[57] **CLAIM**

The ornamental design for a molding insert pair, as shown and described.

DESCRIPTION

FIG. 1 is a right front perspective view of the molding insert showing the top of the first half of a molding insert pair; FIG. 2 is a right rear perspective view thereof showing the bottom of the first half of the molding insert pair;

FIG. 3 is a top plan view thereof showing the first half of the molding insert pair;

FIG. 4 is a top plan view thereof showing the second half of the molding insert pair;

FIG. 5 is a bottom plan view thereof showing the first half of the molding insert pair;

FIG. 6 is a bottom plan view thereof showing the second half of the molding insert pair;

FIG. 7 is a front elevational view thereof showing the first half of the molding insert pair;

FIG. 8 is a right side elevational view thereof showing the first half of the molding insert pair;

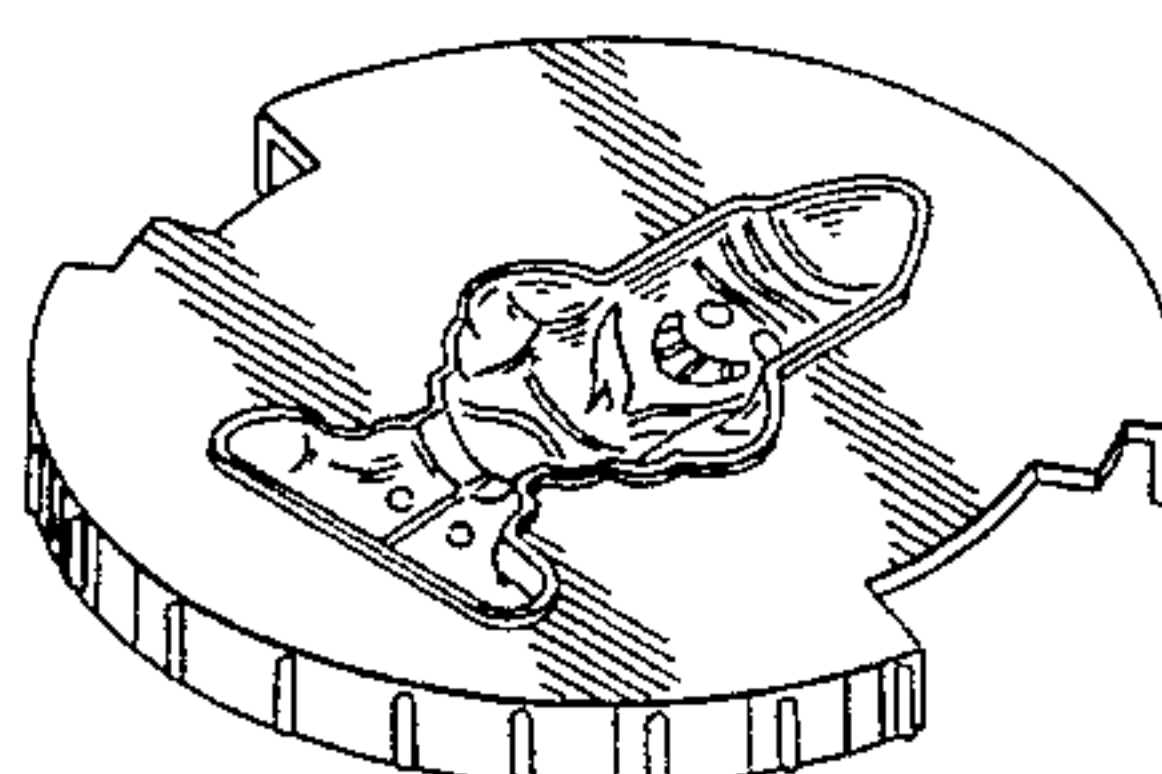

FIG. 9 is a rear elevational view thereof showing the first half of the molding insert pair;

FIG. 10 is a left side elevational view thereof showing the first half of the molding insert pair; and,

FIG. 11 is a right front perspective view of the molding insert pair showing the molding handle in broken lines.

The broken lines showing the molding handle are for illustrative purposes only and form no part of the claimed design.
