[57] **CLAIM**

The ornamental design for a rack used by hanging on the U-channel support frame of a fold-down camper top or wall, as shown and described.

DESCRIPTION

FIG. 1 is a top, front, and left side perspective view of a rack used by hanging on the U-channel support frame of a fold-down camper top or wall showing my new design; FIG. 2 is an enlarged left side elevational view thereof, the right side being a mirror image of that shown; FIG. 3 is an enlarged front elevational view thereof, with portions shown broken-away for convenience of illustration; and, FIG. 4 is an enlarged fragmentary rear elevational view thereof, with portions shown broken-away for convenience of illustration.
