FIG. 1 is a perspective view of a brake caliper tool showing my new design;

FIG. 2 is a front elevational view with the rear being a mirror image thereof;

FIG. 3 is a top view thereof; and,

FIG. 4 is a right side elevational view with the left side being a mirror image thereof.

The unornamented bottom is not disclosed. The broken line showing of a brake tool mounting bracket and indicia in FIG. 1 is for illustrative purposes only and forms no part of the claimed design.
