[57] CLAIM

The ornamental design for an infant snowsuit, as shown and described.

DESCRIPTION

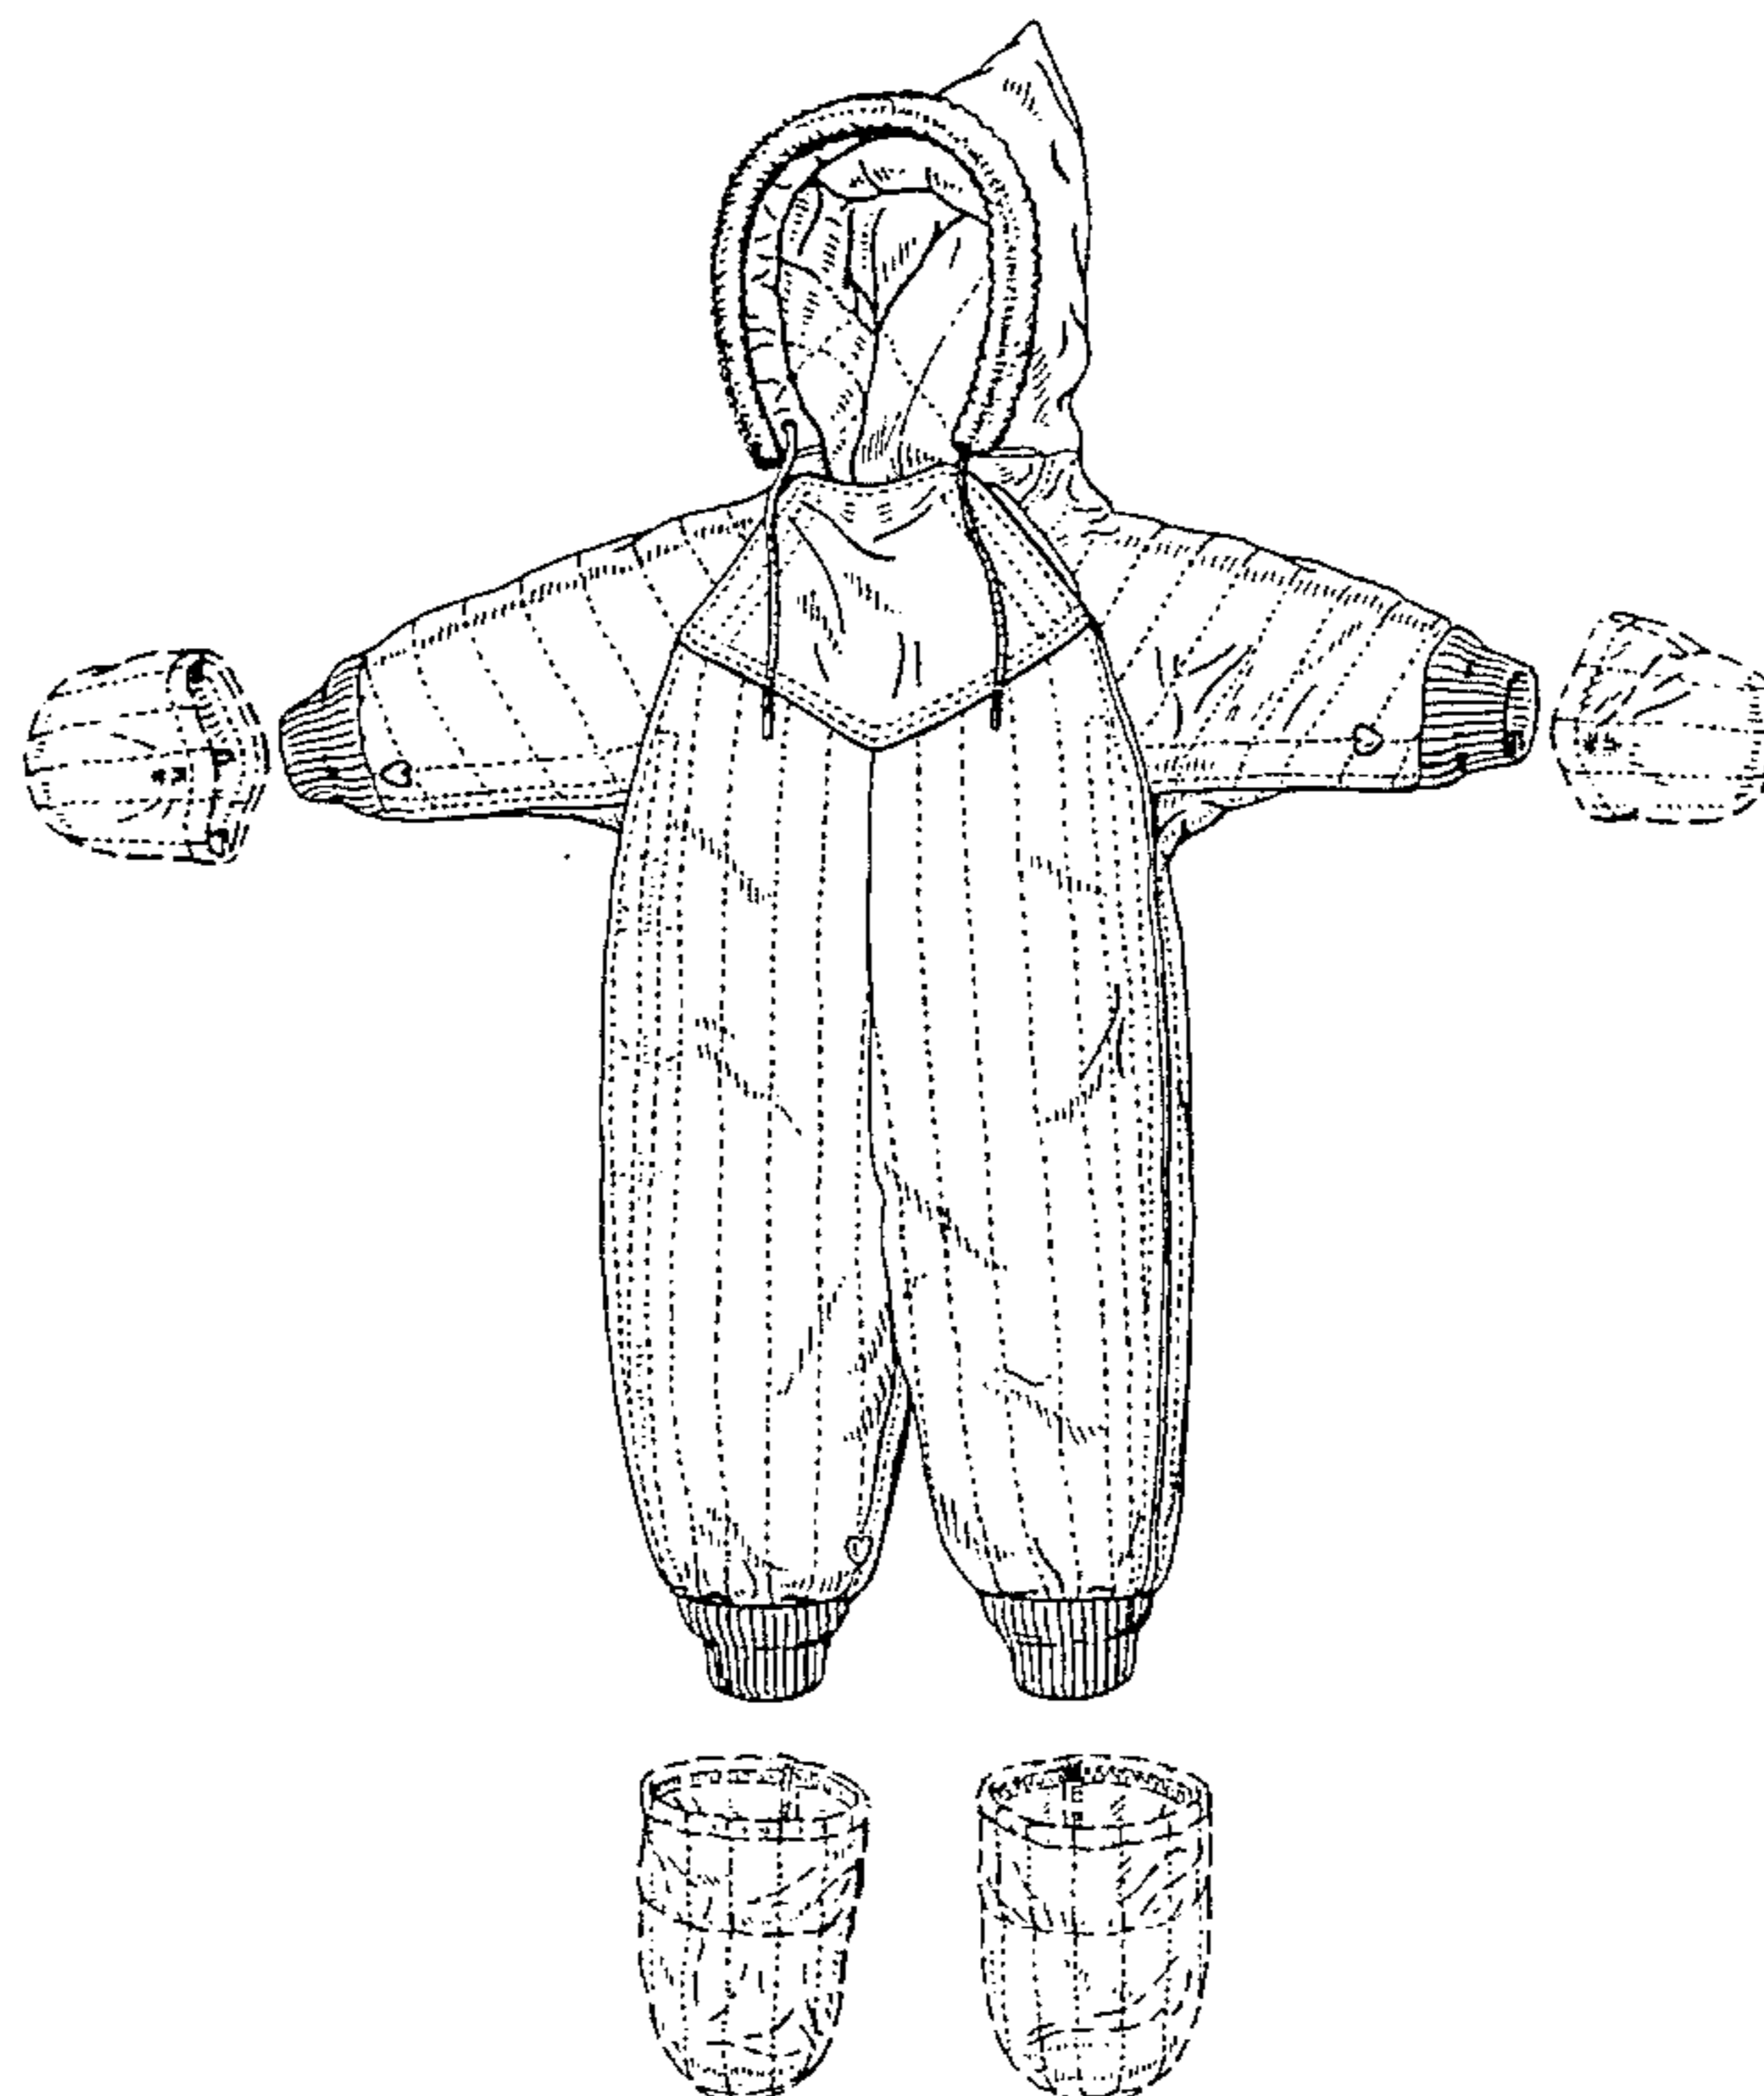

FIG. 1 is a right front perspective view of an infant snowsuit showing my new design, the left front being a mirror image thereof, and the broken lines showing mittens and booties being for illustrative purposes only and forming no part of the claimed design;

FIG. 2 is a front elevational view thereof in an unfolded condition; and,

FIG. 3 is a rear view thereof.

The broken lines shown on the claimed snowsuit throughout the views are understood to represent conventional stitching.
