[57] **CLAIM**

The ornamental design for a combined warning light and siren housing for emergency vehicles, as shown and described.

**DESCRIPTION**

FIG. 1 is a front elevational view of the combined warning light and siren housing for emergency vehicles showing our new design, with the broken line showing for illustrative purposes only and forming no part of the claimed design; FIG. 2 is a rear elevational view thereof; FIG. 3 is a top plan view thereof; FIG. 4 is a bottom plan view thereof; FIG. 5 is a right side elevational view thereof, the left side view being a mirror image to the right side view; and, FIG. 6 is a perspective view taken from the top, front and right side of the combined warning light and siren housing for emergency vehicles.
