[57] **CLAIM**

The ornamental design for a jumper cable safety guard, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view of the jumper cable safety guard, showing our new design, with the jumper cable clamps and indicia shown in phantom for purpose of showing environmental elements and forming no part of our new design;

FIG. 2 is a top plan view thereof, the bottom view being the same and again with the jumper cable clamps and indicia shown in phantom for purpose of showing environmental elements and forming no part of our new design;

FIG. 3 is a right side plan view thereof with the two sides being the same;

FIG. 4 is a rear plan view thereof; and,

FIG. 5 is a front view of the jumper cable safety guard of my invention with the environmental features of FIGS. 2 and 5 omitted for clarity purposes.
