[57] **CLAIM**

The ornamental design for a multi-purpose self-adhesive insect and parasite repellent, as shown.

DESCRIPTION

FIG. 1 is a perspective view of a multi-purpose self-adhesive insect and parasite repellent showing our new design therefor. The view is presented in a partially unrolled configuration with a portion of the self-adhesive strip protector detached to better depict the design features therein;

FIG. 2 is a front elevational view of the unrolled portion represented in FIG. 1 to better illustrate the design features repeated throughout the rolled configuration;

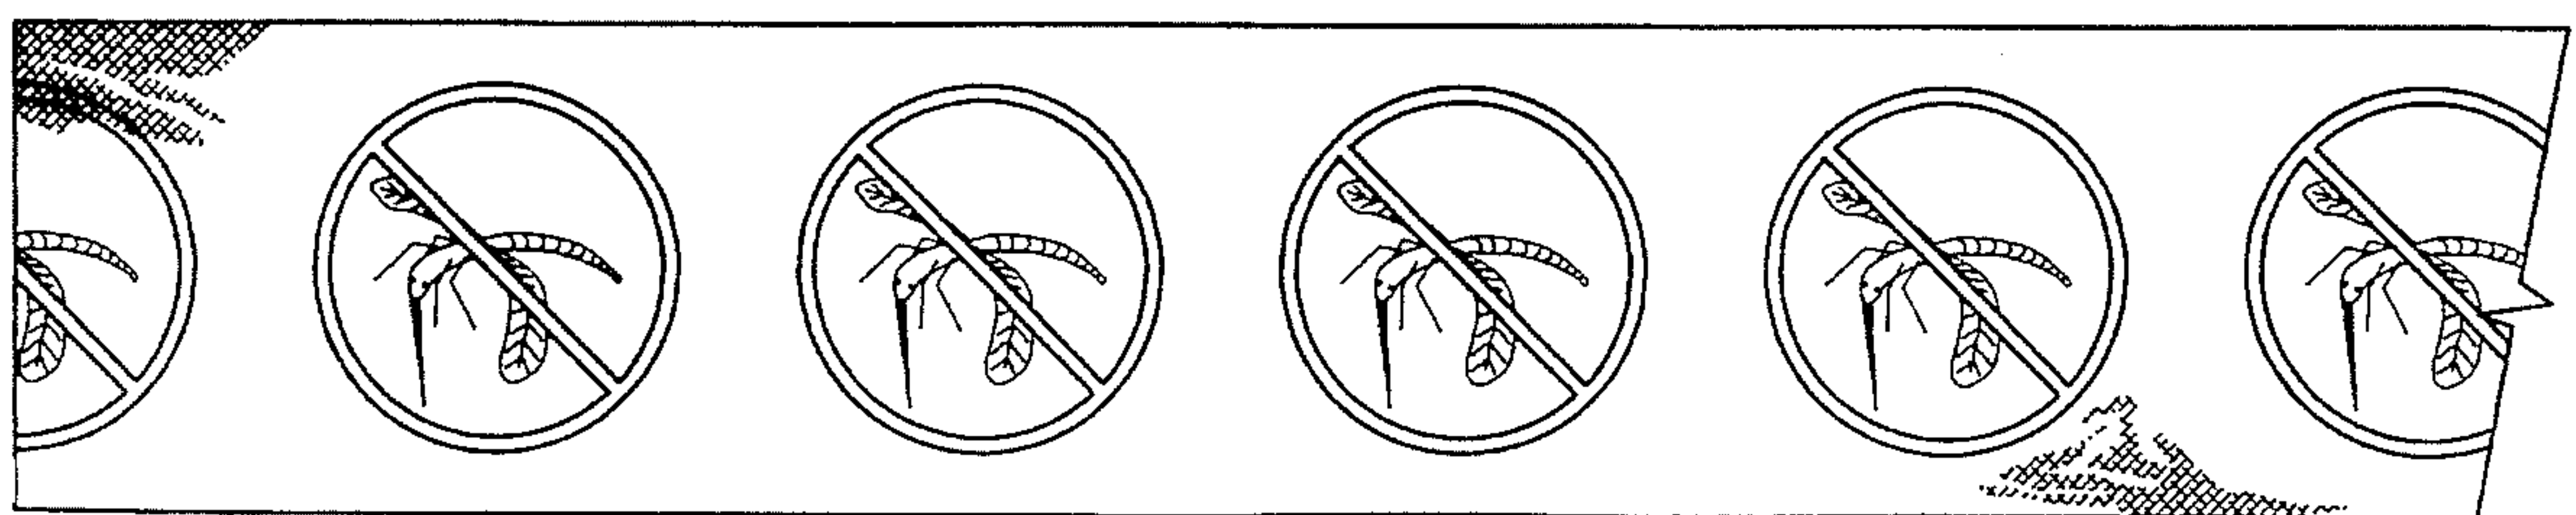

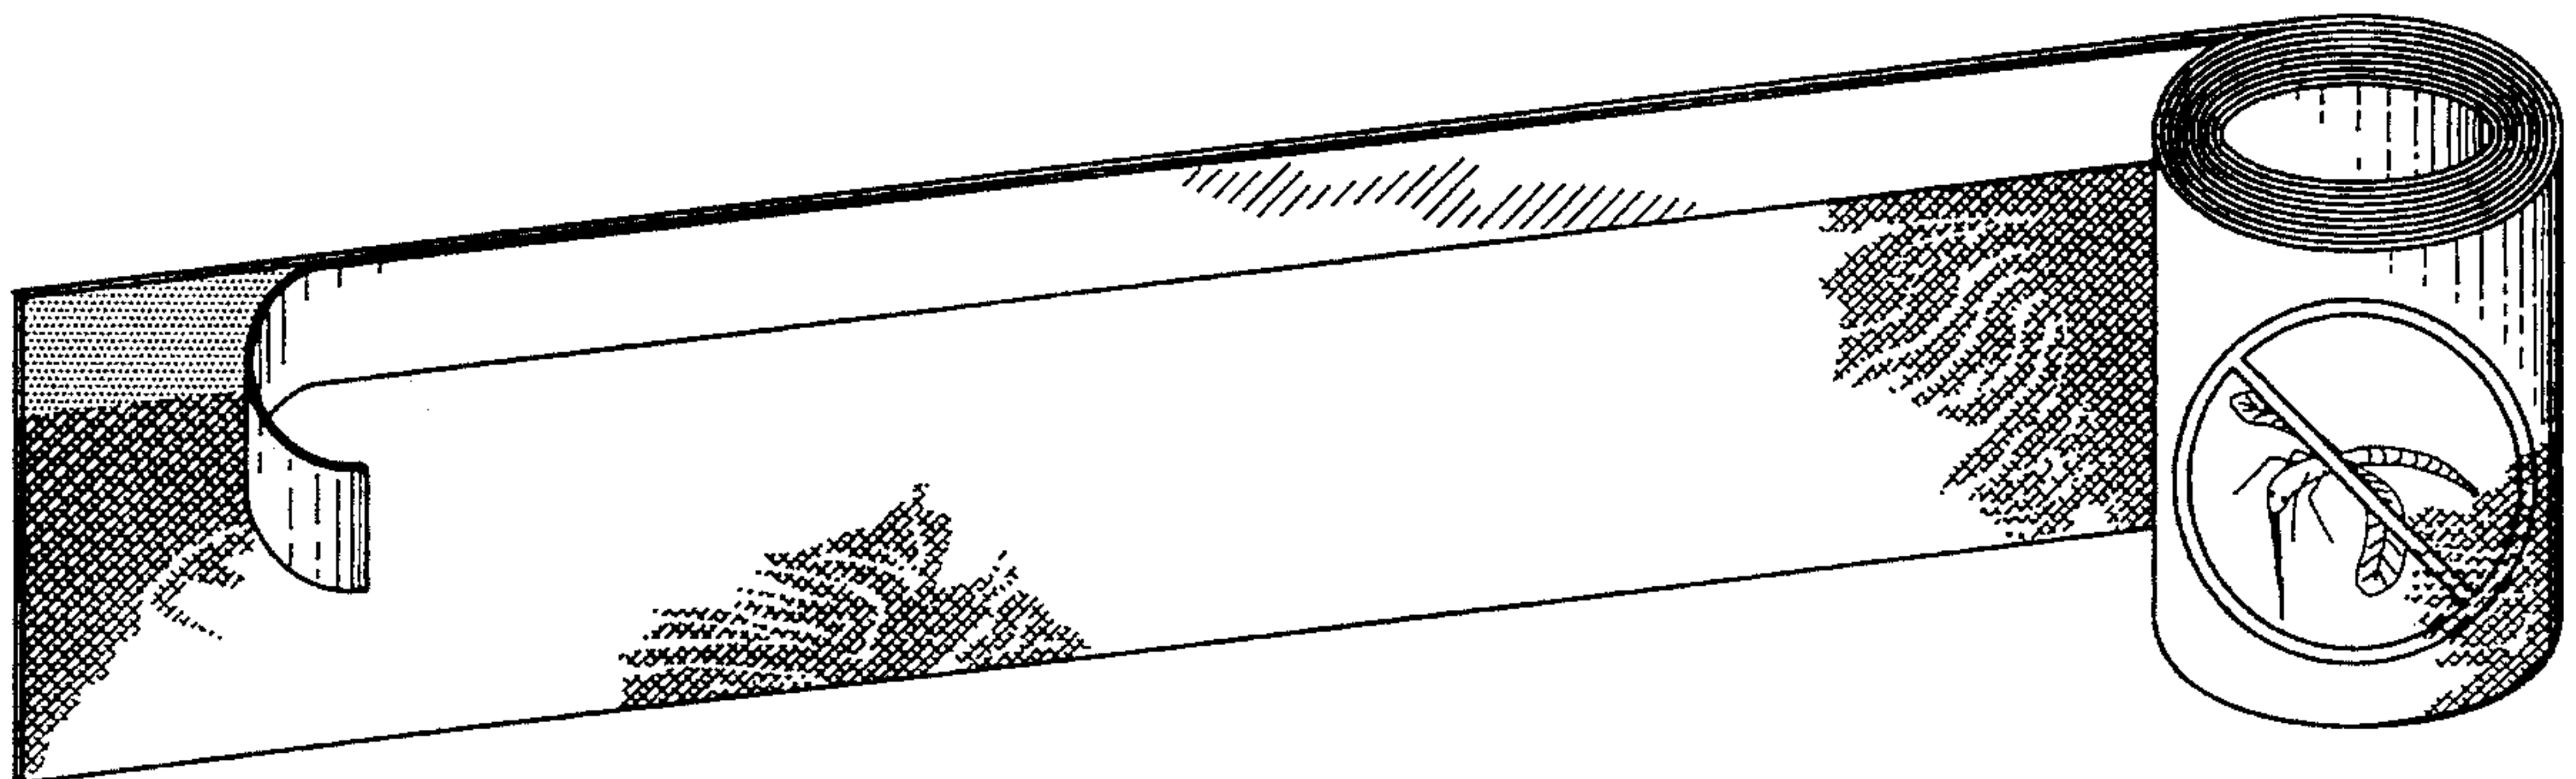

FIG. 3 is a top plan view;

FIG. 4 is a bottom plan view;

FIG. 5 is a left side elevational view; and,

FIG. 6 is a right side elevational view.
