[57] **CLAIM**

The ornamental design for an iron stand, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view from above of my new design for an iron stand;

FIG. 2 is a rear elevational view of my new design for an iron stand;

FIG. 3 is a side elevational view of my new design for an iron stand, seen from the right relative to FIG. 2;

FIG. 4 is a top plan view of my new design for an iron stand; and,

FIG. 5 is a bottom plan view of my new design for an iron stand.

The perforations on the metal in FIGS. 1, 4 and 5 are partially shown for convenience of illustration, it being understood that the perforations are uniformly continuous over the surface on which they appears.

1 Claim, 4 Drawing Sheets

FIG. 1
