[57] CLAIM

The ornamental design for a cutlength adjusting device for a lawnmower, as shown and described.

DESCRIPTION

FIG. 1 is a front, top and side perspective view of the cutlength adjusting device for a lawnmower showing our new design;

FIG. 2 is a front end elevational view thereof, the rear end being a mirror image of the front shown in FIG. 2;

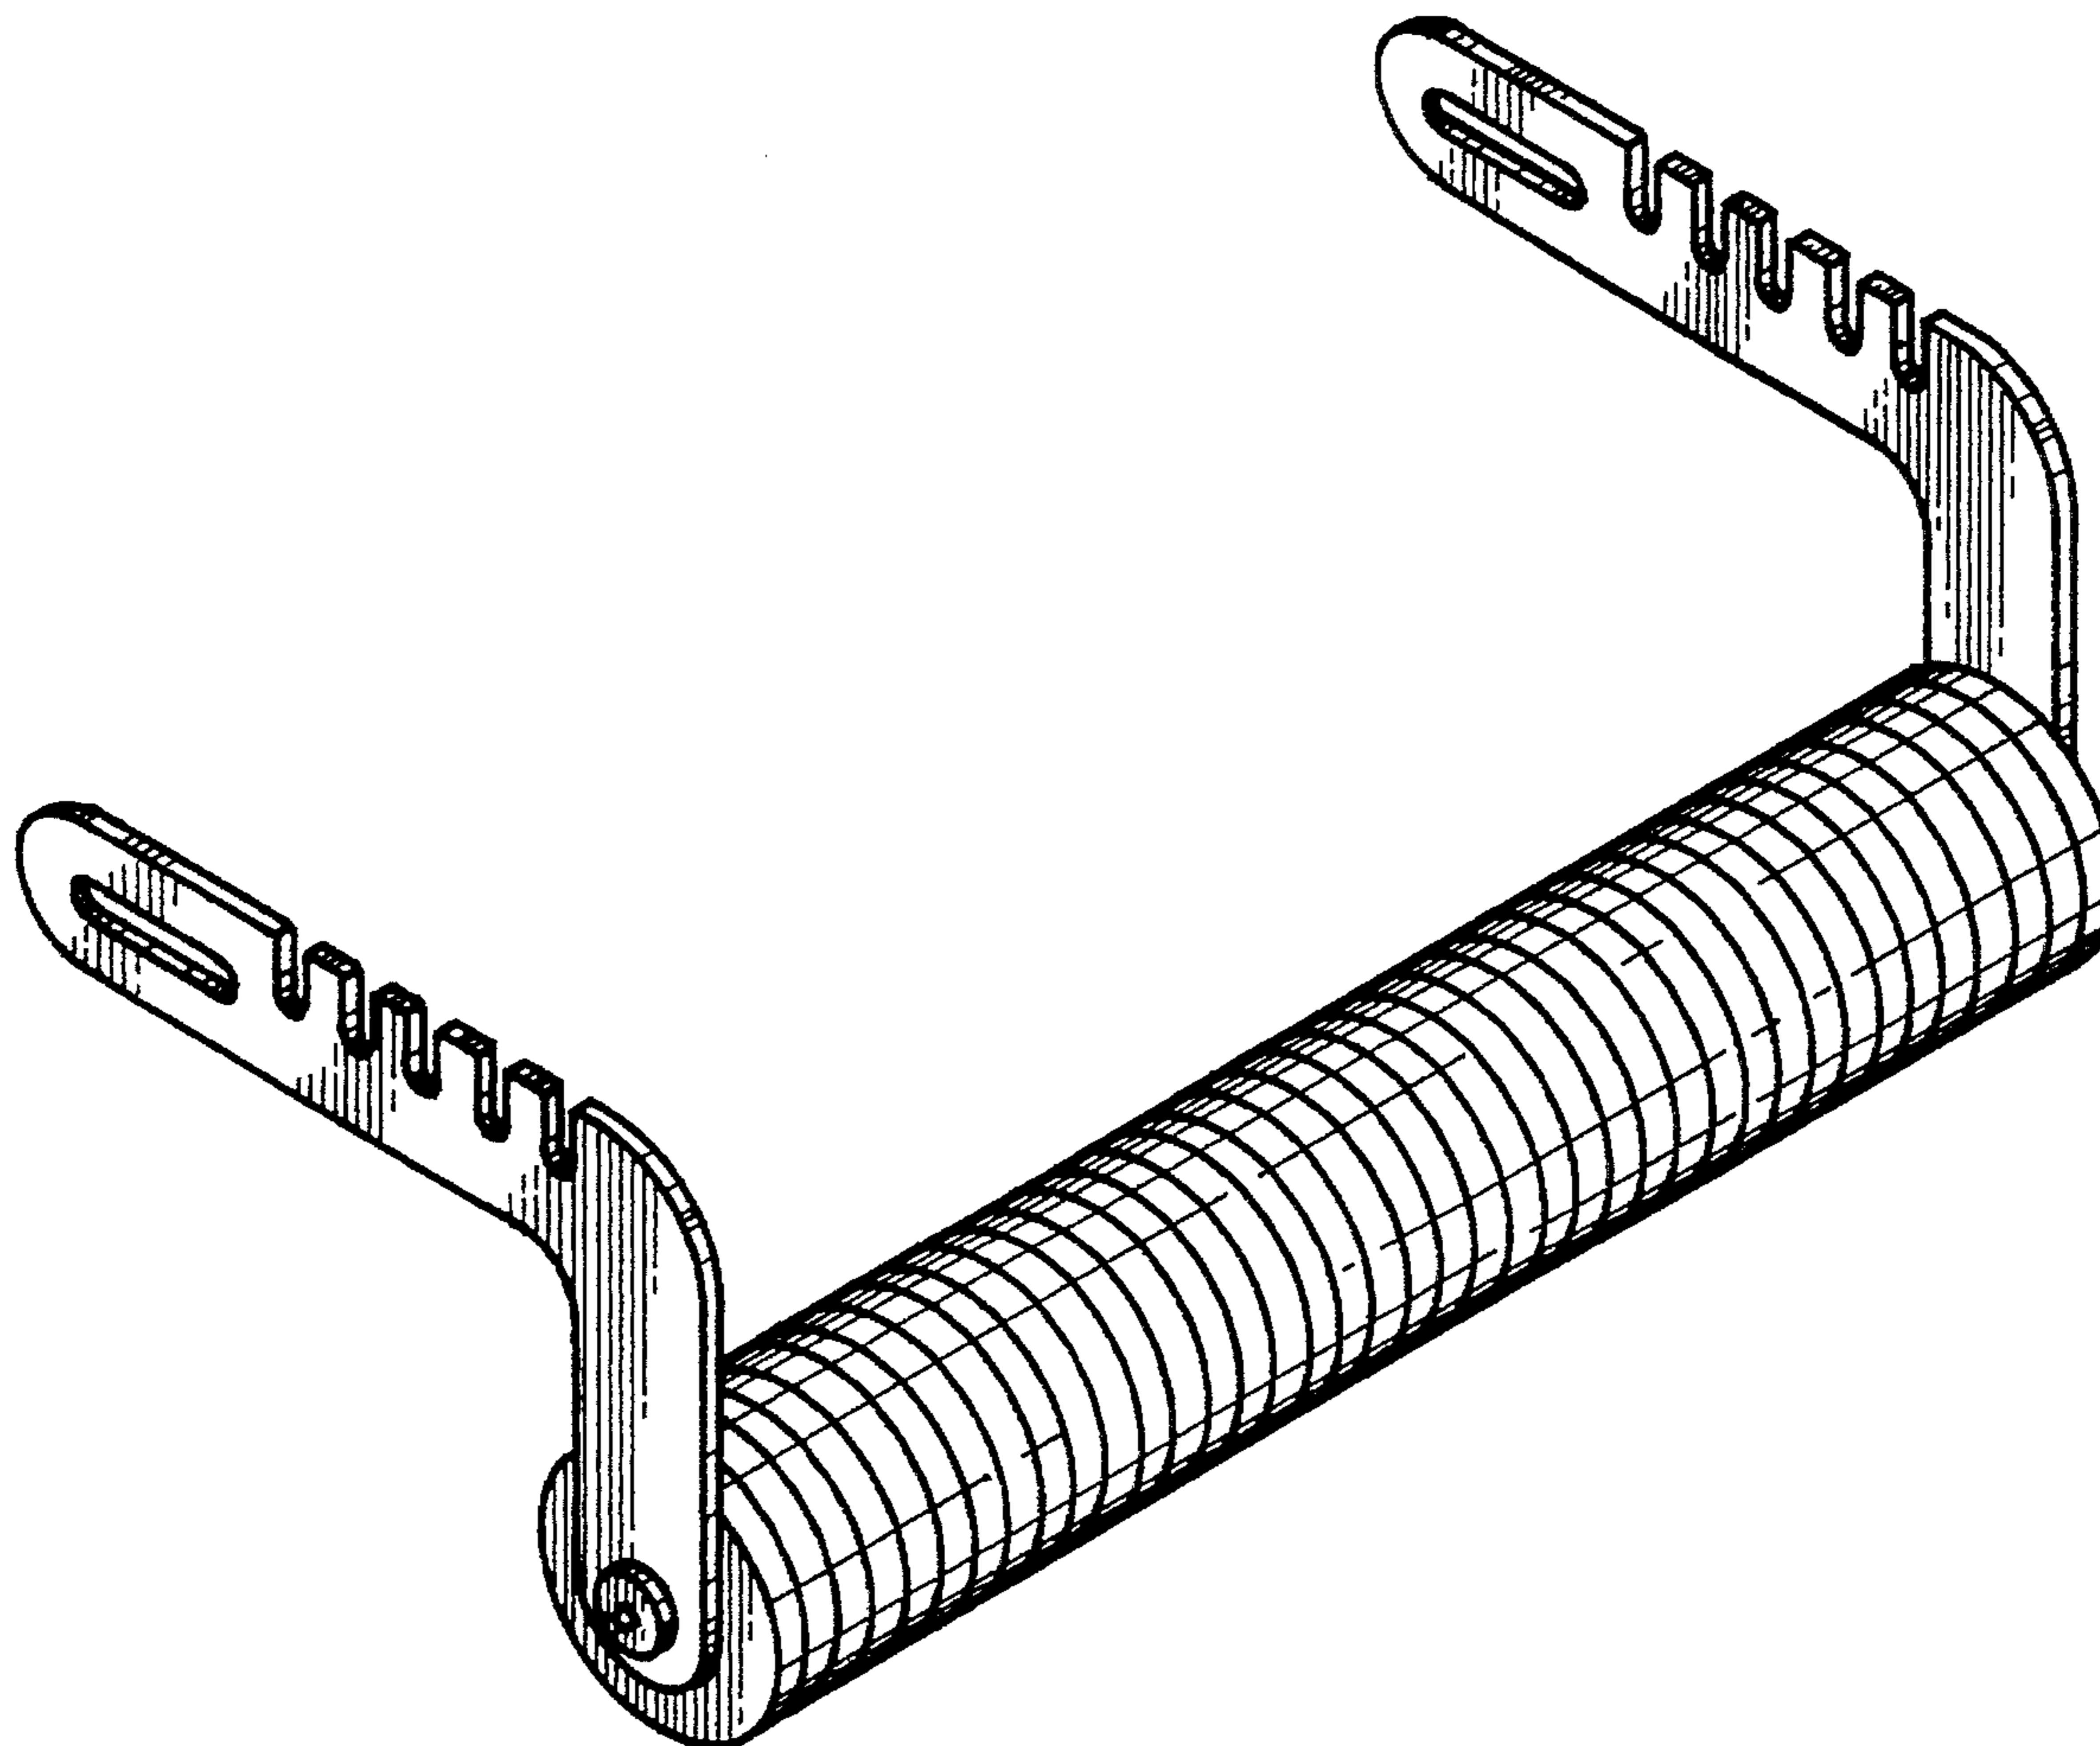

FIG. 3 is a side elevational view thereof;

FIG. 4 is a side elevational view thereof;

FIG. 5 is a top plan view thereof; and,

FIG. 6 is a bottom plan view thereof.
