[57] **CLAIM**

The ornamental design for a combined ice cube and container therefor, as shown and described.

**DESCRIPTION**

FIG. 1 is a top plan view of a combined ice cube and container therefor showing my new design;

FIG. 2 is a bottom plan view thereof;

FIG. 3 is a side elevational view thereof, it being understood that all other undisclosed sides are the same;

FIG. 4 is a top perspective view of the top half of the container as shown in FIG. 3;

FIG. 5 is a top perspective view of the bottom half of the container as shown in FIG. 3;

FIG. 6 is an exploded cross-sectional view thereof, taken along line 6—6 in FIG. 3, with the ice cube removed;

FIG. 7 is a cross-sectional view thereof, taken along line 6—6 in FIG. 3; and,

FIG. 8 is a top perspective view of the ice cube shown in FIG. 1 with the container removed, the undisclosed bottom being a mirror image and all other undisclosed sides are the same.
