## [57] CLAIM

The ornamental design for a portion of a luminaire, as shown and described.

## DESCRIPTION

FIG. 1 is a fragmentary bottom perspective view of a portion of a direct-indirect luminaire in accordance with our new design;

FIG. 2 is a bottom plan view thereof;

FIG. 3 is a fragmentary bottom perspective view of an alternative embodiment of a portion of a direct-indirect luminaire in accordance with our new design; and,

FIG. 4 is a bottom plan view thereof.

The broken lines are shown in FIGS. 1-4 for illustrative purposes only and indicate the nature and use of our new design. The fragmentary views of FIGS. 1-4 indicate indeterminate length and show the portion of the direct-indirect luminaire considered to be our new design.
