[57] **CLAIM**

The ornamental design for a rectangular thermostat housing
with softened corners, as shown and described.

DESCRIPTION

FIG. 1 is a elevation view of the front of the housing;
FIG. 2 is a elevation view of the right side of the housing as
viewed from the front;

FIG. 3 is a elevation view of the top of the housing; and,
FIG. 4 is a perspective view of the housing as viewed from
above and to the left.

The rear of the thermostat housing does not comprise any
portion of the invention, and hence is not shown in the
drawings.

The broken line showing of the time and temperature are for
illustrative purposes only and forms no part of the claimed
design.
