[57] **CLAIM**

The ornamental design for a wristwatch with a vertically oriented display, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view of the wristwatch with a vertically oriented display showing my new design, broken-line showings of band portions are environmental only and form no part of the claimed design;

FIG. 2 is a top plan view thereof;

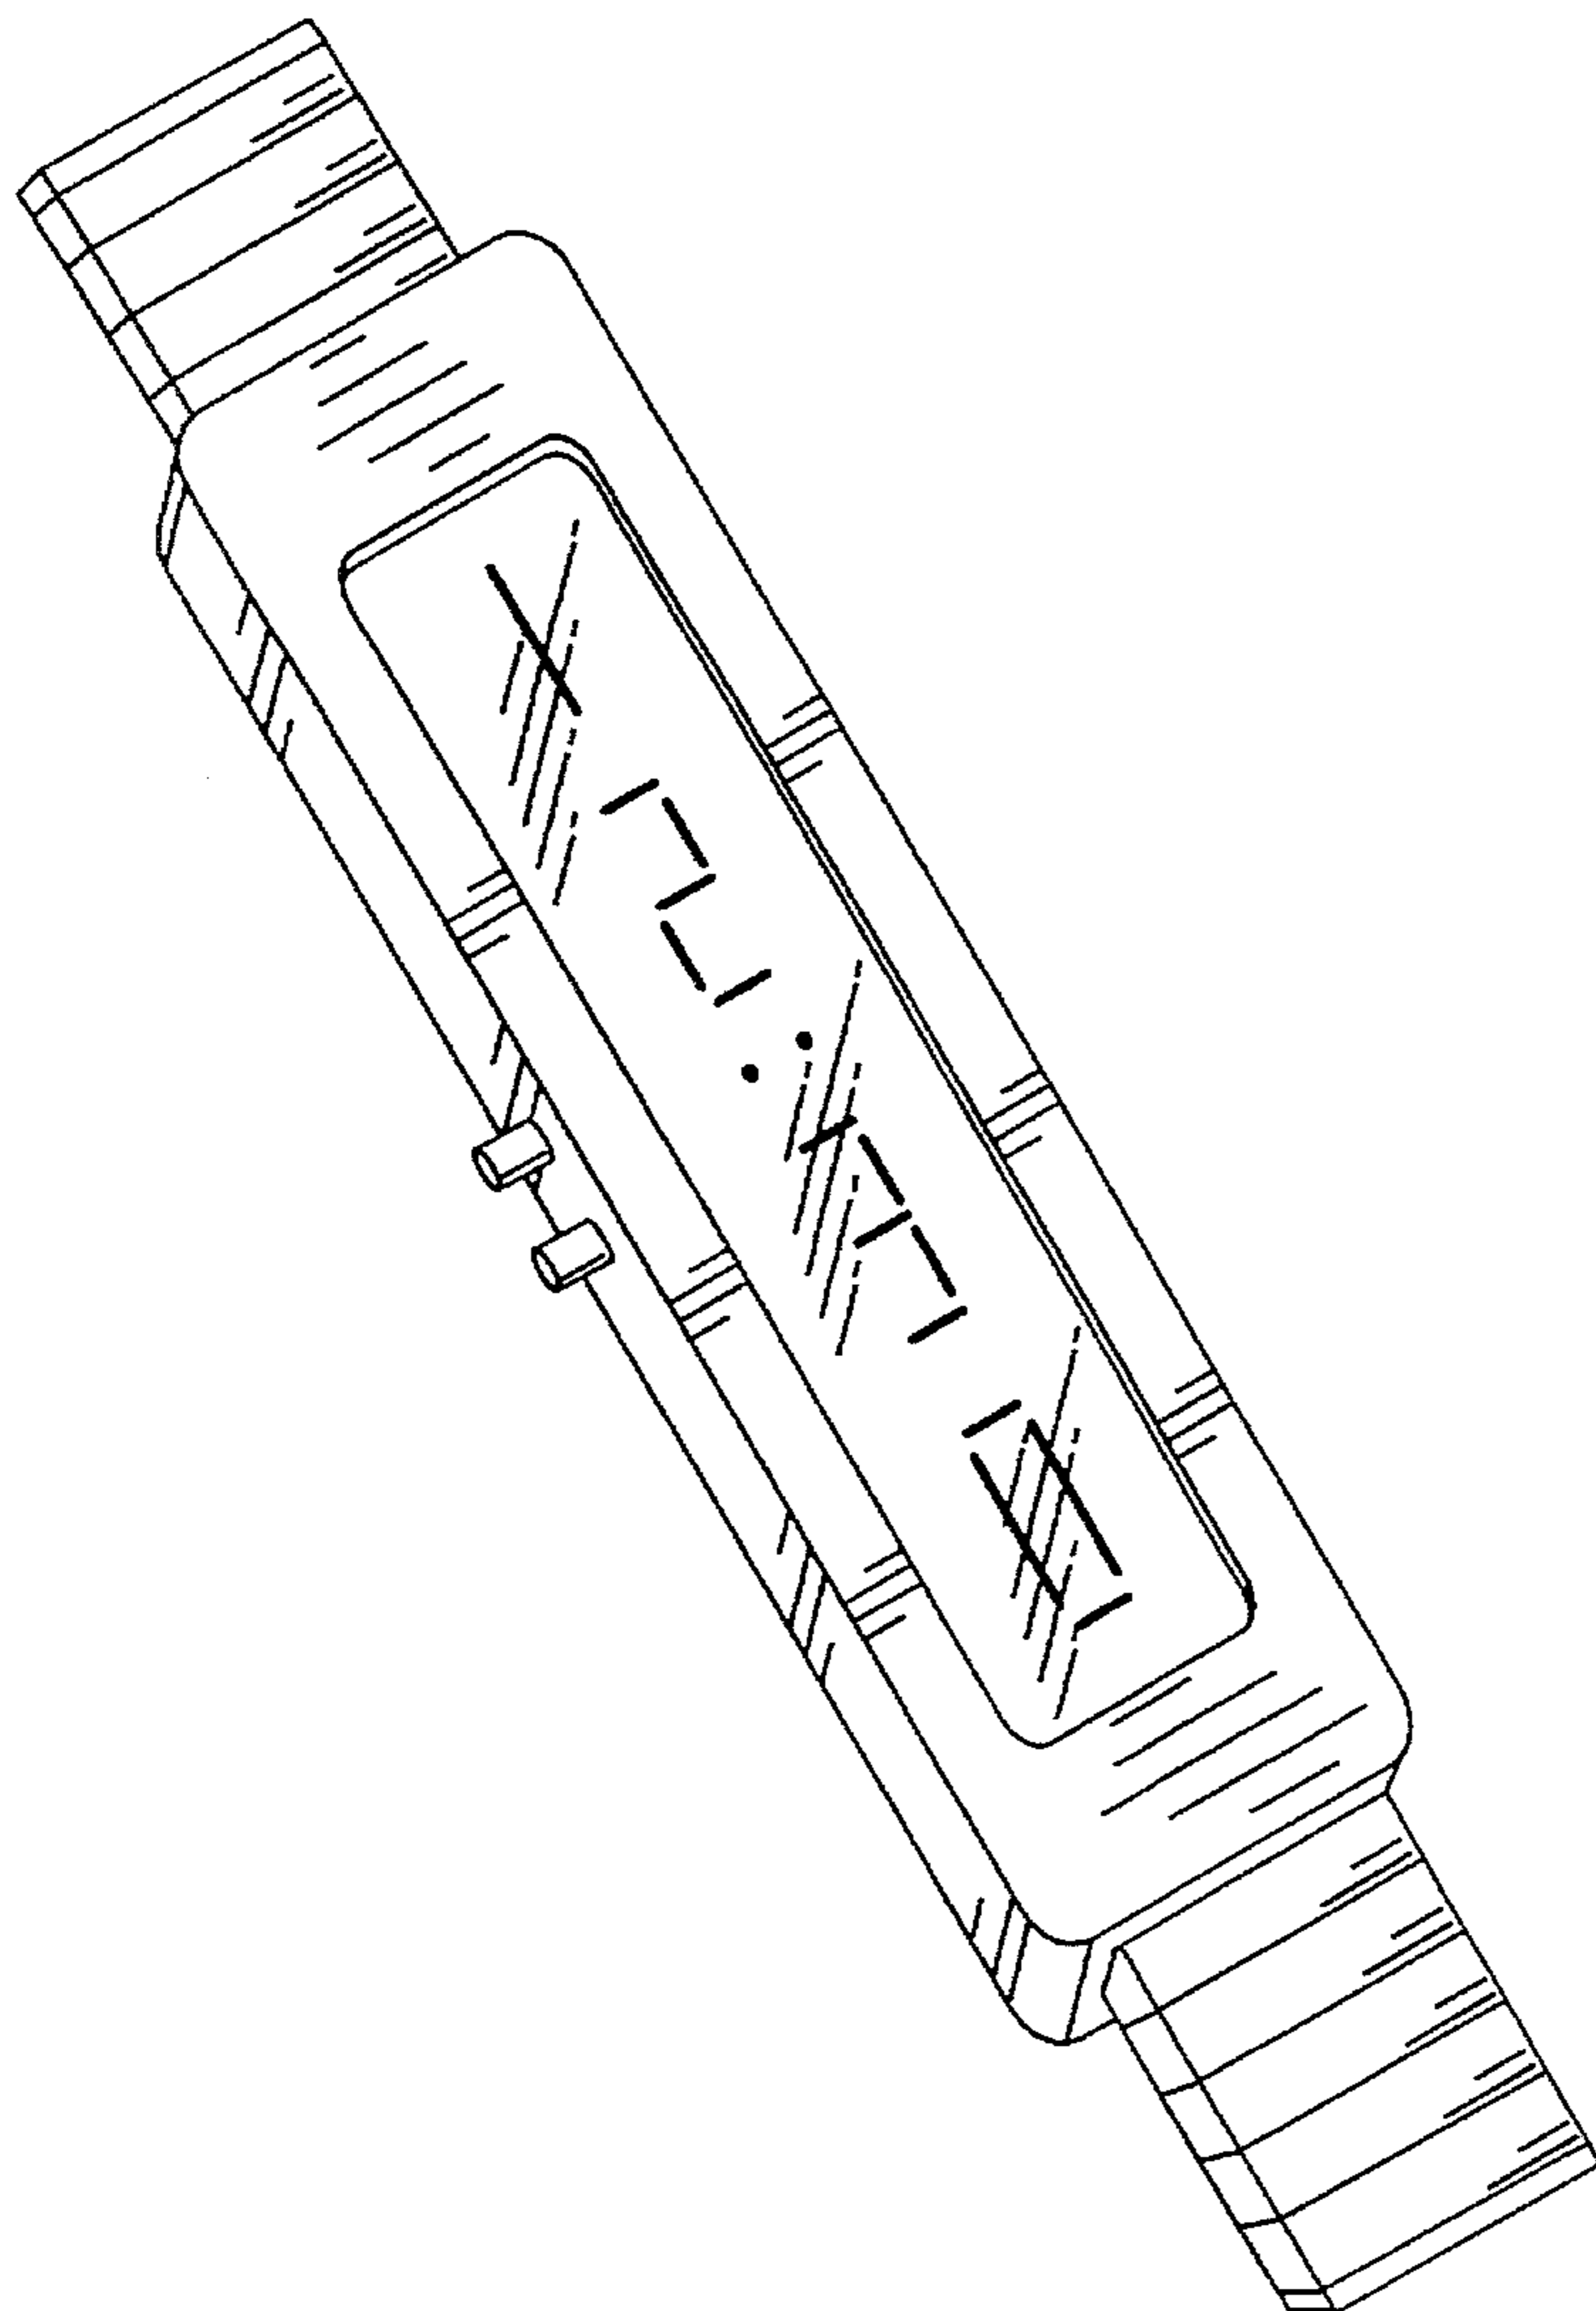

FIG. 3 is a bottom plan view thereof;

FIG. 4 is a bottom plan view of FIG. 2, the top plan view of FIG. 2 being identical;

FIG. 5 is a front elevational view thereof; and,

FIG. 6 is a rear elevational view thereof.
