[57] CLAIM

The original design for a fishing rod connector, as shown.

DESCRIPTION

FIG. 1 is a perspective view of the fishing rod connector showing the top and one side thereof;
 FIG. 2 is a similar view showing the bottom and other side thereof;
 FIG. 3 is a top plan view thereof; and,
 FIG. 4 is a perspective view showing a fishing rod connector in use, the broken line showing of a second fishing rod connector and a fishing rod being for illustrative purposes only and forming no part of the claimed design.
