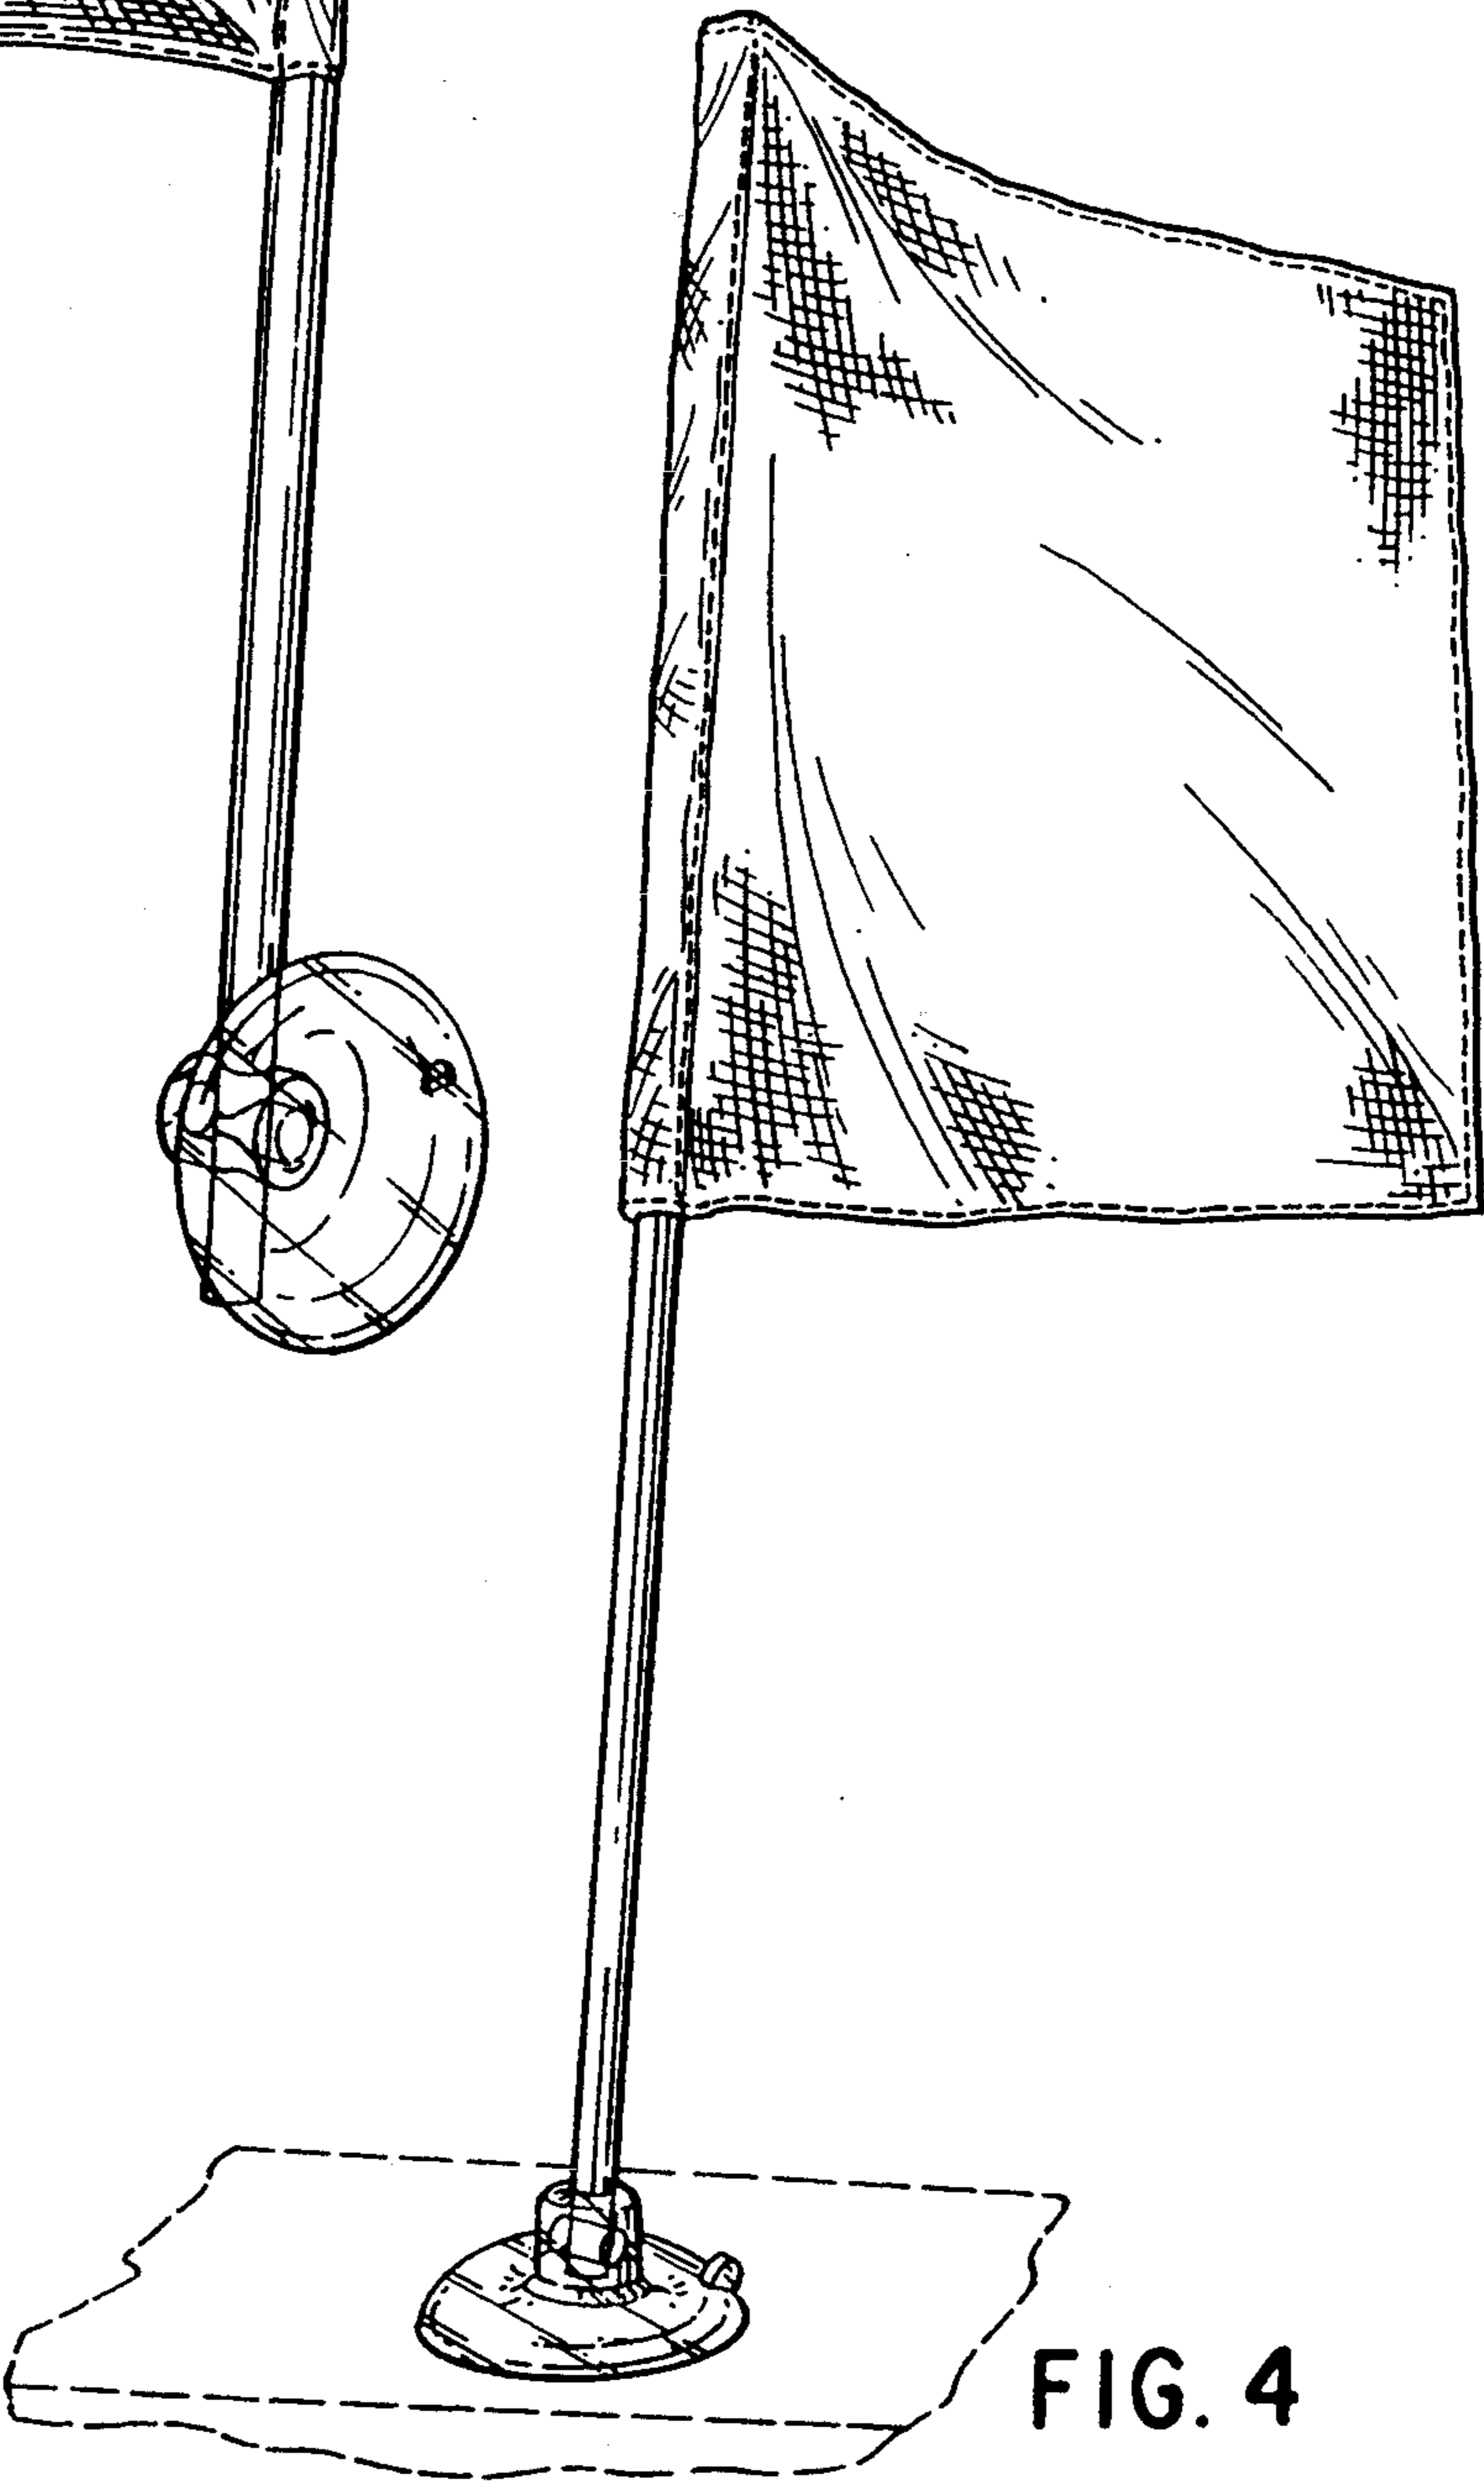

FIG. 4
