[57] **CLAIM**

The ornamental design for a combined tube dispenser, brush and cap, as shown and described.

DESCRIPTION

FIG. 1 is a front, top and side perspective view of the combined tube dispenser, brush and cap showing my new design, with the tube cap being removed to show the brush; FIG. 2 is a front elevational view thereof, the rear being a mirror image of the front shown in FIG. 2; FIG. 3 is a side elevational view thereof; the opposite side, except for the absence of a square button on the neck of the tube, is a mirror image; FIG. 4 is a top plan view thereof; FIG. 5 is a bottom plan view thereof; and, FIG. 6 is a perspective view thereof showing the cap in place on the tube.
