[57] **CLAIM**

The ornamental design for a welding bracket, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a welding bracket showing my new design;
FIG. 2 is a bottom plan view thereof;
FIG. 3 is a front elevational view thereof, with the right side elevational view appearing as a mirror image of the front elevational view;
FIG. 4 is a back elevational view thereof, with the left side elevational view appearing as a mirror image of the back elevational view; and,
FIG. 5 is a top perspective view thereof, with the dotted lines representing two metal members aligned by the welding bracket.

The broken lines shown in FIG. 5 are for illustrative purposes only and form no part of the claimed design.
