[57] **CLAIM**

The ornamental design for a furniture mover, as shown and described.

DESCRIPTION

FIG. 1 is a front, top and right side perspective view of a furniture mover showing our new design;

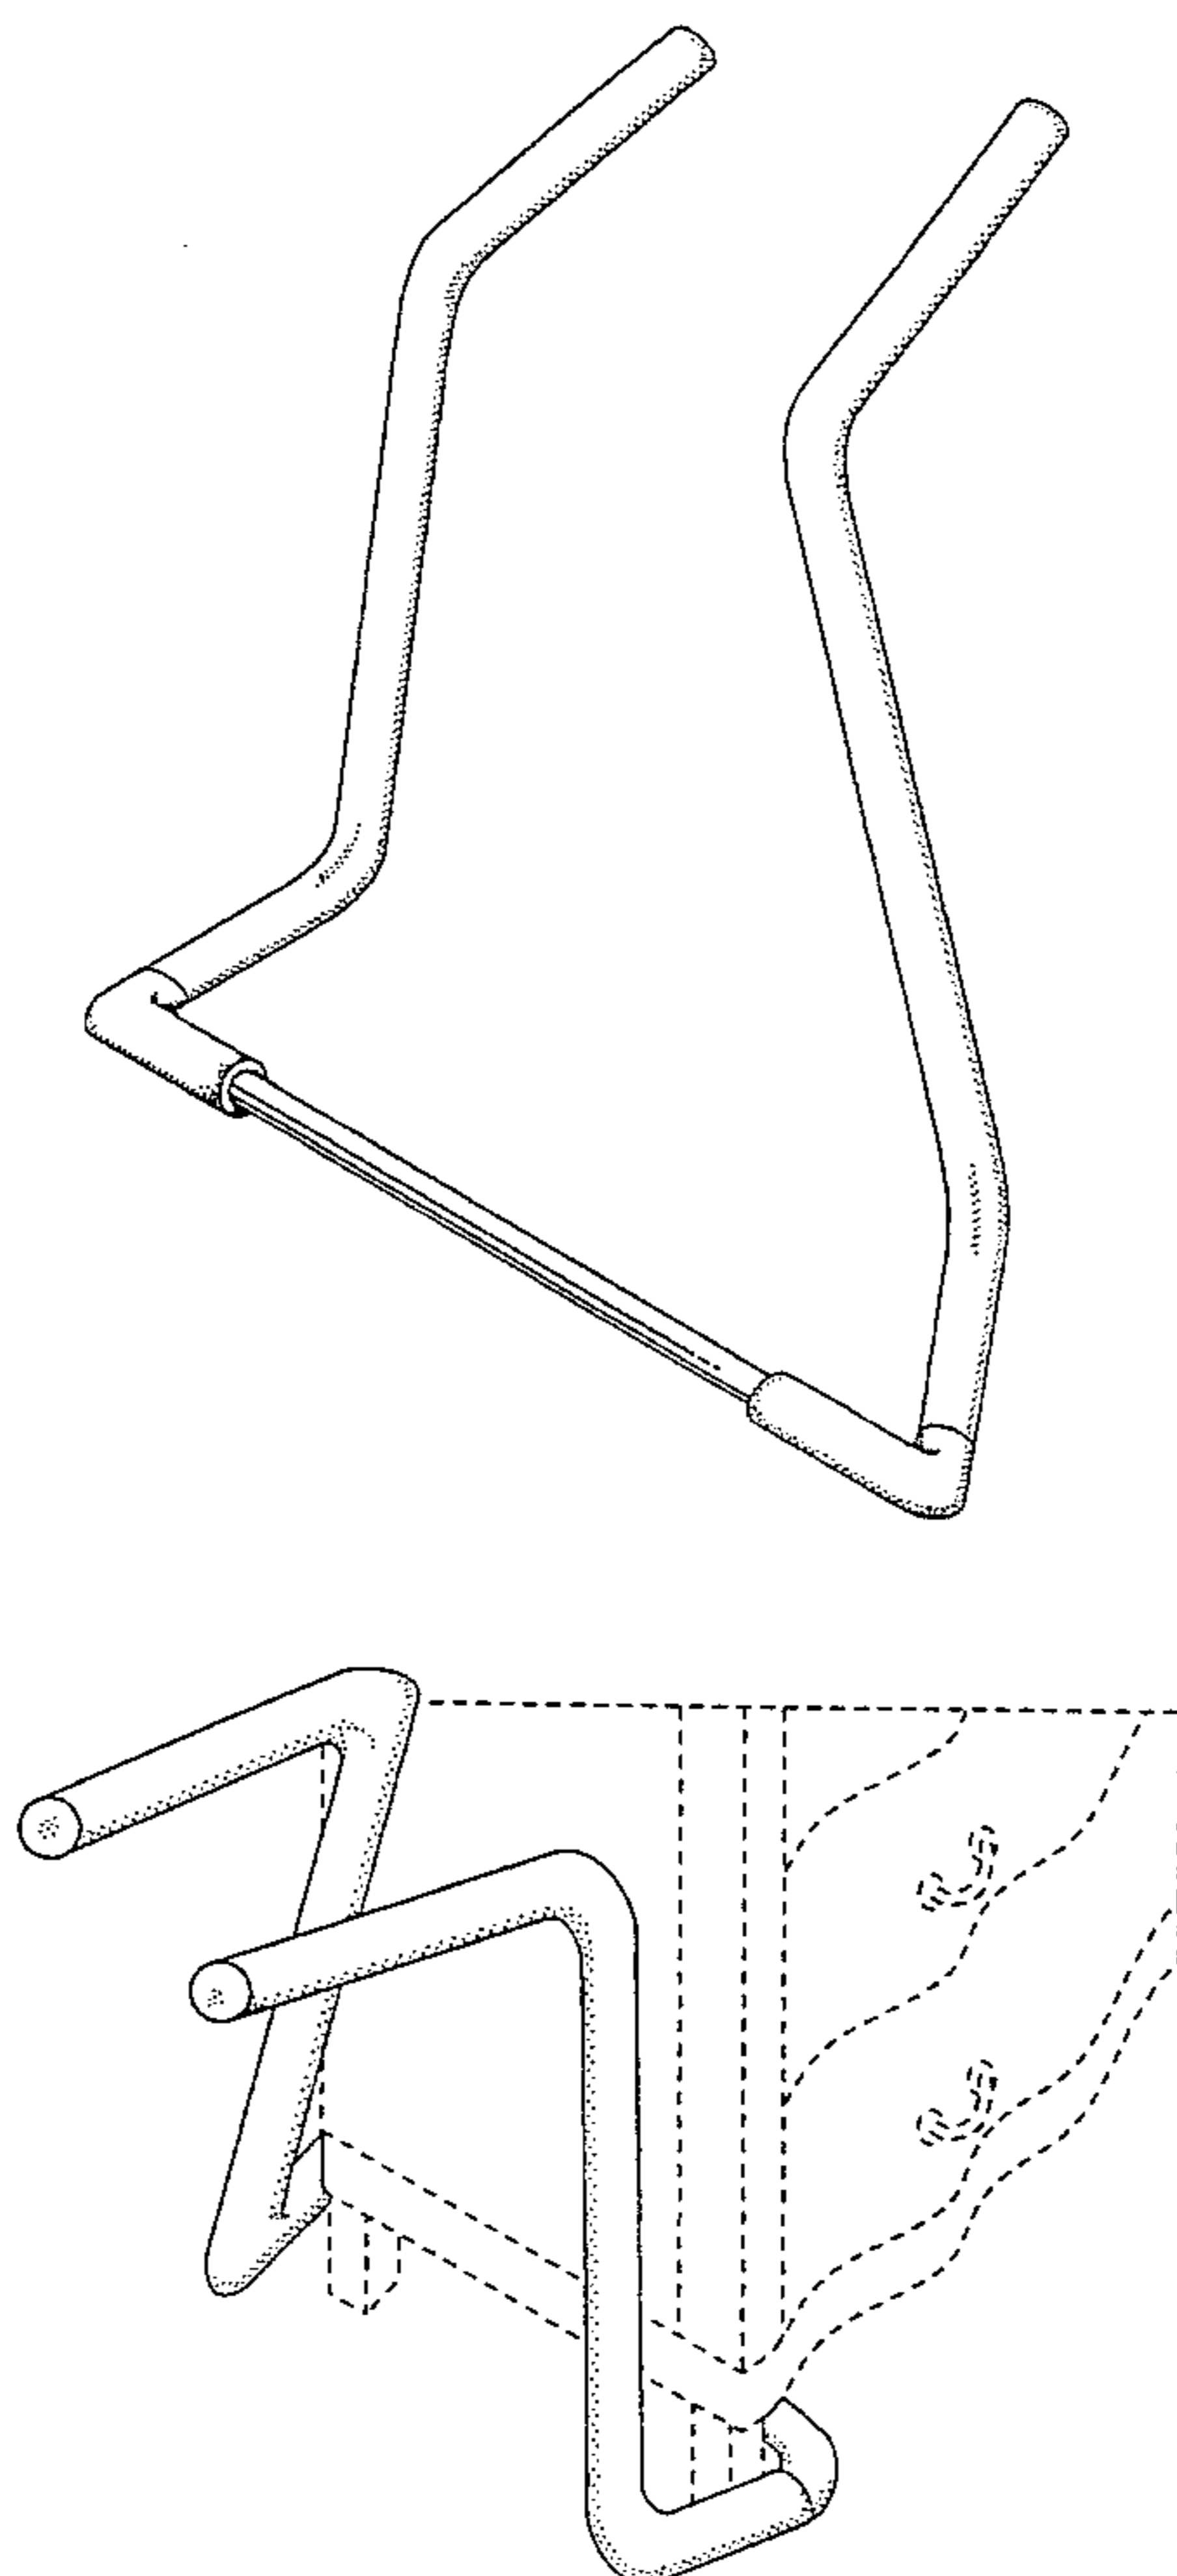

FIG. 2 is a rear, top and left side perspective view thereof, shown within a broken line partial illustration of a piece of furniture;

FIG. 3 is a right side elevational view thereof, with the left side constituting a mirror-image of the right side; and,

FIG. 4 is a front elevational view thereof.

The broken line illustration of the piece of furniture is for illustrative purposes only and forms no part of the claimed design. The undisclosed bottom of the furniture mover is plain and unornamented.
