[57] CLAIM

The ornamental design for a sports pad for eyewear frames, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of the sports pad of my design in its normal, unstretched state prior to being stretched over a sports eyewear frame;
FIG. 2 is a rear elevational view of the sports pad shown in FIG. 1 in its normal unstretched state prior to being stretched over a sports eyewear frame;
FIG. 3 is a front perspective view of the sports pad shown in FIGS. 1 and 2 in its normal unstretched state;
FIG. 4 is a rear perspective view of the sports pad shown in FIGS. 1-3 in its normal unstretched state;
FIG. 5 is a front perspective view of the sports pad shown in FIGS. 1-4 in its stretched state with the sports eyewear frame removed for clarity;
FIG. 6 is a rear perspective view of the stretched sports pad shown in FIG. 5 with the sports eyewear frame removed for clarity;
FIG. 7 is a front perspective view of the stretched sports pad of my new design in combination with a sports eyewear frame shown in broken lines;
FIG. 8 is a rear elevational view of the stretched sports pad positioned over sports eyewear frame shown in FIG. 7;
FIG. 9 is a right end elevational view of the stretched sports pad positioned over the sports eyewear frame shown in FIG. 7 and 8; and,
FIG. 10 is a top plan view of the stretched sports pad positioned over the sports eyewear frame shown in FIGS. 7-9.
The broken line showing of the eyewear frame in FIGS. 7-9 is for illustrative purposes only and forms no part of the claimed design.
